FARMERS WEEK ANOTHER SUCCESS

State Marketing Association Organized. Lafayette Well Represented.

Columbia, Mo., Jan. 8—Farmers' Week at the University of Missouri at Columbia closed with the made-in-the-College-of-Agriculture banquet in Rothwell Gymnasium Friday night. Enrollment was 804 less than last year when 2,810 were registered. Delegations of more than fifty attended from St. Louis and Kansas City.

The night programs were featured by talks by David Lubin, founder of the International Institute of Agriculture of Rome, Italy, and John Temple Graves, editor of the New York American. They advocated an organization of nation, state, county and township for farm marketing. Addresses on the plan were made Tuesday night. Wednesday afternoon at a meeting called to organize a state marketing association a scheme was adopted similar to the one favored by the founder of the international institute.

Other speakers of prominence on the night programs were Col. M. D. Munns, John Irwin, M. L. McClure, Mrs. Cora G. Lewis and Dr. D. F. Luckey.

On the morning programs were lectures and demonstrations on animal husbandry, soils and crops, dairy husbandry, horticulture and entomology, farm management and rural economics, poultry husbandry, farm mechanics, meat cutting and curing and the work of the rural preacher.

Twenty-one state associations filled the time of the afternoons. At each of these some special lecture and discussion of interest to the members was made. Mrs. Virginia Meredith of Cambridge City, Ind., talked to the Women Farmers' Club and the Home Makers' Conference. The Missouri Agriculture Society heard talks by Dr. Leonard Hasegan of the University of Missouri. J. B. Irwin, owner of the champion dairy cow of the United States, talked to the Holstein Breeders' Association. Prof. Howard Hackedorn of the University showed the chance for profit in sheep raising in Missouri to the Sheep Breeders' Association.

Boys and girls were not forgotten. Contests were held for them and instruction given under the direction of George W. Reavis, supervisor of boys' and girls' clubs in the University. Eighty-five boys and one girl entered the stock judging contest. Forty girls from ten counties entered the biscuit making contest held by Miss Babb Bell of the agricultural extension service of the University and thirteen were in the fudge making contest. Poultry judging, sewing, spelling, and ciphering contests were held.

Those attending the banquet Friday night heard addresses by Governor Elliott W. Major, John Brayton of the State Board of Agriculture and Dr. Harry R. McKeen. About 800 attended.

Visitors to Farmers' Week from Lafayette County were: Charles H. Glandins, Higginsville; A. G. Tagmeyer, Alma; E. C. Brand, Mayview; George A. Slusher, Lexington; G. V. Sheets, Moscow Mills; Milton Uphaus, Concordia; L. O. Rechtermann, Higginsville; Fritz Tempel, Higginsville; J. Y. Ewing, Napoleon; A. W. Bettien, Napoleon; F. W. Edler, Higginsville; T. J. Miller, Higginsville; Arthur L. Beale, Odessa; Harry E. Steele, Waverly, and E. H. Walkenhurst, Concordia.

The Habit of Taking Cold.

With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold, but a temperature of about 90° F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.

B. R. Young went to Kansas City Friday, where he will spend the day on business.

Miss Madeline Roach of Wellington spent the week end here with her parents, Mr. and Mrs. W. P. Roach.

Chamberlain's Cough Remedy Most Effectual.

"I have taken a great many bottles of Chamberlain's Cough Remedy and every time it has cured me. I have found it most effectual for a hacking cough and for colds. After taking it a cough always disappears," writes J. R. Moore, Lost Valley, Ga. Obtainable everywhere.

Mrs. A. F. Sawyer of Independence arrived Sunday morning for a visit in this city with Mr. and Mrs. T. C. Sawyer

Found a Sure Thing.

L. B. Wixon, Farmers Mills, N. Y., has used Chamberlain's Tablets for years for disorders of the stomach and liver and says, "Chamberlain's Tablets are the best I have ever used." Obtainable everywhere.

Mrs. Lawrence Rostagno and two daughters, Miss Birdie and Anna, spent Sunday in Higginsville.

Bad Habits.

Those who breakfast at eight o'clock or later, lunch at twelve and have dinner at six are almost certain to be troubled with indigestion. They do not allow time for one meal to digest before taking another. Not less than five hours should elapse between meals. If you are troubled with indigestion correct your habits and take Chamberlain's Tablets, and you may reasonably hope for a quick recovery. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.

Miss Nell Ross spent Sunday in Higginsville.
