- DEMOCRAT**
 For Representative in Congress—**SAM C. MAJOR**
 For Judge of the Circuit Court—**ROBERT M. REYNOLDS**
 For Presiding Judge of the County Court—**JOHN F. LARKIN**
 For Circuit Clerk—**FELIX G. YOUNG**
 For County Collector—**M. T. HARTMAN**
 For County Collector—**WALTER B. WADDELL**
 For Probate Judge—**THOMAS A. WALKER**
 For Clerk of the County Court—**HUBERT BATES**
FRANK CARTER
 For Recorder of Deeds—**J. C. SHELTON**
- REPUBLICAN**
 For County Collector—**ELMER C. DEUBBERT**
 For Recorder of Deeds—**L. H. DIERKING**

One of our Republican friends who supported A. Mistake Hyde remarked recently: "The only thing that makes life bearable these days is the thought that some of my Democratic friends supported Elliott W. Major a few years back."

A candidate usually has something good to say about the party and its leaders he is asking favors of; but not so with Reed. He may think that he is bigger than the party, but 50,000 majority for Long may soak thru his encrusted ego and convince him otherwise.

Chronic Constipation.

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets affords a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation. A Danger Signal.

"It can hardly be doubted that in the United States at least the violation of law has never been so general nor so widely condoned as at present. This is a fact which strikes at the very heart of our system of government, and the young man entering upon his active career must decide whether he, too, will condone such disregard of law or whether he will set his face firmly against this course. The effect upon his own character of the decision which he makes as well as upon the community in which he lives, is of the most critical importance. And there is, the inner sanctuary of the educated man's religion, his philosophy of life. Traditional religion is under heavy fire. Many individuals disregard it altogether; others regard it as a remnant of the superstitions of primitive man. These are difficulties of no mean order. Yet certain it is that no man who sees life whole can disregard religious experience as one of the majestic and enduring forces in human life."
 —President Angeli, of Yale.

For The Children.

Too much care cannot be exercised in selecting a cough medicine for children. It should be pleasant to take, contain no harmful drug and most effectual in curing their coughs and colds. Long experience has shown the Chamberlain's Cough Remedy meets these conditions. It is a favorite with many mothers. Adv.

Miss Frances Gordon, Miss Margaret Bandon, Miss Alberta Smith, and Miss Meredith Winn went to Sedalia yesterday to attend a week-end house party.

Periodic Bilious Attacks.

Persons subject to periodic bilious attacks will observe that their appetite fails them just before an attack. That is, they do not really crave food but eat because it is meal time. If they will eat only a light meal and no meat, then take two of Chamberlain's Tablets the attack may be avoided. Adv.

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Lexington testimony.

Mrs. George Williams, 1801 Bloom St., says: "My back ached and pained dreadfully some five years ago. I used Doan's Kidney Pills and they certainly gave me fine relief. I was troubled with awful lameness and soreness in the small of my back at times. When I stooped over it was almost impossible to straighten because of the severe pains. Often little specks would come before my eyes, blurring my sight. My kidneys acted irregularly, causing me a lot of trouble. I became very nervous and weak and suffered most of the time. As another member of the family had used Doan's Kidney Pills with good success I got a few boxes and they entirely cured me of the trouble."

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI
 The Woman's Tonic

... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

A Call to the Young.

"We are all aware of the fact that there is something wrong with the world. The most casual observation reveals this, and the problem of evil, always present, always mysterious, presents itself today in its most acute and appalling forms. The burden of a troubled world rests upon us. We naturally put the question which every age in the history of mankind has asked? 'Why does evil exist, why should such things be?' But while we must fail, as all who have gone before us have failed, to discover a satisfactory solution to this problem, there is another question we can answer which is far more pressing, namely: 'What are we going to do about it?' We cannot explain the evil in the world, but we can resolve to fight it."
 —President Hibben of Princeton Liberal Premiums to be Awarded at Fair.

Dollars and Cents.

Counting it only in dollars and cents, how much did that last cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and proper care of yourself, in fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months.
