Uncle Sam's Tabloid Talkers. History is made in a hurry, but the writing of history is drawn out through the weary years.

When this war is over, the first historians will talk of generals and admirals; of liquid fire and poisonous gases; of machines that shoot 20 miles and of guns that mow men down like ripe wheat before a hurricane; of the doings of armies and navies; of submarines and aeroplanes and tanks.

After a while the real historians will come to see that language had as much to do with victory as lead and steel; that words are as powerful as ordinance; that the men who helped the Government with their heads and tongues share the glory in equal degree with the men who pulled triggers and aimed field pieces.

"The pen is mightier than the sword," but the spoken word is mightier than either.

No Sunday Mail. Beginning Sunday March 17, the Lexington Postoffice will inaugurate the Sunday plan. No mail will be distributed to any of the lock boxes and only special delivery letters will be handled.

The Kind of Men Needed. All classes are joining the Reserve; professional men, engineers, artisans, laborers of all kinds.

The Reserve welcomes every patriotic citizen who wishes to serve, whatever his qualifications. It is a democratic organization in which all classes meet in a common devotion to our country.

Men especially needed are mechanics, artisans, skilled laborers of all kinds, men who can work with tools. There is great need for such men now. Every available man of this sort must be enrolled promptly or our country's war work will be retarded.

Only men who are really ready and able to respond when an opportunity for service comes should enroll. The Reserve does not want to be swamped with records of men who are merely expressing patriotism but who, when it comes down to business are not going to be able to work where they may be needed.

Men of draft age are not wanted if likely to be called soon. Enrollment in the Reserve is no ground for exemption. Acceptance of a Call to Service Purely Voluntary.

Most of the positions offered to Reserve members will be well compensated. Only occasionally does some branch of the Government want unpaid helpers.

No obligation exists to respond to a call when it comes; the Reserve merely presents the opportunity, trusting to the judgment and patriotism of its members to lead them to accept, if they should accept in view of all the circumstances and of their country's need.

Department of Labor, U. S. Public Service Reserve, Washington, D. C. Note: Applications for membership may be had from the following:

Traders Bank, Commercial Bank, Savings Bank, Morrison-Wentworth B. Intelligencer Office, W. B. DOUGLASS, Enrollment Agent for Lafayette County.

Forgot What He Needed. From the Republican, Mt. Gilad, Ohio: The editor had an interesting experience some time ago, when a young gentleman came to this office and asked for a copy of the Morrow County Republican.

He scrutinized it carefully when a copy was handed him, and then said: "Now I know!" "What is it you are looking for," we inquired. "My wife sent me after a bottle of Chamberlain's Cough Remedy, and I forgot the name. I went to several stores and the clerks named over everything in the line on the shelf except 'Chamberlain's.' I'll try again, and I'll never go home without Chamberlain's Cough Remedy."

The Republican would suggest to the proprietors of stores, that they post their clerks, and never let them substitute. Customers lose faith in stores where substituting is permitted, to say nothing of the injustice to makers of good goods and the disappointment of customers. (Adv.)

Try This For Sour Stomach. Eat slowly, masticate your food thoroughly. Eat but little meat and none at all for supper. If you are still troubled with sour stomach take one of Chamberlain's Tablets before going to bed. (Adv.)
