

THE WINNING OF THE SOUTH

DURING THE PAST THREE MONTHS CONSERVATIVE BUSINESS MEN IN THE SOUTH HAVE APPLIED TO THE JEFFERSON STANDARD LIFE INSURANCE COMPANY FOR OVER ONE MILLION DOLLARS OF LIFE INSURANCE.

This Is a Record, Not a Prospectus, and There Are Reasons

In the first place the premiums collected remain in the SOUTH, and the company is using its funds for the advancement of Southern progress, which means increased value to your property.
 In the second place, the JEFFERSON STANDARD furnishes as safe insurance as any company on earth can furnish, and it has as great paying power today as any company in the world, on account of its ratio of assets to liability.
 In the third place, the policies issued are safe and sane, and the fulfillment of the contract is guaranteed by the rigid insurance laws under which the JEFFERSON STANDARD operates.
 In the fourth place the policies issued are as liberal, and the premiums charged are as low as perfect safety will permit.

These are logical, cold blooded business reasons why Southern men should buy insurance from the JEFFERSON STANDARD, and no honest insurance agent, no matter for what company he is working will deny them.

It will not cost you anything to investigate the MERITS of the JEFFERSON STANDARD. It may prove to your interest to do so.

Write, or better still, see our representative, who will take pleasure in showing you samples of our policies, and explaining their attractive features.

"A Knight For A Day" Booked For This City.

Once again, at 10:45 nightly now, ladies while jabbing hat-pins into their hats, and their escorts, while picking up gloves and wraps, are unconsciously whistling the insidious melodies of "Whistle As You Walk Out" and "Little Girl in Blue," because "Knight For A Day" has once again issued triumphantly from the B. C. Whitney offices and is swinging around the circle of its conquests.

It is a brand new "Knight For A Day," too, which sallies out this year to beguile the theatre-going public which still applauds. There are new costumes, new scenery, new songs, new dances, new "stunts" and new charms throughout. Of course the indestructible favorites are still retained in response to the public's decree, such as "I'd Like Another Situation." And the "elopement" scene with its uproarious admixture of farce and tragedy, with the accumulative events transpiring high

upon the ladder, is still the storm-center of the headlong fun.

This year the cast which produces "Knight For A Day" is the most representative and capable that the production has ever known. There are, for instance, such well known entertainers as Frank Deshon, Ellen Tate, William Stowell, Lea Remondede, Jack Saunders, Connie Mack, Grace Witheral, S. E. Lewis, Phil Mein, Ed Leighton and some forty others.

All conditions this season (most conspicuously spontaneous and continued popular endorsement), combine to make this the most successful year of "Knight For A Day's" career.

No Case on Record.

There is no case on record of a cough or cold resulting in pneumonia after Foley's Honey and Tar has been taken, as it will stop your cough and break up your cold quickly. Refuse any but the genuine Foley's Honey and Tar in a yellow package. Contains no opiates and is safe and sure. Lowman Drug Co., A. C. Dukes.

APPRECIATES NEWSPAPERS.

Spartanburg City Council Took the License Off.

The Spartanburg Herald says in revising the license ordinance Monday night the new city council of that progressive city took the license off of newspapers. "It was agreed among us," said Mayor Lee, "that newspapers are the greatest help the city had, and that rather than be licensed they should be given all the encouragement possible."

There was a license of \$25 on daily papers and a license of \$10 on weekly papers. "A newspaper is not the richest institution in the world by a long shot, and the taking off of the license may be a great help toward a happy Christmas," was the way a gentleman expressed it Monday night, says the Herald.

The newspapers were free of license until the last city council got hold of the license ordinance and stuck it to them. The present council seems to be more appreciative of the work the newspapers do in the way of advertising the city, and in

boosting every good undertaking that makes for the up-building of community life.

Swept Over Niagara.

This terrible calamity often happens because a careless boatman ignores the river's warnings. Nature's warnings are kind. That dull pain or ache in the back warns you the kidneys need attention if you would escape fatal maladies—Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see Backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one \$1.00 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c at the J. G. Wannamaker Mfg. Company.

The man with a cheerful disposition and a sunny face is never lonesome.

Foley's Honey and Tar cures coughs quickly, strengthens the lungs and expels colds. Get the genuine in a yellow package. Lowman Drug Co., A. C. Dukes.

"I'd Rather Die, Doctor, than have my feet cut off," said M. L. Bingham, of Princeville, Ill., "but you'll die from gangrene (which had eaten away eight toes) if you don't," said all doctors. Instead, he used Bucklen's Arnica Salve till wholly cured. Its cures of Eczema, Fever Sores, Boils, Burns and Piles astound the world. 25c at the J. G. Wannamaker Mfg. Company.

A Card.

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold, prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. Lowman Drug Co., A. C. Dukes.

It's a wonder some of the taxpayers do not complain because the sewers are such a drain on the city.

A Religious Author's Statement.

Rev. Joseph H. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." Lowman Drug Co., A. C. Dukes.

Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. Cures backache and irregularities that if neglected might result in Bright's disease or diabetes. Lowman Drug Co., A. C. Dukes.

Words to Freeze the Soul.

"Your son has Consumption. His case is hopeless." These appalling words were spoken to Geo. E. Blevens, a leading merchant of Springfield, N. C., by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Blevens, "he was as well as ever. I would not take all the money in the world for what it did for my boy." Infallible for Coughs and Colds. Its the safest, surest cure of desperate Lung diseases on earth. 50c and \$1.00 at the J. G. Wannamaker Mfg. Company. Guarantee satisfaction. Trial bottle free.

It takes more than one thief to organize a steal trust.

If you desire a clear complexion take Foley's Orino Laxative for constipation and liver trouble as it will stimulate these organs and thoroughly cleanse your system, which is what everyone needs in order to feel well.
