POLICEMAN CLAIMED "BOOZE"

He is Badgeless Until Council Meets—Newberry's "Chico" Fined.

Newberry, Feb. 17.—There has been much activity in police circles the past day or two, combating with the blind tiger element, and Mayor Brown is having his hands full. Bob Porterfield, colored, the Chico of Newberry, who boasts that he has paid fines for violation of the dispensary law as much as \$750, was up yesterday morning charged with storing whiskey; the police having found two gallons in a stable on his premises. He was fined \$50 and paid up.

Another case which took a sensational turn, was one against Dan Brown, colored, charged with storing liquor. Dan is a notorious character in police circles. The officers found in his "dive" four quarts and two pints of booze. When the trial came off the officer who captured the whiskey testified and a clear case was being made out: when a third policeman, Jim Outz, asked the mayor to let him make a statement, and told the court that the whiskey was his, that he had placed it in Brown's place of business the night previous. He and a friend having ordered two gallons that day and that the four quarts was his share of the two gallons, and that he had placed it there until he could get it home. The mayor dismissed the case against Brown and relieved Policeman Outz of his badge until the next meeting of council.—The State.

The Civ's Association

Will meet on Wednesday afternoon at 4 o'clock, at the Chamber of Commerce, for the purpose of perfecting its organization. The constitutional committee consisting of Mrs. W. K. Sligh, Mrs. L. W. Floyd and the President, will be ready to report.

Every woman in our town who feels any interest in its civic improvement is urged to attend this meeting and become a member of the association. Mrs. J. E. Norwood, Secretary.

Make Your Returns.

The time for making returns of personal property will be out on the 20th. If you do not return your property before that date the law requires the auditor to add fifty per cent to the amount you returned last year.

Birthday Party.

The Ladies Aid society of the First Baptist church will have a birthday party Friday, February 22, at Mrs. W. F. Ewart's at 4.30 o'clock.

Each member is expected to bring a gift.

Every woman says that she doesn't think about men and every man thinks what he doesn't say about women.

Most men would be glad to go out and give the baby away to somebody if they thought their wives wouldn't be mad about it.—New York Press.

THE ELECTION TODAY.

Five Candidates for Probate Judge—The General Election Next Tuesday.

An election will be held today in Newberry county for the purpose of nominating a candidate for Probate Judge to succeed the late Judge John C. Wilson.

The general election has been ordered by Governor Ansel to take place on Tuesday, March 5th. The Democratic Executive Committee decided to order a primary, and the first primary will be held today. In case there is a second primary, it will be held next Tuesday.

There seems to be very little interest so far taken in this race, but it is a very important office, and the people should turn out and vote.

There are five candidates for the position as follows:

J. T. Crisp, S. S. Cunningham, L. W. Jones, R. C. Maybin and F. M. Schumpert. It is very probable that with so many candidates that a second election will be necessary.

The Herald and News would be very greatly pleased if the managers at the various precincts would either telegraph or phone the result of the election as soon as the ballots are counted.

A CIVIC LEAGUE.

Something Greatly Needed in Newberry.—The Ladies to Organize.

Last week Mrs. Fant of Anderson, an enthusiastic civic league worker visited Newberry last week and held a meeting with the ladies of Newberry with a view to organizing a league here. A preliminary organization was formed and Mrs. R. D. Wright was chosen president, Mrs. J. E. Norwood, secretary and Miss Fannie McCaughlin, treasurer. The secretary gives notice that the committees appointed are ready to report and a meeting is called for Wednesday afternoon to perfect the organization.

Every woman in the town should be there if it is possible. There is much work to be done.

To Take Testimony.

Mr. H. H. Rikard, who was appointed special referee in the case of Holt Vs. Fant at Whitmire, which is a contention for the position of intend for that thriving municipality, and Mr. F. H. Dominick, Mr. Holt's lawyer, left yesterday for Whitmire. The case has been appealed before Judge Purdy, and he has directed some testimony to be taken and Mr. Rikard has been appointed referee for that purpose.

Card of Thanks.

Being impossible to see and thank personally the friends who showed us so many kindnesses during the last illness of my wife and our mother we choose this medium to express our appreciation and thanks to the doctor and all who ministered to us in our affliction.

New Telephone Line.

A new telephone line has been built and is about ready for service from Newberry to Maybinton. This is a section of the county in which such a line was very greatly needed and now we will be able to communicate over the phone with every section of the county.

