Danger Signal.

If the fire bell should ring would you run to stop it or go and help put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere.

Cough Medicine for Children.

Mrs. Hugh Cook, Scottsville, N. Y., says: "About five years ago when we were living in Garbutt, N. Y., I doctored two of my children suffering from colds with Chamberlain's Cough Remedy and found it just as represented in every way. It promptly checked their coughing and cured their colds quicker than anything I ever used." Obtainable everywhere.

Mr. and Mrs. Andrew Hoberg left Sunday evening for their home in Trinidad, Colorado, after a visit here with Mr. and Mrs. Charles Gripp.

M. Burns, returned Monday to his home in Omaha, Neb., after a visit here with friends.

Good for Constipation.

Chamberlain's Tablets are excellent for constipation. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.

Nervous Women.

When the nervousness is caused by constipation, as is often the case, you will get quick relief by taking Chamberlain's Tablets. These tablets also improve the digestion. Obtainable everywhere.

BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors.

Miss Maud Nave, N. Fifteenth St., Lexington, says: "I was troubled a great deal with my back and kidneys. I had a steady, dull pain in the small of my back and it caused such distress that it was almost impossible for me to endure it. My kidneys were sluggish in action and there were puffy sacs beneath my eyes. The doctors told me my kidneys caused the trouble but they didn't seem to help me. Doan's kidney Pills however, removed the trouble."
