LEXINGTON, LAFAYETTE COUNTY, MISSOURI, FRIDAY, OCTOBER 14, 1921.

NUMBER 41.

A FATAL ACCIDENT

Luther Crowe Killed While Riding the Rear of an Auto.

Friday night about 11 o'clock when returning from a charivari party at Harvey Hulver's, Luther Crowe, 17 years of age, was killed almost instantly, and Jewell Baldwin, 18 years old, was badly crushed and bruised.

The boys were riding on the rear of a car driven by Miss Alie Bougher, and unknown to her, and very possibly had the tail light obscured. At any rate, Edgar Goodloe, driving a Ford runabout, crashed into them with fatal results. The accident happened near the South mine.

Mr. Crowe is the son of Mr. and Mrs. John Crowe, living at the Summit mine.

The inquest over the deceased was held Monday, and the jury found that the young man came to his death from internal injuries received in an automobile accident caused by collision, and recommended that the driver of the car, Edgar Goodloe, be held for criminal carelessness and driving while in an intoxicated condition.

The jury was composed of E. B. Vaughan, chairman; Ira E. Keller, J. G. Shull, Tilton Davis, J. P. Tribble, Jas. F. Winn.

Circuit Court Convenes.

The circuit court convened Monday morning for the October term. The work of the criminal court will be taken up after the civil docket has been disposed of. The grand jury organized Monday.

The criminal circuit of Saline and Lafayette counties having been abolished, Judge Samuel Davis will preside over both courts.

Rutledge-Shull.

Mr. John Rutledge of Kansas City, and Miss Louise Shull, daughter of Mrs. Jimmie Shull, of this city, were married Saturday afternoon at 5 o'clock, at the home of the bride's mother, 1909 Franklin Avenue, Rev. Robt. L. Cowan officiating.

Mr. and Mrs. Rutledge left on the evening train for Kansas City, where they will make their home.

Not So Tacky After All.

The "Tacky Party" given Friday night at the High school by the Domestic Science Department was far from "tacky" in results. Besides giving the youngsters a merry time, \$75.00 was garnered, to be used in buying linoleum to cover the kitchen floor. Miss Willson is to be congratulated on her enterprise.

Mrs. Mary Eliza Catron.

Mrs. Mary Eliza Catron, widow of the late George M. Catron, died at the Catron, home northeast of Lexington, Wednesday, October 5, 1921, aged 80 years, 10 months and 20 days. Her death was the result of advanced age; she had been failing rapidly for several months past and the end was not unexpected by her family and immediate friends.

Mrs. Catron was the daughter of Nelson and Margaret Carter. She was educated at Christian College, Columbia, Mo. In fact, she was a member of the first group of seven girls who were the first pupils enrolled in that institution. Graduating in the class of 1855, she taught for a while in the old Dover Academy, in this county. She was united in marriage to George M. Catron at Columbia, Missouri, in 1862, and in 1869 came to this county and resided in this immediate community, with the exception of about one year, until the time of her death. Her husband died March 29, 1910. The immediate relatives who survive her are: W. V. A. Catron, a son; Miss Ella Carter, a sister, and W. H. Carter of Lexington, and E. A. Carter, of Los Angeles, California, brothers.

Mrs. Carter had been a member of the Christian church for about seventy years and until her health failed was a devoted attendant and church worker. She was a rare Christian character indeed. The embodiment of all those superior graces that make the ideal wife, mother, friend and neighbor. Her life will be a blessed heritage to those near and dear to her, and a gracious benediction to the people of the community where she wrought so wonderfully in her modest, gentle way.

Funeral services were held at the Christian church October 7, by Rev. C. A. Burkhart of Plattsburg, and Rev. B. H. Bruner of Lexington. Burial occurred in Machpelah cemetery beside her husband.

Death of Miss Marjorie Goodwin

Miss Marjorie Goodwin died Friday morning at 1:45 o'clock at her home in Marshall, after an illness of several weeks of typhoid fever.

Miss Goodwin was about nineteen year of age, and was the only daughter of Cliff B. Goodwin, a prominent citizen of Marshall and well known in Lexington. Miss Goodwin's mother, who before her marriage was Miss Eugenia Davis, daughter of the late Mr. and Mrs. Tilton Davis, died about twelve years ago.

K. C. U. TOO HEAVY

Youth And Inexperience Unable to Cope With Age And Experience.

Kansas City University sent to Lexington Friday a pretty nifty bunch of football players. In fact, they were all men, and good men at that. Every man on the team seemed to have had lots of experience, too, which made them a tough proposition for their lighter and more youthful opponents, the Wentworth cadets.

