The Bible and Shakespeare.

Eminent readers of these works can never go wrong, for they embody all the good there is in life. Shakespeare's works are the highest ideals of the classic drama—the drama that the intellectual world adores, and that the venerable pontiff, Pope Pius X, so heartily gave his benediction to last June, when interviewed on the subject by Alan Dale, the dramatic writer of the New York American. The most acceptable and satisfactory of the Shakespeare plays is King Richard the Third—the Colley Cibber version, as used by the famous David Garrick, Edmund Kean, Edwin Forrest, and other actors who were really kings themselves by the divine right of intellect. This is the version that John Griffith uses on his present tour. It is strenuous and intellectual, not wasting time on the immaterial passages that are better fitted for the study, but coming right down to action and interest, concise and convincing. John Griffith and his most excellent company are booked for a performance of "King Richard the Third" in this city on Wednesday, November 20, at opera house.

To members of Monticello union: The members of Monticello union are requested to meet at Monticello school house, Saturday at 1.15 p. m. Important matters are to be considered. All who wish to join our union are invited, Saturday November 16.

T. L. Dawkins, Secretary.

That New York fusion appears quite as much of a favorite topic of conversation and discussion with the president as is tariff revision.

CHAMBER OF COMMERCE.

Meeting Postponed to Next Tuesday Evening—Every Member Should Attend.

The meeting of the chamber of commerce which was announced for last night has been postponed to next Tuesday evening when there will be no other attraction in the city so that every member may have no excuse for non-attendance.

There are several matters of more or less importance to be talked about and reports of committees may be submitted and new ideas suggested and plans put on foot for the further advancement of the city and the community generally.

Besides this as has been frequently remarked in these columns it is good for the people to get together occasionally and talk about things and trade jokes and be social. Sometimes it is feared that in this community we live too much to ourselves in business especially and a coming together in an organization of this character will help us to broaden and to know each other better and we will then be in position to make united effort for the advancement of the best interests of this entire community.

Let there be a full meeting of the entire membership next Tuesday and there is still room for a few new members.

A Word With Our Subscribers.

The Herald and News has not adopted the cash in advance system, and, therefore, we find that a great many of our subscribers owe us for one or more years in arrears. These amounts are small and with the prosperity, which has come to our people we feel that they should not make it necessary for us to send a collector after them. We need the money now, and need all of it. We hope that you sufficiently appreciate the indulgence, which has been extended, to let us have what is due, and if you cannot pay it all, at least pay a part of it. Those who live in the country, can easily secure a money order from the rural carrier without the necessity of waiting until they come to town to pay what is due. We will mail you a receipt promptly for any amount, which you may send. This request is urgent, and we hope that you will attend to it at once.

SENATOR TILLMAN SAYS JOE CANNON IS CHOICE.

The Balmetto Senator is Sure Roosevelt will not Accept Nomination for Third Term.

Danville, Ill., Nov. 12.—In an interview today Senator Benjamin R. Tillman, of South Carolina, declared that President Roosevelt will not accept a third term and that "Uncle Joe" Cannon, speaker of the house of representatives, will be the Republican nominee.

"Mr. Bryan," Mr. Tillman said, "will be the Democratic nominee without a doubt. He is the greatest living Democrat, and the proper man to entrust with the affairs of our government."

The senator declared that the present financial situation need not worry the people.

"This country," he said, "has reached a point in its prosperity where financial flurries in the money centers do not affect it."

It's a poor brand of religion that doesn't cause a man to try to treat his neighbors decently.

One of the ambitions of the average man is to do those he has been done by.

TEACHER'S ASSOCIATION.

Interesting Meeting—Officers Elected—Instructive Address of Prof. Thomas.

The first meeting of the Newberry County Teachers association for the scholastic year 1907, was held in the Boundary street graded school on last Saturday. This meeting was marked by a larger attendance of teachers than at former meetings, and truly it was a most interesting meeting.

The election of new officers resulted in the following: president, J. S. Wheeler; vice-president, J. W. Ballentine; secretary, Miss Pinkie Lee Estes; executive committee, J. B. O'Neill Holloway, Miss Marion Williamson.

Miss Estes was again elected to represent Newberry county at the school improvement association which meets in Columbia on December 30 and 31st. The teachers were privileged in having with them Prof. Roy Z. Thomas, of Newberry college, who made an address on "Teacher's Ideal." Prof. Thomas was especially emphatic on the teacher's influence and importance in laying the foundation for the future citizenship of the state. He spoke very feelingly of what a teacher could do in making or marring the lives of the boys and girls under his or her charge. He declared that a teacher should first of all and last of all be a Christian, a follower of the greatest Teacher of the world has ever seen, Jesus Christ; and he held Him up to the teachers as The Ideal Teacher. Truly the address of Prof. Thomas was an inspiration to new zeal and new energy on the part of all who heard him.

The next meeting of the association will be held on the second Saturday of December, and all teachers and all persons interested in educational work are cordially invited to attend.

Mrs. Martha Jane Senn.

