is the Science of the location and correction of the causes which produce ill health. If you are sick, no matter what part of the body is affected, and have tried everything else, try Chiropractic adjustments, and good results will follow. Many persons soon perceive the logic of Spinal Adjustment, and upon giving it a trial, sound its praises unceasingly. Come before it is too late.

Crowd the Front Pews. Advertise Your Belief. Go to Church.

WHEN you GO TO CHURCH Sunday MARCH RIGHT UP TO THE FRONT PEWS. Don't take a seat in the rear of the church. In many churches some worshippers make for the rear pews as if they were ashamed to be seen. Is there anything dishonorable in being seen in church? If you go to a theatre you are proud to be seen in the front rows. CROWD THE FIRST PEWS OF THE CHURCH.

There certainly is nothing unmanly in going to church. It pays you spiritually. It pays you materially. The church environment helps the business environment. The church teaching helps every man to think clearly and to think correctly. The church commandments are only the commandments of health and mind.

Statistics show that communities with the greater number of churches are prosperous. The people, as a whole, are HAPPY AND CONTENT. If you have neglected going to church, don't let another Sunday pass without making a visit to the house of God.

God is forgiving. He is patient. But his patience may be exhausted if a man continually ignores him. You IGNORE AND OFFEND GOD when you stay away from church. You like to see your children GO TO CHURCH and Sunday school. The children will be DOUBLY IMPRESSED with the importance of attending church if they see the father in church.

GO TO CHURCH NEXT SUNDAY.
