WENTWORTH IN A ROMP

Buckner Buried Under a Barrage of Touchdowns.

In all the world of sports there is no finer example of sacrifice than that made each year by the Buckner Athletic Club's football team. This team is entertained yearly by the cadets, and each year the cadets make it an occasion of training for field events rather than one for practice in the arts and wiles of football. The game Friday went true to form according to the records of the years which Buckner has been coming to Lexington. There was some opposition in the first half which served as a tonic for the drive in the second. At the end of the first half Buckner had made 6 points to the cadet's 12.

In the second half the Sammies went over the top, around the flanks, through the air, and then dug in, meeting every counter charge with a hurricane fire that swept the enemy back to their last line of defense. The slaughter was terrible, and no less than 51 points were sent back to the concentration camp where they were duly interned for all time.

Final score: Wentworth 51; Buckner 6.

Preceding the ceremony Miss Ruth Field of Higginsville, sang "I love you truly," and was accompanied by Mrs. William J. Bandon.

To the strains of Lohengrin's wedding march, the bride entered on the arm of her father and was met at the altar by Lieut. Boardman, accompanied by Maj. C. L. Ristine. She was attired in a tailored suit of taupe and carried a bouquet of bride's roses.

The ushers were Mr. B. C. Gordon and Mr. C. L. Wilson, Jr.

After the church service a small company was served refreshments at the home of the bride's parents, Lieut. and Mrs. Boardman left on the evening train for Ft. Sill, Okla.

LIBERTY LOAN

The Lexington Banks will receive subscriptions to the SECOND LIBERTY LOAN BONDS, denominations of \$50.00 and upwards bearing four per cent interest, and are exempt from taxes. The subscriptions must be in by OCTOBER 25, 1917. The banks and other agencies throughout the country are doing all they can do to buy these bonds for themselves and also to distribute them amongst the people. But the banks cannot do all that is to be done. This country belongs to the people who live in it, and it is the patriotic duty of every citizen, to defend it. It is not desirable that all shall go to the battle line, but it is imperative that those who remain at home shall contribute liberally to sustain those who are fighting our Battles.

It is the PLAIN DUTY OF EVERYONE—EVERYONE, RICH OR POOR. A Liberty Bond ought to witness to your children where you stood in this crisis, after you are gone. We would be proud to say that every customer on our books is a subscriber to this loan.