The following are the subscribers at present to this new line:

B. B. Leitzsey, J. L. Mayer, T. B. Leitzsey, C. D. Buzhardt, M. T. O'Neil, George Ruff, John S. Ruff, Sim W. Brown, C. L. Leitzsey, Mrs. Minnie L. Caldwell and Charles S. Suber.

Lecture Course.

Mr. Z. F. Wright, president of the Newberry Cotton Mills, has arranged for the delivery on the fourth Sunday night of each month at the churches in West End of a series of lectures for the benefit of the operatives. The first of the series will be delivered on next Sunday night, the 25th, at the Baptist church in West End. The lecturer for that occasion is Dr. James A. B. Scherer, president of Newberry college.

In the last days of the Confederacy General Douglass observed a soldier in tattered clothing standing in mud and a beating rain during a temporary halt of the column. The soldier was soliloquizing for the benefit of the bystanders: "I love my country," he said, "I could die for my country. Breathes there a man with soul so dead who to himself hath never said, 'This is my own, my native land?' But if I ever do get through with this war—if I do get through sure enough—I'll be damned if I ever fall in love with another country!"

JURIES IN MAYORS' COURTS.

Pomaria May Go Outside Her Corporate Limits To Secure Requisite Number Of Jurors.

In a case which came up from Pomaria Judge Purdy has decided that the drawing of a jury is not limited to the corporate limits, but may extend to the neighborhood or country surrounding, extending, of course, to no other county, and that the power to draw the jury would carry with it the power to summon.

C. H. Counts was charged with failure to pay municipal license and was convicted in the intendancy court at Pomaria. His attorney, Mr. Fred. H. Dominick, appealed to the circuit court, one of his exceptions being that three of the names placed on the jury list of eighteen were names of non-residents of Pomaria.

When the appeal came up before Judge Purdy it was conceded by Solicitor Cooper and Dr. Geo. B. Cromer, representing the town, that Counts was entitled to a new trial on other grounds, but it was desired to have the question as to the right of the town to go outside the corporate limits to secure jurors, tested. The case was argued before Judge Purdy, and he has filed the following order:

Judge Purdy's Order.

"It was conceded at the hearing of the appeal in this case that a new trial would be granted but both parties were anxious for the question as to the manner of drawing the jury to be passed upon, in addition to the ground upon which the motion for a new trial would necessarily be granted."

"Section 987 of the Code of Procedure, Volume 1, provides that a jury shall be drawn in magistrates courts by taking the names of respectable voters from the vicinity."

"Section 1971 of the same volume provides that a jury shall be drawn from the city in certain cases."

"Section 2003, which applies to the case now under consideration, provides that the jury shall be drawn in the same manner as in magistrates' courts."

"The contention on the part of the appellant is that he is entitled to a trial by jury drawn from the town against which the offence is alleged to have been committed, and a strong argument has been made in favor of that contention."

"The settlement of the question turns upon the meaning to be given the word vicinity. The Century Dictionary defines it to be 'neighborhood; surrounding or adjoining space, district or country,' and uses this quotation in this connection: 'Cumipaw is one of the numerous little villages in the vicinity of this most beautiful of cities' (New York)."

"Following this definition and illustration, the term vicinity here would have reference to the country surrounding or adjoining the municipality in question."

"It is, therefore, found and adjudged that the drawing of a jury is not limited to the corporate limits, but may extend to the neighborhood or country surrounding, extending, of course, to no other county."

"The power to draw the jury would carry with it the power to summon."

"The appeal is sustained and a new trial is granted, but not upon the ground that the jury or any part of it was drawn from beyond the incorporate limits."

"R. O. Purdy, Presiding Judge."

SCHEDULE ALL RIGHT.

The Talk About Change of Schedule On Southern Railway.

The talk of change of schedule on the Southern railway between Columbia and Greenville has been started again.

The present schedule has scarcely been in operation long enough for the people to become accustomed to it. The people on the main line from Columbia to Greenville are delighted with the present schedule and if they are given a chance to say anything they will present a huge petition to let the present schedule alone. The only fault with the schedule comes from Anderson and that scarcely voices the wishes of all the people of Anderson.

