ASKING QUESTIONS. It Is a Woman's Prerogative, and She Uses It.

Timely Questions and Prompt Answers Have Resulted in Great Satisfaction to Many Women.

Sensitive women hate to ask their physicians those delicate questions that only a woman understands, and therefore write to Mrs. P. Pinkham, at Lynn, Mass., as she has ever proved their most accurate adviser, and knowing that their letters will be read and answered by one of their own sex.

Thousands of such letters have been received within a few months from those afflicted with the various forms of female diseases, and it is needless to say the answers have brought comfort and relief.

That sense of dragging in the groin, dull pains in small of back, retention, suppression of menses, bearing-down pains, headache, nervousness, blues, etc., are symptoms that require prompt measures.

The cure is, in most cases, rapid. Lydia E. Pinkham's Vegetable Compound should be promptly taken, and Mrs. Pinkham will furnish any advice required, free. Following is another letter of thanks:

"Please accept my thanks for the little book which you have sent me. It has opened my eyes, and told me that there is a remedy for suffering women. There is no need for me to suffer, if they will only take Lydia E. Pinkham's Vegetable Compound. I suffered for years with painful menstruation, thinking there was no remedy for it; but after reading your little pamphlet, I thought I would give your medicine a trial, and it is wonderful how quickly it relieved me. I recommend it for all women who suffer with painful menstruation."

FLUARD IN THE UPPER HOUSE. SPIRITED DEBATE OVER FIRE DEPARTMENT SALARY ORDINANCE.

Was Finally Passed—Fire Patrol Salaries Raised—Ordinance Regarding Sprinkling of Streets—Other Business.

The city council held a short session last night, during which only ordinances of secondary importance were passed. The principal matter before the upper house was an ordinance regulating the pay of the fire department and fire patrol.

The fire department salary ordinance came up in the upper house again last night, with the result that the ordinance of a week ago was repealed and another passed, with the intervention of the fire committee to take its place.

The ordinance raised the salaries of the fire patrol, the fire assistant chief and the secretary. It was introduced by Alderman Brown, and his motion to pass it under suspension of the rules incited a spirited debate.
