Richard Gallman Pardoned.

Governor Heyward on Wednesday granted a pardon to Richard Gallman, of Newberry county, who was convicted of killing Lee Aiken in 1900, and sentenced to life imprisonment in the penitentiary. The following in reference to this pardon is from the Columbia correspondent of the News and Courier:

At first Solicitor Sease did not approve this petition and declined to recommend it, but in October, 1903, he joined in the petition for the pardon. Judge Benet tried the case and he returned the papers without recommendation.

In 1902 the twelve jurors who tried the case joined in the petition for the pardon, and since that time Mr. R. T. C. Hunter, the foreman of the jury, has been active in his efforts to have Gallman pardoned.

Mr. W. L. Waters was the last of the jurors to sign the petition, and he stated that he was now satisfied that the jury would not have convicted Gallman had all of the evidence been brought out. Affidavits were submitted by George Ruff, Fred Moore, J. P. Hawkins and Laura Jones in support of the plea of self-defense, which was advanced at the time of the trial.

The Commission Held Meeting Yesterday—Decided to Advertise for Lots for Location.

The commission on the new court house held a meeting yesterday and decided to advertise for proposals of lots for the location of the new court house said proposals to be in the hands of the commission by the 31st. The committee to secure the funds reported that arrangements had been made to secure the money from the sinking fund.

Another meeting of the commission will be held on the 4th of April.

THE SCHEDULE MATTER

To Come Before Railroad Commission Today—Committee From Newberry to Appear.

The Herald and News mentioned several days ago the fact that a hearing was to be had before the railroad commission this week in the matter of schedules on the C. and G. division of the Southern but no date was mentioned. After inquiry The Herald & News received a telegram saying it would be held today at 11 o'clock.

This was presented to Mayor Brown with the request that he appoint a committee to look after the interest of Newberry in this hearing. He has named the following, the mayor to be one, of course, and these gentlemen will go to Columbia this morning.

Two of the commission were on the train Wednesday and they assured a Herald and News man that they would not open the meeting until the arrival of the Newberry representatives. The following gentlemen will go down:

M. A. Carlisle, E. H. Aull, Z. F. Wright, J. D. Davenport, Edw. R. Hipp, Nat Gist, A. T. Brown.

Hipp-Fulmer.

Mr. J. Roland Fulmer, of Hilton, S. C., and Miss Hattie Ella Hipp, of this city, were married at noon on yesterday at the residence of the bride's parents, Mr. and Mrs. J. C. Hipp, Rev. S. P. Koon, a brother-in-law of the groom performing the ceremony. Mr. Fulmer is a graduate of the class of 1904, of Newberry college and Miss Hipp of the class of 1905.

Miss Alice Means, of Greenville, Miss Edna Hipp, of Winthrop college and Mr. Marion Wheeler, of Saluda, were among the out-of-town guests who attended the wedding.

Serious Illness of Miss Lillian Jamieson.

Mrs. W. A. Jamieson was called to Charlotte, N. C., on last Saturday on account of the serious illness of her daughter, Miss Lillian, who was visiting friends. She was taken with pneumonia.

Yesterday the information was received that she was worse, in fact, the physician phoned that he did not think she would last the day out.

Mr. Jamieson left for Charlotte at noon yesterday. The latest news received was that she was no worse but holding her own.

Miss Jamieson is young and has a host of friends in Newberry who hope that she may be able successfully to fight the disease through and be restored to her accustomed health.

57 Years Ago.

While in the office of Probate Judge J. C. Wilson, he remarked to a reporter for The Herald and News that yesterday, the 15th day of March, reminded him of the same day fifty-seven years ago when the sale was held at his boyhood home and he started out to make his own living. He was then fourteen years old. His father had died in the November preceding and his mother in February and on March 15 the personal property was sold and the family scattered.

He went in the neighborhood of Japala and while the home place was willed to him and to his brother and he lived only a few miles away from it he never visited it after he left 57 years ago but once and that was about six or seven years ago.

Judge Wilson's other brother, Tom, who died some thirty years ago lived in the No. 6 section of the county and his widow and two sons reside there now.

Judge Wilson has had many and varied experiences since that March day fifty-seven years ago. He saw four years of civil war in which he made a true and brave soldier and in the legislature and as probate judge and as private citizen he has lived a long and useful life. May he have many more years of usefulness.

NEWBERRY KNITTING MILL.

Property Changes Hands—Will Be Put In Operation Within Thirty Days.

