FREE TREATMENT FOR ANY SOLDIER FROM OVERSEES

A. S. O. Hospital Makes Plans For Reconstruction Department.

Two months ago it was announced that the A. S. O. Hospital would give free treatment and hospital care to all returning osteopaths from the Army or Navy for the next two years.

It has been decided by the management to extend the offer to this extent: Any returned foreign service soldier or sailor anywhere in the country, during the next year, can get free surgical, orthopedic or osteopathic treatment, but in case they will have to be in the hospital will have to pay their board and room.

Even this expenses will be free to all members of Company C, who went out from Adair or adjoining counties, and of course, to all students and all graduates of the school.

This offer holds good for the years 1919 and 1920.

This is to be an important department of the school and hospital, and men specially trained for this work will be employed in addition to the regular force. Already Dr. L. E. Browne, a four-year graduate, and an ex-Interne, who spent a year at the Base Hospital at Ft. Oglethorpe, Ga., has been secured particularly for laboratory diagnosis, X-Ray and general treatment.

Dr. T. A. Rieger, a four-years graduate and an ex-Interne, will also be connected with the department.

Two other men, who are still

in the service, will probably be connected with the institution within the next three months. One of them is an instructor in the army laboratory school in Washington, D. C.

Dr. H. A. Gorrell, who has been in the Base Hospital at Ft. Des Moines, Ia., and has had special training in the care of wounds, has been released to take up his duties at the A. S. O. Hospital next week. He will have charge of all pus cases.—Kirkville Daily Express.

Mrs. Thompson Penn left Tuesday for Monroe City, Mo., after an extended visit with her daughter, Mrs. A. W. Allen.

Miss Blanche Luellen returned Sunday morning to her home in Kansas City, after a visit here with her mother, Mrs. Mollie Luellen.

BIG SHOE BILLS NOT NECESSARY

"It looks as if I would not be able to wear out my shoes with Neolin Soles. They have been in service about a year, and are still good," writes W. C. Dickinson of New Haven, Conn. It is natural that shoes with Neolin Soles should wear a long time, for Neolin Soles give extra wear where most shoes wear out quickest.

These long-lasting soles are made by Science to be especially tough and durable—comfortable and waterproof, too. If you want to save money on shoes buy them with Neolin Soles. Good shoe stores carry them in many styles for men, women, and children. And you can have your old shoes re-bottomed with Neolin Soles at any repair shop.

Neolin Soles are made by The Good-year Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.
