## ATHLETICS ANNEX 4TH OF JULY GAME

### "Art" Smith Formerly of the Kansas City Blues Pitched For Wellington.

"Art" Smith a one-time Kansas City Blue, accompanied by some boys from Wellington, came to Lexington Wednesday as per schedule and returned with the small end of a two to three score dangling from his coat tail.

The game was an out and out pitchers battle to the end with the honors going to Hale, pitching for the Athletics. It was a procession up to the fourth when the home boys scored a run. In this inning a run was scored without a hit. Steven got through an error; he immediately stole second and when Mr. Bardet, catching for Wellington, threw high to second, Stevens went on to third and a little later scored on a passed ball. From then on up to the ninth there was nothin' doin'. Both pitchers were turning them back as fast as they came up.

In the ninth the Wellingtonites began to find the ball. Cook first up was thrown out at first by Mackie. Lineback singled, ditto another Cook. Bardet fanned. Smith was given free transportation. The bases loaded and one out. Wellington at this point pulled a little cuteness which should have ended the game. They sent in a pinch hitter unannounced, who hit alright and scored two runs, but when they took the field again Mr. Pinch-hitter was missing and the old order was restored. This procedure was irregular and a long argument followed. After the debating ceased the score was allowed to stand and Mr. Pinch-hitter was put in the game for the man he batted for.

A defeat looked quite possible, but the Lexingtonians were not dismayed and proceeded thusly: "Red" playing second for the Athletics, rode to first on a pass, and while Stevens fanned, lit out for second. Bardet obligingly threw high to second and "Red" went on to third. He started to steal home and Mr. Bardet all eagerness to smother him, jumped in front of the batter. This was an out and out interference with the rights and prerogatives of the batter, so the umps waved him to first. Here another howl went up and came down to no purpose. Mr. Smith became peeved, and when "Speck" Mavel slapped one of his offerings for a single, "Red" came home with the tying run.

The tenth was unproductive. The eleventh was not so. "Red" was first up and again rode to first without paying. Stevens came next. "Red" started for second and Mr. Bardet (bless his heart) again threw high to second and "Red" (bless his heart, too) rode on to third. Stevens (bless his whole body) then hit a teaser towards first and "Red" came home with the game. Score: Wellington 2; Athletics 3.

## ATHLETICS 5; CHELSEA 4

### Home Boys Make It Seven in a Row by Ninth Inning Rally.

The Athletics Sunday rung up their seventh straight win when they nosed out the Chelsea Athletic Club in the ninth inning by one run. When the home boys went to bat in the ninth they were on the short end of a 4 to 2 score; but, they put in some pretty nifty stick work and won out by the score of 5 to 4.

The game was not the usual cinch, thanks to five errors behind Hale. However, all's well that ends well, and a perfect game is not to be expected every time.

Hale permitted four hits and Wasser, his opponent, eight. Hale struck out six and Wasser nine. "Swig" Howe was the battin' kid, making two singles and a double in four attempts.

Score by innings:

	R	H	E
Chelsea A. C.	000	003	010
Athletics	200	000	003

Batteries: Lexington, Hale and Shinn; Chelsea, Wasser, Glandon and Campbell.

# HOUSEKEEPERS Must be Watchful

For great efforts are being made in this vicinity to sell baking powders of inferior class, made from alum and lime phosphate, both undesirable to those who require high-grade cream of tartar baking powder to make pure and wholesome food.

The official Government tests have shown Dr. Price's Cream Baking Powder to be a pure and healthful grape cream of tartar baking powder, and care should be taken to prevent the substitution of any other brand in its place.

Dr. Price's Cream Baking Powder costs only a fair price per pound, and is much to be preferred by prudent housekeepers to the inferior alum and other low grade brands.
