"J. L. Kennerly, the genial salesman for underground novelties, was getting in on some good business in Bishopville during last week." FARM DEMONSTRATORS.

Newberry County Ranks Well Up Among Other Counties of the State.

In the Farmers Co-operative Demonstration work in the county for 1910 there were 48 cotton demonstrators and 38 corn demonstrators. The total acreage in cotton was 7,000 and in corn 51. The average yield per acre in pounds of seed cotton is 1396.5, and of corn 50.5 bushels per acre. The average of similar land under ordinary methods was 850 pounds seed cotton and 20.5 bushels corn.

Taking into consideration the number of demonstrators and the number of acres, Newberry county ranks amongst the leading counties of this State in the average yield per acre of cotton and corn.

Mr. S. M. Duncan, the agent for Newberry county, has been very active and energetic, and all the demonstrators are improving their methods and increasing their yields each year.

Miss Mabry is a graduate of Winthrop and has taught Latin in the high school at Abbeville for four years, and she writes Prof. Dean that she is going to the University of Virginia to take a summer course in Latin.

Newberry high school is fortunate in securing a teacher so well prepared in this department.

REV. MR. BRISTOW TO PREACH.

Will Deliver Annual Sermon at Opening of Chautauqua in Opera House June 18.

The Chautauqua association has secured the services of the Rev. Louis Bristow, of Abbeville, to preach the annual sermon at the opening of the Chautauqua at the opera house on Sunday evening, June 18.

Rev. Mr. Bristow is pastor of the Baptist church at Abbeville, and one of the most forceful and eloquent pulpit orators in the South and the association is fortunate in securing Mr. Bristow for this service. Mr. Bristow has also had considerable experience in the management of Chautauquas, having been the moving spirit in the success of the Williamston Chautauqua.

There will be a sacred concert by the Alkahest Band and Orchestra and De Koven Quartette preceding the sermon. The churches of the city will close during that service and unite in the service at the opera house. There will be no admission charges for this Sunday evening service.

Mr. Bryan will be in Newberry June 21, and will deliver his great lecture on "The Prince of Peace." Since it has become known that Newberry is going to bring the Great Commoner into South Carolina, scores of towns throughout the State are trying to get him for address. A great treat is in store for our people; for Mr. Bryan's popularity grows with his advancing years.

CAPT. R. P. HOBSON, Who will lecture on Monday, June 19, 10 a. m., Chautauqua Week in Newberry.

Attended Col. Crews' Funeral.

Capt. W. S. Langford drove Messrs. E. H. Aull and Fred H. Dominick to Laurens on Sunday afternoon in his car to attend the funeral of Col. T. B. Crews. Mr. W. C. Waldrop drove Mr. Eugene S. Blease's car, carrying Mr. Blease, Mr. Cannon G. Blease, Mr. John K. Aull and Master Blease Eison.

Indulging in Hot Air.

Orangeburg Times and Democrat.

The Spartanburg Journal says: "If Felder and Governor Blease would tell all they know about dispensary matters from the purchase of the first invoice of whiskey, it would make a book worth reading." May be so. But we do not believe that Felder knows much, as he would publish that book he promised. As to Gov. Blease's knowledge, we have no way of judging what he knows except what he let out about Felder, and that seems to have completely silenced that gentleman, so far as dispensary revelations are concerned. Felder was either indulging in hot air when he said he would publish his book, or he has been scared into silence by what the other side threatens to reveal regarding him.

PREPARING FOR COMMENCEMENT

Junior Orators Selected—Co-eds Campus Association—Big Crowds Are Expected.

The several college classes are busy this week with final examinations.

The following young men, members of the Junior class, have been selected to contest for the medal in oratory on Monday night, June 5: E. Henry Cappelmann, Robert H. Folk, Arthur L. Gunter, Allan N. Kieffer, Henry S. Petrea, J. Bachman Smeltzer. All of the contestants have superior oratorical ability and the closest contest in years is expected to take place.

In the meantime the seniors are preparing for the closing exercises Wednesday, June 7. Next Thursday the faculty of the college will select four out of the class to deliver orations on that occasion. Two speakers already appointed are Mr. Grady Hipp, Valedictory, and Mr. Chas. P. Barre, Salutatory. The following is the class roll:

The Baccalaureate sermon this year will be preached by Rev. L. B. Wolf, D. D., of Baltimore, Md., Sunday morning in the city opera house. At the same place Sunday evening the address to the Young Men's Christian association will be delivered by Rev. William Hoppe, of Savannah, Ga. The Literary address on Tuesday night of the week will be delivered by President Henry Nelson Snyder, of Wofford college.

From advices received an unusually large number of visitors will come to Newberry during commencement week. The class of '08 is planning a big reunion. The Alumni banquet is scheduled for Tuesday night following the exercises. A great many of the "old grads" will be present and the gathering will likely be larger and more enthusiastic than ever before.

The people of Newberry who will be good enough to entertain the stranger within our gates during commencement will facilitate matters very greatly if they will inform Prof. S. J. Derrick, or the president of the college to that effect. In view of the great number of visitors coming this will be a great favor to the college and will advertise Newberry's hospitality.

The Co-eds of Newberry college have organized themselves into a Co-ed Campus association. It is composed of the young women who have attended the college in the past as well as those attending now. The purpose is to improve the campus and beautify the college premises. Fifteen rahs for the C. C. A. The officers elected are: President, Miss Martha Johnstone; vice-president, Mrs. Dr. Connor; secretary, Miss Josie Paysinger; treasurer, Miss Agnes Chapman.

Base ball games on Monday and Tuesday afternoons of commencement week between the varsity and the alumni have been scheduled. A good many former Newberry stars will be on hand. The Alumni team won last year and it has an idea it will win out again. It remains to be seen.

In the Carpenter's Shop.

"Life's a hard grind," said the emery wheel. "It's a perfect bore," returned the auger. "It means nothing but hard knocks for me," sighed the nail. "You haven't so much to go through as I have," put in the saw. "I can barely scrape along," complained the plane. "And I am constantly being set upon," added the bench. "Let's strike," said the hammer. "Cut it out!" cried the chisel, "here comes the boss." And all was silence.