The collegians essayed to make the trip in cars and spent a great part of the day getting here. The game was not called until 4:50, and only 10-minute quarters were played.

The first quarter was anybody's game; neither side scored and both teams showed up equally well. The cadets were slowed up some by poor passing, otherwise they looked mighty good.

In the second quarter the visitors scored a touchdown and kicked goal. This was made possible through long end runs, and showed up some attempts at tackling that were not up to Wentworth standard. The cadets were also circling the ends, and Bradfield and Taubman did some pretty sprinting for long gains. It is thought that they would have scored in this quarter but for an error in judgment when having only a few feet to gain on the fourth down. Score 7 to 0.

The third and fourth quarters were repetitions of the second, in that the visitors scored a touchdown in each quarter and kicked goal. The game ended in semi-darkness with the score 21 to 0 in favor of the visitors.

The cadet team is light and inexperienced, but fast, and unless hampered by injuries, Coach Wikoff will have a pretty classy team before many more weeks have passed. Their defeat Friday will do them no harm. The boys had a taste of the real thing which will go a long way in putting them in the right frame of mind for future games.

The next game will be with Missouri Valley College at Lexington, Friday, October 14th.

LEXINGTON HIGH DEFEATS ODESSA

A Hotly Contested Game Results in a 13 to 3 Victory.

Lexington High School broke into the win column Wednesday afternoon when they trimmed the highly-touted Odessa eleven 13 to 3. Coach Moles's men ran up thirteen points in the first half, and were content to settle to a steady defensive game in the second half. The visitors got close enough to boot over a drop kick, but otherwise they never waxed dangerous.

Lexington got busy in the very first quarter. After a little seesawing Fritz Amos began to smash the Odessa line. With the ball in mid-field a long pass shot to Wiley, who placed the pigskin on the visitor's eight yard line. His catch of the pass was wonderful, as two men were right on him. From that vantage point Fritz Amos smashed his way over the goal in his third attempt. He failed to kick goal.

L. H. S. kicked off, but Odessa was immediately held. Here ended the first quarter.

In the second period Lexington once more took the offensive. Amos ripped off ten yards. A march towards the goal was started, but was halted temporarily when Odessa recovered a fumble. But a moment later Amos intercepted a pass and carried the ball near the goal line. The visitor's held and punted. At this stage of the game, George Holleron got loose down the side lines on a beautifully executed cross-buck and ran thirty yards for the second touchdown. Amos kicked goal. The remaining minutes of the first half were featured by Hearle's nice return of a punt and the interception of a pass by Maib.

The third quarter saw Odessa at her strongest. The ball was continually in Lexington's territory but the line always held tight in the shadow of the goal posts. Ellis was doing great work.

Odessa received the kick and returned nicely. Ferguson gained eight yards and Campbell got loose for twenty-five yards on a fake criss-cross play. Lexington's goal was threatened, but Odessa could gain no more. A drop kick failed. The High School punted weakly and back came Odessa towards the goal. This time Gibbs was successful and booted the ball over the bar for their only three points of the game.

In the fourth quarter the ball seesawed without much advantage. Near the close, however, L. H. S. began another drive, which only the final whistle stopped. Wiley caught another pass for a thirty-yard gain. Hearle reeled off ten and then Amos smashed through for ten more. Here Odessa held and a few seconds later the game was over.

Lexington was especially strong on defense. The visitors could never dent the line. The home boys also showed much alertness in breaking up forward passes. Odessa completed not one and had two intercepted. Their offense was also tricky and shifty. Amos starred in the backfield. He smashed the opposing line heavily. Hearle used fair judgment at quarter and was a hard little man to stop. Wiley did well at end in catching forward passes, in fact, as Coach Moles said,

they all played good ball. Ellis in the line was the shining light. He smeared everything before him.

George Wilcox and Gibbs were the best players for Odessa.

L. H. S. 0; Richmond H. S. 47.

The Lexington High School football team without the services of Fritz Amos, their captain, was defeated Friday afternoon at Richmond by the High School team of that place plus one Bland, by the score of 47 to 0. Any team that goes up against another team with said Bland playing on it, has some job on its hands. Bland played last year with the Chillicothe Business College, and is one of the best backs seen in Lexington since the days of "Irish" Cook. No disgrace boys, in that defeat.

Mr. and Mrs. Fred A. Wilmot of Richards, Mo., are guests of Mr. Wilmot's parents, Mr. and Mrs. John R. Wilmot, in this city.
