HON. SAM C. MAJOR

Press comment on the candidacy of Sam C. Major for Representative in Congress:

From the Slater Rustler.

In this week's issue of the Rustler will be found the announcement of Samuel C. Major, as a candidate for the democratic nomination of Congressman of this, the seventh district, subject to the action of the Democratic primary. Mr. Major is a native of Howard County, his home being at Fayette. Mr. Major has served as State Senator from his senatorial district and during the time he was in office took active part in the passage of many valuable laws. He is regarded as an able democrat and comes from one of the strongest democratic counties in the district. He is a lawyer and stands high in the community in which he resides. Senator Major states that he will make a thorough canvass of his district.

Don't get uneasy about Teddy. We believe the Republicans have too much sense to nominate him, but if they haven't, the peace loving people of the United States have too much sense to elect him. His brand of brag and bluster has lost its effectiveness.

W. M. Salmon, brother of Frank Salmon, who was sent to the asylum from here last week, committed suicide at his home in Wichita, Kansas, Wednesday morning by taking carbolic acid. He has been brooding over his brother's condition and feared that he too, would become insane took his own life. Mr. Salmon was 40 years old.

Notice.

As spring is opening and you are thinking of building, don't forget that we have a Winner Concrete Mixer. We are prepared to do more and better work this year than ever. Try us and see. No job too small and none too large. Call 491 B and we will do the rest.

Roxy Turner in Jail Again.
Tuesday night about 12 o'clock, after about a three hour session of the "Bucket Brigade," at the home of Roxy Turner, in the Booker property on eighth street, Roxy Turner and Cora Green, two of Lexington's notorious characters (negroes) had an altercation over another negro, "Cash" and it all ended by Cora being assessed \$11.15, and Roxy being sentenced to sixty days in Hotel De Waddell, in Justice Wright's Court Wednesday afternoon. Roxy will be remembered as the cause of the cutting scrape between her brother Will Renick and Slim Hall about a year ago.

Cubs 3; Odessa 5.
The Lexington Cubs went to Odessa Sunday and got trimmed in a seven inning game to the tune of 5 to 3. The Cubs had the goods to unloosen just as the rain came, otherwise they would have won the game had it gone the full nine innings? Weich, High school shortstop, pitched for the Cubs and allowed three hits and struck out 12. Errors were responsible for the Cubs' defeat.

Miss Stella McLane of Higginsville spent Friday here with friends.

Civic Department.

The Civic Department of the Lexington Womans Club, realizing that the children are the greatest asset to the town, has decided to offer prizes to the children of the Grammar schools for work in their yards or gardens. Thanks to the generosity of the four banks, the Club is able to offer six prizes. A first and second prize will be given to three class of children: the first class includes all children of the first and second grades, second class children of the third, fourth and fifth grades and the third class those of the sixth, seventh and eighth grades. In each case a two and a half dollar gold piece is offered to the child who wins the first place, and a dollar gold piece to the one who wins second place.

A committee will visit homes of the contestants this week and inspection will continue through the summer until the prizes are awarded, which will be at one of the meetings during Chautauqua. The committee of the Civic Department is making arrangements with the Chautauqua management to have all the contestants admitted to that meeting.

The following is the score card for the contest: percentage of improvement in yards, 30 points; least money expended, 25 points; Cleanliness, 25 points; ground covered, 10 points; decoration, 10 points; gardens, variety raised, 30 points, least money expended, 25 points; lack of weeds, 25 points, ground covered, 10 points; arrangements, 10 points. The main object of a Civic Club is always for the uplift and improvement of the community. As many people look on the work as a skance while some are actually antagonistic, the work of the Club is necessarily slow and largely educational depending on gradually converting the adults of the town while training the youth.

Working Through School.

"Self-Help at the University of Missouri at Columbia" is the title of a bulletin issued by the Y. W. C. A. of the school. This booklet tells of the kinds of work that may be obtained by students. It also gives letters from former students who have worked their way through the University.

"Although there is not so much opportunity for a student to work his way through the Summer Session of the University, there are many who do so," says J. S. Moore, the secretary. "We are now receiving letters each day from young men who are coming here next fall and who want to pay their own expenses."

The man with money was never burnt by Get-rich-quick Schemes. He kept his money in the Bank.

Do you know, young man, that most gamblers DIE POOR?

Do you know that any "Get-Rich-Quick" scheme is a "gamble" and money that comes easy, GOES easy? The vine that grows up over night is easily blown down while the sturdy oak which grows slowly but surely withstands the storms.

Plant a little money in the bank now and watch the balance to your credit grow.