For some months the Newberry Knitting Mill has been idle. The stock holders have been offering the plant for sale for some time. It is a most excellent property, and there is no reason why it should not be operated successfully. It is understood that it has been purchased by local people who were in no way connected with the old company and who will get a new charter and put in new machinery and in other ways improve the property. This will be done and it is expected that the mill will be in operation under the new management within thirty days. The purchasers and those interested in the new company are among our most progressive and energetic young business men, and there is little doubt that they will operate the mill successfully. The Herald & News is delighted that this property is to be put to work again. It will give employment to a number of people. It is probable that the new purchasers will operate the plant night and day.

Food Sale.

The housekeepers of Newberry, who are often worried over the food supply for Sunday, will be glad to know that the Aid society of the Lutheran Church of the Redeemer will offer for sale, next Saturday, March 17, articles which cannot be bought at the ordinary stores. Home-made bread, Rolls, Beaten Biscuit, Cake, Potato Chips, Salad, Cream Puffs, Pies, sliced cold boiled Ham, etc., will be on sale from 10 a. m. till 4 p. m. in the new buggy repository of Summer Bros. in the McCaughrin block.

The business men are especially invited to try the sandwiches.

It is the purpose of the ladies of this society to hold these sales every Saturday.

Good Position in Arizona.

Mr. John C. Goggans, Jr., a recent graduate of Clemson college in the electrical department, and more recently connected with the Newberry electrical plant has secured a good position as assistant electrical engineer in the construction of the big dam at Roosevelt, Arizona, and left yesterday to assume his new duties.

The government is constructing a dam at this place for the purpose of irrigating that country.

Mr. D. Forrest Goggans, another Newberry boy, son of Clerk of Court Goggans, is in charge of the work.

The Herald and News is glad these Newberry boys are holding such good positions and being government positions they are held on account of efficiency.

The building of this dam is one of the biggest jobs ever undertaken and when completed will mean a great deal for that section of the country.

Items From Beth Eden.

Beth Eden, March 15.—The blooming of the flowers and the budding of the trees show the approach of spring. Let us too renew our strength and bring forth fruit for the Master.

Mr. C. E. Sligh has been visiting friends here for several days.

The young people have had two delightful dances at Mr. Gus Brooks during the last two weeks.

Mr. L. H. Chandler lost a nice mule last week.

Mr. Rufus Kibler and Mr. James Glenn have been doing some building on Mr. M. A. Carlisle's place now occupied by Mr. Boozer. They have improved the appearance of the premises very much.

Mr. T. Bernard Carlisle, one of our successful young farmers, has erected a store near his pretty cottage home and will add merchandising to his other lines of business.

Mr. Tom Cromer has also opened a store. Perhaps this will lessen the tendency to go to town once or twice a week. If the men and the colored women would spend the time at work which they spend going to town, the cry for labor would not be so great.

Mr. and Mrs. P. G. Glenn spent a day with Mr. and Mrs. Tom Cromer recently.

Mrs. S. A. Jeter has been quite ill for several weeks with gripe. Glad to state that she is improving.

Mrs. Mary Renwick, the oldest citizen of our community is quite sick. We hope she may soon be restored to health.

The Majestic Mfg. Co., of St. Louis, Missouri, have a man at J. W. White's store this week showing the Majestic Range in actual operation, baking and serving biscuits to the large crowds.

Tillman As a Conservative.

Washington Correspondence Pittsburgh Dispatch.

It is hard for Senator Tillman, now the de facto leader of the rate regulation fight, to keep up an appearance of conservatism. He is aging under the effort. He sat quietly throughout all the debate Wednesday, but he could not let the opportunity slip to say just a few words as a parting shot to the conservatives. He rose up to say that if the senate was to be hedged about so by court decrees that it could not give the people the relief they demanded from the oppressions of the railroads then it was about time for the senate to set about reforming the supreme court.

That sentiment, strange as it sounded in the senate, was applauded by the people in the galleries. It is always a safe wager that the occupants of the galleries of both Houses of Congress are, a majority of them, radicals at heart if not by profession. Such sentiments as that expressed by Tillman draw applause from them in spite of the rule forbidding manifestations of any kind and the reiterated threat made in the senate by the presiding officer to have the galleries cleared if there should be a repetition of the offence.

The galleries have never been cleared by order of the presiding officer. When the occupants get too demonstrative some senator shuts off further demonstrations by moving to go into secret session for the consideration of executive business. That clears the galleries without the painful necessity of having the doorkeepers tell the people that they must go out because they have violated a rule of the senate.

Senator Cole L. Blease went to Abbeville on Monday and secured bail for Fred Reeder charged with the murder of Jess Coleman. Judge Prince granted bail in the sum of \$500 and the bond was given on Tuesday and Reeder released.
