VARN'S REMEDY CURES

Cures Backache, Lumbago, Bladder and Kidney Trouble, and Rheumatism.

Branchville, S. C., Aug. 17, 1909.
 Charleston Drug Manufacturing Co.,
 Charleston, S. C.

Dear Sirs:
 For a number of years I have been a great sufferer of Rheumatism and Backache. About two months ago I heard of Varn's Rheumatic Remedy being fine, and a sure cure for Rheumatism and Backache, and I went to the Wimberly Drug Co. at once and got a bottle. I have taken two bottles, and I am proud to say that I am just as clear of Rheumatism and Backache as I ever was. I am 62 years old, and I consider this medicine wonderful to cure a man at my age. You, nor any one else, can recommend it too highly.

I consider it a great blessing to humanity that this remedy has been discovered. I gained six pounds while I was taking two bottles.

Yours respectfully,
 A. H. Bruce.

Joseph Jefferson, now starring in "The Henrietta," recently visited the office of a friend who is very enthusiastic about the convenience afforded by a telephone. He invited Mr. Jefferson to dine with him that evening, taking occasion to notify his wife by means of the telephone. The friend called up his spouse and informed her that Mr. Jefferson would take dinner with them, and then in a stage whisper advised the comedian to listen and hear the wife's reply. The telephone happened to be one of those eccentric affairs which made it possible for Mr. Jefferson to hear her reply which came back with startling distinctness. "Ask your friend Jefferson if he thinks we run a hotel?"

It was in this very cottage in Brookside, 15 miles from Birmingham, Ala., that three Italians nearly died of Fever. They had been sick 3 months. Johnson's Tonic cured them quickly—read letter below:

Brookside, Ala., May 4, 1903.
 The two physicians here had 3 very obstinate cases of continued Malarial Fever. All were Italians and lived on a creek 50 yards from my store. These cases were of three months standing, their temperature ranging from 100 to 104. The doctors had tried everything in vain. I persuaded them to let me try Johnson's Tonic. I removed all the printed matter and let the medicine go out in a plain bottle as a regular prescription. The effect in all three cases was immediate and permanent. They recovered rapidly and there was no recurrence of the Fever.
