CHURCH NOTES

Baptist

J. M. Sullivan, Pastor.

We like to say something about last Sunday in our notes, but this time we have but little to say except we were in all day waiting on the sick.

Bro. Leon Funderburk preached for us Sunday night at Pageland to the pleasure of the many who heard him.

If we are a little monotonous in thanking the people for their continued thoughtfulness and kindness to us, surely you will pardon as you remember Solo mon the wisest man said, "Out of the abundance of the heart the mouth speaketh." We can not be the recipients of so many favors and not be grateful. We are like one of old in the very gate of heaven and didn't know. The best town in the county and didn't realize it before.

We are not complaining. We are mighty glad to hear that the Mission Study Class has made a beginning. May the good go on, as it is so needful.

Please do not forget that Dr. Langston is coming, will be with us Friday night 8:30, Saturday 11 a. m., and 8:30 p. m. We want to insist that every member of the church be present in all these services. Dr. Langston will after each sermon tell us something about the new church proposition. He will be both interesting and helpful in sermon and talk. When we said church members we did not mean to keep any one else away. Everyone is cordially invited to attend these services.

Next Sunday White Plains 11 a. m. Center Grove school house 3:30 p. m. White Plains Saturday 3:00 p. m.

Church Usher—"I had a singular experience at the service this morning."

Friend—"What was it?"

"Billy" Sunday

Better limp all the way to heaven than not get there at all. You don't have to be a hedge-hog to be pious. Going to church doesn't make anybody a Christian, any more than taking a wheelbarrow to a garage makes it an auto. The devil hates the church, but he likes the work some high-brows do in it.

If there is a heaven for fools, the man who thinks he can get to glory on his wife's religion will be there on a front seat.

The man who don't believe in a hell is about sure to be scorching to it with both pedals loose.

A man can slip into hell with his hand on the door-knob of heaven.

Weeds That Cause Insanity.

One of the things to be avoided by American soldiers in Mexico is the seductive marihuana weed, which grows around Vera Cruz and in the territory lying between that city and the capital. For several years there has been in effect an order of the Mexican Government prohibiting the sale of marihuana to Mexico soldiers. Notwithstanding this order, the dangerous weed is often smuggled into camps and barracks and is secretly smoked by the men. When much indulged in the smoking of the dry leaves of the plant causes insanity. People who become addicted to smoking marihuana finally lose their minds and never recover. The plant is used sometimes in Mexico by allopathic physicians in the treatment of rheumatism. The tincture of the marihuana diluted with alcohol is the form in which the properties of the weed are employed.

There are many other plants in Mexico which are dangerous among them being the tolvacha a kind of loco weed. The seed of this plant boiled and drunk in tea will make a person insane for life, it is asserted. Among some people of Mexico it is believed that Carlotta, Empress of Mexico, lost her mind because she was given lovache in a refreshment. Empress Carlotta was the wife of Emperor Maximilian, who was shot in Queretaro. She lost her mind immediately after her return to Europe from Mexico.