The following from the Greenville News expresses the situation very clearly and it is gratifying that the officials of this division know nothing of the change:

The News has been unable to find any one who can verify the rumors that have been floating about of late with reference to the change of schedule of passenger trains on the C. & G. Even the officials who exercise their authority of this division know nothing of such a change. The truth is, the Southern is not thinking of changing schedules back to the old figures which were in effect up to January 6th.

And why should the schedule be changed back? All the towns along the line, from Greenville to Columbia, are entirely satisfied with the present schedule. A few individuals may be displeased for selfish reasons, but the public as a whole could not wish for anything better than the present arrangement. It suits Greenville and it suits Columbia, the two terminals of the road. Newberry, Greenwood, Honea Path, Belton, Williamston, Pelzer and Piedmont, the important towns along the line, are contented, and in fact all the towns, as far as this paper has been able to learn, are pleased with the schedule of the trains.

Now, we will admit that when the change went into effect Anderson and other towns on the Blue Ridge Railroad did not fare so well as under the former arrangement, but some minor changes were made in order to satisfy the best interests of the majority of the communities served by the road, and the situation over there seems to have brightened up considerably. The officials of the Blue Ridge may be able in time to make other changes in the schedule of passenger trains that will give greater satisfaction to the public, and we hope that the matter will finally be adjusted to the entire satisfaction of all.

But, we again submit that it was the first duty of the C. & G. to give satisfactory service possible to the points along its own line and not to give the towns along the Blue Ridge first consideration.

The present schedule of the Columbia & Greenville road is entirely satisfactory to all the towns situated thereon and they would make a mighty protest against any movement looking to the restoration of the old schedule.

Obituary.

In loving remembrance of mother and daughter, Margaret Josephine Whitman who departed this life, December 22, 1906, age 56 years, 6 months and 24 days.

We have lost our darling mother,

She has bid us all adieu,

She has gone to live in Heaven,

And her person is lost to view,

Oh, that dear one how we loved her,

Oh, how hard to give her up,

But an angel came down for her,

And removed her from our flock.

Earth has lost its look of gladness,

Heaven seems to us more bright,

Since the spirit of our dear one,

Took its happy homeward flight;

And we long to cross that river,

Long to rest upon that shore,

There to see and know and love her,

With the Savior evermore.

Precious mother thou hast left us,

Left us yes for evermore.

But we hope to meet our loved one,

On that bright and happy shore;

Lonely the house, and sad the hours,

Since our dear one has gone,

But oh, a brighter home than ours,

In Heaven is now her own.

We loved her, yes we loved her,

But angels loved her more,

And they have sweetly called her,

To yonder shining shore,

The golden gates were open,

A gentle voice said come,

And with farewells unspoken,

She calmly entered home,

Mother and Children.

THE SWEETEST GIRL IN DIXIE.

Will Appear at the Opera House in Newberry Saturday, February, Twenty-Three.

Two appreciative audiences were entertained yesterday at the matinee and evening performances of the Sweetest Girl in Dixie, at the Grand. It is a play full of heart interest, clean and wholesome throughout. It deals of the old Southern aristocracy, with a designing villain from Northern districts, who is from the type of which carpetbaggers were drafted. A farmer mortgages his homestead and places himself at the mercy of the villain who desires to marry his daughter. They were on the verge of being disposed of the ancient home when the hero, a dashing Yankee cousin, comes to the rescue to the discomfiture of the villains and the delight of the "darkies."

Miss Freda Slemmons, as Barbara Howard, the "sweetest girl," proved herself an actress of much ability. Harry L. Minturn, as Howard Emery, made a good impression. George W. Wright, as Col. Howard, a splendid character out of the part. Two old time negroes helped the play along in comical sketches and afforded much laughter, and were well characterized by Miss Blanche Wright and Harry C. Lester.—The Galveston Daily News, September 22, 1906.

"The Sweetest Girl in Dixie," was the attraction at the Dallas Opera House last night, and showed to a fair sized audience. As the name indicates, the play is very Southern, and met with the approval of the audience, which had cheers for hero and the girl and hisses for the villain.

The character acting of Miss Blanche Wright, who took the part of the black mammy, was exceedingly good, and nature has endowed her with sufficient avoirdupois to make any additions superfluous, even for such a character.—The Dallas Morning News, September 7, 1906.

"The sweetest girl in Dixie" will be rendered at the Newberry opera house on Saturday, February 23.
