

**OFFERS TO FIGHT T. B. FELDER.**

Abbeville Man is Governor's Champion, Accepts Lawyer's Challenge.

Abbeville, June 9.—It has remained for old Abbeville to put forth a man as a target for the bullet of Col. T. B. Felder, of Atlanta, who recently challenged Governor Blease. Mr. W. P. Beard has written a letter, which will appear in the next issue of the Press and Banner, in which he accepts for Governor Blease the challenge to personal combat. In part the communication is as follows:

"To the Hon. Fighting Tom Bombaster Felder, Esquire, otherwise known as the Atlanta Lawyer:

"Dear Sir: Disclaiming for myself any personal feeling whatever toward your honorable self, yet, in consideration of peculiar conditions at present surrounding the quarrel between you and Governor Blease, it seems to me that the obligation to maintain the honor of this State rests as much upon the citizens as the executive, and as the hands of the executive are tied by his oath of office, imposed by act of law at the demand of the citizens thereof, by the same token the duty of placing himself between the honor of his State and the assailing reverts to the citizens generally, collectively and individually, and as I have, after diligent search, failed to find a sufficient number to meet the assault in force, have decided to offer my own individual anatomy as the target for your unerring bullet, thereby appeasing your righteous wrath and saving the honor of my native State.

"Therefore, honorable sir, you will please consider your challenge to Governor Blease accepted and the incident closed, unless you wish to further advertise your firm, and that your humble servant will hold himself in readiness for a meeting on the field of honor, at such time and place and with such weapons as our respective seconds can agree upon."

The communication is a lengthy one, the above being only the introduction.

**PLAN SKYSCRAPER AS BANK BUILDING**

To be Erected at Corner of Gervais and Main Streets, in Columbia.

Columbia State.

The 10-story bank building to be erected in the State Thursday will be erected by the Union National bank on the site acquired some months ago at the northeast corner of Main and Gervais streets. The present two-story building on this property is occupied as the transfer station by the street railway and by the railroad commission, which maintains its headquarters on the second floor.

The bank is ready to proceed with the construction of its new building as soon as the present building is vacated. The leases of the occupants do not expire until the early part of next year, but it is probable that an arrangement can be made by which they will relinquish their rights in order that the work may proceed. It is safe to say that neither the street railway officials or the railroad commission will retard such an important development if it can be avoided. The street railway has on more than one occasion manifested its disposition to meet in cooperative spirit plans involving matters of public importance.

Plans for the building have been prepared, but since that was done the bank authorities have acquired more space, giving them a greater depth on Gervais street, and the drawings will be changed to conform to the shape of the site as it now stands.

The ground floor will be occupied by the bank and the upper floors will be devoted to offices. The frontage on Main street is 52 feet.

**DEATH CLAIMS CARRIE NATION.**

Famous Saloon Smasher Succumbs to Disease—Her Career.

Leavenworth, Kan., June 9.—Carrie Nation, the Kansas saloon smasher, died here tonight.

Paresis was the cause of death. For several months Mrs. Nation had been in poor health, and on January 22 she entered the local sanitarium in which she died, hoping there to recover from a nervous breakdown.

The physician at the sanitarium informed Mrs. Nation several days ago that the end was near. She said nothing, but smiled. She became unconscious at noon today and did not revive. Relatives had been telegraphed for, but only the doctor and a nurse were at her bedside when she died.

Worry over lawsuits, which she had brought against a lecture bureau for failure to pay for services, is said to have caused her break-down. The body will be sent to Kansas City,

where a nephew lives. Funeral services will be held there probably on Sunday.

Mrs. Carrie Nation was born in Kentucky in 1846. Her maiden name was Carrie Moore, and as a girl she was absolutely fearless. In her early life she married a man addicted to the use of intoxicants, which created in her an intense aversion to the saloon. When he died she determined to devote her life to the suppression of the liquor traffic. Later she moved to Kansas and married David Nation, who sympathized with her temperance principles.

Mrs. Nation's first saloon smashing was done in the bar room of the Carrie Hotel in Wichita. December 27, 1900. She was arrested and remained in jail several days before she was released on bond. On January 21, 1901, armed with her favorite weapon, a hatchet, she made another raid in Wichita. This time she smashed two saloons. During the next three months Mrs. Nation surprised the saloon-keepers in various Kansas towns, appearing unheralded and leaving a trail of ruined bar room fixtures wherever she went.

Remarkably few saloon men used violence in resisting Mrs. Nation, although she was assaulted and badly hurt while wrecking a bar at Enterprise, Kan. By this time the State of Kansas was in a ferment. Aroused by the spirit of the dauntless woman from Kentucky, the people began to demand that all the saloons be closed. Smashing parties were organized all over the State. As a result of the agitation bills were passed by the legislature which strengthened the State prohibitory law.

Erratic as her life has been, Mrs. Nation was responsible for the greatest temperance awakening in Kansas. Mrs. Nation, after her activities in Kansas, became a lecturer and the editor of a paper called the "Smasher's Mail." She did little smashing outside of Kansas.

The home which she founded in Kansas City, Kan., for drunkards' wives was recently taken over by the Associated Charities in Kansas City, Mo.

**PLAN NEW ASYLUM BUILDINGS.**

Man Who is Restoring New York State Capital to Furnish Plans for Buildings.

Columbia, June 9.—F. B. Ware, the architect who has been engaged in restoring New York State's capital at Albany, was engaged as the architect for the asylum commission this afternoon. Plans for buildings, in part, are expected to be given in 30 days, and the buildings will be erected on the new property at "State Park" as soon as possible, the need for additional buildings being fully recognized.

**Full Meeting.**

All members of the commission were present today. Meeting with the asylum commission at the new property this afternoon, were the members of the board of regents of the asylum, J. L. Ludlow, the consulting engineer for the commission; H. P. Kelsey, the landscape artist; F. B. Ware, architect, of New York; J. H. Foster, of the forestry service of the government, and L. C. Corbett, of the agricultural department of the bureau of plant industry.

**Experts Co-operating.**

The government men are co-operating with the commission in its work of laying out "State Park." A survey is being had. The government men and Mr. Ludlow, the engineer, and all engaged in the work are going to get together tomorrow and again go out to the property to work out details as to the laying out of the park, with regard to the forestry part; the lay of the land, with regard to buildings, and all matters affecting the property. The whole idea is to have framed a modern plant.

**Colony Plan.**

Dr. J. W. Babcock, the chairman of the board, recently announced the ultimate making of the colony plan out of the new property. This will give about 100 patients to a building, instead of 200 to 300, as is the case in some of the buildings at the present site of the asylum. The new site is to be used for negro patients.

It is believed that the actual erection of buildings on the new State Park is not far distant now.

**Governor Asks Quick Action.**

The asylum commission met here today and this afternoon an inspection of the new "State Park" was had. The members of the commission met this morning with Governor Blease present. He asked some quick action in providing for the insane patients at the new asylum.

**"I Am Glad"**

writes Mrs. Ethel Newlin, of Liberty Center, Ind., "that I began to take Cardui, for it has cured me, and I will never forget it. "I cannot praise Cardui too highly for what it did for me. Before I began to take it, I was very bad color, suffered great pain and weighed only 105 pounds. Now I have a good color, do not suffer and weigh 125 lbs."

**Take CARDUI The Woman's Tonic**

Beware of strong, noxious, mineral drugs, that sink into your system, like lead to the bottom of a basin of water.

Cardui is purely vegetable and contains no poisonous minerals, or dangerous drugs.

It is perfectly safe and harmless, for use by old and young, and may be taken, as a tonic, for months, without any possible harmful effect. Try it.