Died Nov. 9th, 1907. Mrs. Martha Jane Senn, nee Plumkett, aged 81 years and six months. The deceased had been perfectly helpless from paralysis for more than three years, being unable to even feed herself. For the past eighteen months she had lived with her son-in-law and daughter, Mr. and Mrs. M. P. Lake, of West End, Newberry, and was cared for with tender and loving solicitude by the entire family.

Two other daughters and one son, Mrs. John Davenport of near Newberry, Mrs. L. P. Hendrix and J. Henry Senn, of Greenville, S. C., survive her. The remains were buried at Smyrna Sunday evening at three thirty, with funeral services by Rev. Mr. Miller, pastor of O'Neill Street Methodist church. As Brother Miller had so faithfully watched over, visited and prayed with the dear old afflicted lady, and kept in close touch with her, he was in a position to know and understand her noble Christian character; therefore, the services were unusually beautiful, touching, eloquent and impressive.

She had often told Bro. Miller that she was ready, willing and anxious to be called hence, and prayed that she might simply go to sleep and awake in heaven. Her prayer was answered.

Mr. and Mrs. M. P. Lake, wish to especially thank Dr. T. W. Smith for the great kindness and unremitting care with which he attended the deceased. Bro. Miller also has their sincere and heartfelt gratitude for his ever ready help and Christian sympathy.

Thanks are extended to each and every one who in any way helped to lighten the burden of the dear departed one, or who by their presence cheered and comforted the bereaved.

BLACKSHEAR-POPE WEDDING.

Beautiful and Impressive Ceremony—Handsome Presents—Honeymoon Trip Through Florida.

On Tuesday evening at seven-thirty, in the spacious home of Chief Justice and Mrs. Y. J. Pope, there was solemnized a wedding, beautiful in its simplicity, the contracting parties being their only daughter Miss Neville Pope and Dr. Everard Blackshear, of High Springs, Florida.

The parlors, halls, and sitting room were thrown en suite, and in the cross hall between the front and back parlors the wedding party took their places. At the notes of Mendelssohn's wedding march sounded from the piano under the skillful fingers of Miss Laura Bowman, the dame of honor, Mrs. George Johnstone, sister of the bride, led the way. Next came the groom with his best man, his brother, Mr. Archibald Blackshear, of Demorest, Ga. Then the bride on the arm of her father, Judge Pope. The marriage ceremony was performed by Dr. James Y. Fair, pastor of the Independent Presbyterian church of Savannah, and was the beautiful and impressive ceremony of the Scotch Presbyterian church.

The bride never looked more attractive than in her wedding robe of soft white silk muslin over taffeta, the skirt and bodice elaborately trimmed with real lace. Her veil, caught with its wreath of orange blossoms, entirely enveloping her figure. Her only ornaments were a brooch and necklace of pearls, heirlooms in her mother's family. Her bouquet was an exquisite one of bride's roses and lilies of the valley.

Mrs. Johnstone was very handsome in a gown of daffodil silk tissue, with trimmings of butter lace. Her bouquet was a large one of beautiful yellow chrysanthemums.

After receiving the congratulations of their friends, the bride slipped away to don her traveling dress, a stylish cut-away coat suit of dark blue cloth. Dr. and Mrs. Blackshear left on the 9:50 train for an extended trip through Florida, and will be at home after December the first at High Springs, in that state.

During the evening a delicious three course supper was served, en buffet. The punch bowl in the hall was presided over by Mrs. Patrick Edward Scott.

The presents were displayed in the sitting-room, and table after table was filled with exquisite cut glass, handsome silver, the choicest china and beautiful pictures.

Among the out of town guests were Mrs. Cathrine M. Blackshear, Miss Laura Blackshear, and Mr. Archibald Blackshear, the mother, sister, and brother of the groom; Dr. Eve, of Augusta, Ga.; Dr. Fair and Miss Josephine Fair, of Savannah, Ga.; Dr. D. S. Pope, of Columbia; Dr. and Mrs. T. T. Moore and Miss Kate Moore, of Columbia; Miss Marie Gary, of Abbeville; Miss Phoebe Fair, of Cokesbury; Mrs. Ann Jeter, of Columbia; Mr. Robert P. Fair, of Jacksonville; Mr. J. R. Fair, of Columbia; Miss Lula Moselev, of Prosperity; Dr. Harper, of Greenwood; Dr. Thos. Pope, of the Charleston Medical college; Mr. S. B. Bowers, of Prosperity.

Failed to Ask in English.

Philadelphia Record. A pleasant-faced woman, clearly and well-dressed, occupied a seat on the immigrant train over the Pennsylvania Railroad today. Interpreter and passengers tried to converse with her in a dozen languages but she only looked puzzled. "What time does this train reach Braddock?" she asked the conductor in perfect English when the train reached Altoona. Her traveling companions had failed to talk English to her, the only language she knew.

SUPERIOR BREEDING, and individual dairy confirmation secured for "Rearing Fox," recorded in American Jersey Cattle club Register. A premium at the state fair. He is bred in purple and is a handsome animal. Our community as well as Mr. Scott may well feel the distinction of superior dairy blood in our midst. Mr. Scott desires to prove the dairy interest among a people who have paragonized him so liberally in the past and we trust may be merited in the future. Roaring Fox is in service at a fee of \$3.00 barely sufficient to meet expense of maintenance.
