Farmers Attention!
 In this issue we begin the publication of a series of articles on the relation of the railroads to the people and we ask all our readers—especially our farmer subscribers—to read them carefully for they will contain perhaps the most intimate discussion of this great question that has ever appeared in public print. Regardless of how you feel about the railroads you will find in these articles a lot of information which every thinking citizen ought to know.

Prices Talk

I have enough Heaters, Cook Stoves and Household Goods to supply the Town, and in order to dispose of them, I have reduced the Selling Price to 1/2. This is not hot air. I do very little talking through the papers, my Prices and my Goods do the talking—to this I attribute my success in business.

LIBERAL TERMS TO ALL.
