OUR GUNNERS.

How They Are Selected and Trained in the Navy.

It is only half the work to arm and equip ships with the most improved guns and sights; they must also have a highly trained personnel capable of manipulating guns, turrets and torpedoes...

How does a man become an expert gunner? Diligent drill and constant training are not enough without a certain amount of natural aptitude.

Selecting gun pointers is one of the most important duties in the navy. Having selected the men for gun pointers, the next step is to train them.

The method of training men by the new system—by the use of a "dotter"—was devised by Captain Percy Scott, of the British navy.

So proficient have the bluejackets become in handling the turret gun, that in actual target practice on board the Alabama a 13-inch gun is loaded and fired in thirty-eight seconds.

It Certainly Was Odd.

Rochester Herald. The duke of Roxburgh has in his castle at Kelso a number of fine family portraits.

Some of the rooms at Kelso are thrown open to the public on certain days. The duke sometimes tells of a remark that he once heard a stranger make while looking through these rooms.

The stranger had haled beneath two paintings that hung side by side. They were portraits of the third duke and his son, but the father had been painted in his childhood, the son in old age.

A man has to use a magnifying glass to see his own faults.

A Story of Daniel Webster.

Mrs. Letitia Tyler Semple, who was mistress of the White House during President Tyler's administration, has just celebrated in Washington her eighty-third birthday.

"The statesman I liked best in my youth was Daniel Webster," Mrs. Semple said the other day. "He was a handsome man and he talked well. I remember a banquet one night when the subject of death and dying came up, and Mr. Webster told us a story that was half funny and half pathetic.

"He said that an old woman lay very ill and after a time she went off into a trance. She lay so still in this trance that they thought the end had come, and when she opened her eyes again at last her husband said to her in a surprised tone:

"Why Mandy, we thought ye wuz dead."

"The poor woman looked at her husband a moment and then she burst into tears.

"An' ye never bawled a bit," she sobbed. "Ye thought I wuz dead and yer eyes wuz dry. Couldn't ye have bawled a little bit, Jabez?"

"The old man was deeply moved, and he did actually bawl then. But his wife said sadly:

"It's too late now. Dry yer eyes. If I'd really been dead and ye'd bawled 'twould have done me some good. But it's too late now."

Mamma—It is something you get from your papa or me.

Small Harry—Oh, you mean a spankin'.

Creatures of Contradiction.

Philadelphia Press. She will sit in a draught in a low-necked gown with her arms and shoulders bare.

But she will go out on the hottest afternoon with her head and neck tied up in a thick chiffon veil.

She will forget to pay a bill of \$5 for months.

But she will make herself conspicuous on a street car squabbling to pay for her friend a five-cent piece which she doesn't owe.

She will wear a skirt about six inches longer than it ought to be for walking.

But she will hold it up about six inches higher than any walking skirt that ever was made.

She is up in arms when she sees a horse whipped.

But she will drag a poor little dog on a shopping bout that would enfeeble a good sized man.

She has a will that no power on earth can bend.

Yet she would rather the world should come to an end than that she should be caught doing differently from her neighbors.

FATHER AND SON CURED

Col. C. E. Updegraff, of Reading, Pa., Was Cured of Chronic Stomach Trouble, and His Son of Bronchitis, by

DUFFY'S PURE MALT WHISKEY

The Colonel and His Son Are Well Known and Respected Business Men of Pennsylvania—Men Whose Word Carries Weight Wherever They Are Known.

COL. C. E. UPDEGRAFF.

C. E. UPDEGRAFF, JR.

Both Heartily Recommend Duffy's Pure Malt Whiskey, Which Brought Them Health After Years of Suffering.

The Colonel's Letter.

"It gives me great pleasure to state that I have just recovered from a severe attack of chronic Gastritis. Nothing could be retained on my stomach during my illness. Not even milk. I was reduced from 185 lbs. to 145 in 7 weeks. Nothing did me any good. My son insisted that I should try Duffy's Pure Malt Whiskey, which had cured him. It stayed on my stomach, and I was able to take a little milk with it. It acted like magic, and in a few weeks I was able to take solid food without distress. I soon regained my weight, my stomach is sound, my general health was never better. And I owe my cure to Duffy's Pure Malt Whiskey."

C. E. UPDEGRAFF, 39 S. 4th St.

From the Son.

Mr. C. E. Updegraff, Jr., is of the firm of Updegraff & Brownell, proprietors and managers of the New Bijou Theatre at Reading, and of numerous other enterprises. He says of Duffy's Pure Malt Whiskey:

"For years I suffered from a bronchial affection. Nothing the doctors gave me seemed to do any good, and it kept getting worse. Finally one of the doctors advised me to try Duffy's Pure Malt Whiskey, which he had used for years in his practice. My throat commenced to heal at once, my cough grew better, and to-day I am completely cured, a picture of robust, rugged health. I cheerfully recommend Duffy's to all my friends."

THEIR ONLY MEDICINE

No medicine in the world can show a larger list of actual cures than Duffy's Pure Malt Whiskey—over 4,000,000 complete cures in 50 years. Lots of so-called "cures" make you feel better for a while but the effect soon passes off. Duffy's actually and positively cures you. 7,000 doctors prescribe it and 2,000 hospitals use it exclusively.

Duffy's alone will cure you and keep you well.

It is scientifically distilled from carefully selected malt, and is guaranteed absolutely free from fusel oil, so generally found in other whiskies.

It begins by killing the disease germs and driving them out of the system. Then allays all inflammation, replaces the diseased tissues, enriches and purifies the blood, and strengthens the circulation. It tones up the heart's action, quiets the nerves, and

brings to the cheek the glow of perfect health.

Duffy's cures bronchitis, consumption, catarrh, grip, pneumonia, and all throat and lung troubles; gastritis, indigestion, belching, dyspepsia, and all stomach diseases; rheumatism, neuralgia, low fevers. And it does it all in a quiet, easy, natural manner, without leaving any disease combinations behind it. It is the only whiskey recognized by the Government as a medicine, which is of itself a strong guarantee.

CAUTION.—When you ask for Duffy's Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this preparation, will try to sell you cheap imitations and malt whiskey substitutes, which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. Demand "Duffy's" and be sure you get it. It is the only absolutely pure Malt Whiskey which contains medicinal, health-giving qualities. Duffy's Pure Malt Whiskey is sold in sealed bottles only; never in flask or bulk. Look for the trade-mark, the "Old Chemist" on the label, and be certain the seal over the cork is unbroken. Beware of refilled bottles.

Sold by all druggists and grocers or direct, \$1.00 a bottle. Medical booklet free. Duffy Malt Whiskey Co., Rochester, New York.
