VARIOUS AND ALL ABOUT.

The advertisement in the last issue of The Herald and News of the Newberry Savings Bank attracted attention by the way it was "set." It was "set" this way purposely. Miss Nellie Adams has gone to Columbia where she will undergo an operation in one of the local hospitals. Her friends hope to see her back in Newberry very soon. There will be a special meeting of the patrons at Speers Street school on Wednesday afternoon at 4 o'clock. Several children will entertain mothers with songs and recitations. Exhibit still open for inspection. All friends and patrons invited and welcomed. The regular meeting of the Newberry Lodge of Elks will be held Tuesday evening in the lodge rooms at 8 o'clock promptly. All the members are urged to attend. In addition to the reception of two candidates, there will be matters of importance to the order to be considered. The Newberry Business school receives pupils at any time of the year and graduates them when they are prepared for graduation. It takes no vacation except Christmas. The manager says that the impression has gotten out that there would be a summer vacation which is erroneous. Pupils may enroll at any time.

Tomato Club Notice.

During the past week the county agent visited four clubs. At each we held a regular club meeting, discussing the work, distributing literature, planning the next meeting, and getting reports on the seed beds. I visited as many of the beds as was possible to get to, and found most of them very good. One or two have been unfortunate in having their plants partially destroyed by insects, but we are just going to kill the insects on the old beds and put in some new seed. Besides the tomato the girls are planning to put in some okra, beans, peppers and their flower, the chrysanthemum. We hope to be able at an early date to publish a complete list of the individual club prizes. Mention has already been made of the prize trips to Winthrop college next summer to the two girls having the best cared for gardens and most accurately kept record books. Two of the clubs have planned social meetings to which they will invite the members of the boys corn clubs. We have in county girls club room in the court house a small exhibit, which we hope to add to from time to time. It is always open on Saturday mornings. We shall be glad to have you visit our club room, and perhaps we shall be able to help you get rid of the wilt, root knot, bug and insects. Come up and get our remedies. Fannie Holloway, Girls Tomato Club Organizer.

IN JAIL FOR SHOOTING.

Joe Rudder and Luther Prater Shot Into Negro House and Then Shoot Mr. Lee Havird.

Joe Rudder and Luther Prater, employees of the Oakland Cotton mill are in jail charged with the shooting of Mr. Lee Havird last Friday night. It is stated that Rudder and Prater during the evening shot into the house of some negro women who live in the suburbs in rear of the residence of Mr. C. L. Havird. This was about 10 o'clock at night. The women appealed to Mr. Havird to secure the police. Mr. Havird and his family had retired but they phoned for the police and when the officers arrived they were accompanied by Mr. Lee Havird and his brother and when they reached the house they found that Rudder and Prater had passed beyond the city limits. The police claimed they had no authority outside the city and stopped the pursuit as soon as the men were beyond the city line. Mr. Lee Havird, it is said, pursued the men in an effort to identify them, when they fired upon him inflicting a severe wound in the leg. The weapon is said to have been a Winchester rifle. Mr. Havird was not armed. After they shot Mr. Havird, Sheriff Blease and Deputies Dorroh and Melton were telephoned for. When they arrived the men were gone. The women said they knew one of them as Joe and understood that they lived at Oakland. With this as a clue Sheriff Blease and his deputies proceeded to Oakland and about 4 o'clock Saturday morning arrested Rudder and Prater. Rudder on the way to jail is said to have confessed to the sheriff to having fired a shot. In the meantime bloodhounds from the penitentiary had been sent for and arrived about an hour after the arrests were made. Mr. Havird was removed to the residence of the sheriff at the jail where Dr. Pelham dressed his wound. He is resting well and no serious results are anticipated.

Machine Gun on Armored Aeroplane.

French military authorities are experimenting with the first armored army aeroplane, equipped with a machine gun mounted over the engine. Bullet-proof plates of hardened steel protect the working parts of the aeroplane, and a V-shaped shield screens both the gunner and the ammunition. The pilot is seated behind the gunner, and the gun is mounted high enough to eliminate any possibility of hitting the propeller when it is fired.

Practical Devices for Sleeping Out of Doors.

Now that the vogue of open-air sleeping has grown beyond the stage of a "treatment," and interests those who want to keep well as much as it does those who want to get well, it is interesting to see how simple, inexpensive and adequate shelter may be provided in or on the ordinary dwelling. In the May Popular Mechanics Magazine a number of simple ways to provide out-of-door sleeping places are described, with illustrations.

Bush River Church.

Baptist Courier, April 16th. Secretary Wilkins reports a happy day with the Bush River church last Sunday. This is one of our strong country churches in a progressive section of Newberry county. They have a beautiful parsonage located near the church. With services three Sundays a month, and J. D. Bowen as their pastor, the prospect that they will more than reach their missionary appointments is exactly what is expected.

Card of Thanks.

We wish to thank publicly for the loyal help for fair and field day all the teachers of Newberry county whose work for months was exhibited on April 3, persons who served on special committees, people who contributed prizes, pupils who by their efforts made possible the fine exhibits and the different contests, The Observer and The Herald and News for their generous use of their columns and for the educational edition of their papers on March 27, all hostesses who furnished baskets for our county-family dinner, the faculty and students of the college for their manifold courtesies, the school trustees and patrons who brought the exhibits and the children without whom we could have done nothing, the band who furnished martial music, the ladies and girls who gave the beautiful folk dance. In fact, we assure city people and country folk our heartfelt appreciation of their manifest cooperation. We regret that we can not call the names of all persons who helped, but their number is legion. Ernest Anderson, Geo. D. Brown, Jr., Sadie Goggans.

TEACHERS ASSOCIATION.

Invited to Hold May Meeting at Whitmire—This Will be Fine Place. Probably Will be Accepted.

The County Teachers association for May has received an invitation to hold their meeting at Whitmire. The last meeting of the association for the last school year was held at Whitmire and was one of the largest attended during that year, and the Whitmire people did everything possible to make it pleasant and successful. Since then, the school building at Whitmire has been enlarged and is now one of the best equipped and most handsome buildings of its kind in the State. If the weather is good a trip to Whitmire would be a pleasant outing for the teachers. The following invitation has been sent from Whitmire for this meeting, and it is probable that it will be accepted. The date for the meeting will be announced in the county papers on Friday. Teachers association of Newberry county: As representatives of the educational interest of the town of Whitmire, we the undersigned committee extend to you an invitation to hold your May meeting in our school building.

Z. H. Suber, Chairman Trustees. Mrs. L. E. Douglass, President Improvement Assn. S. J. Wall, Superintendent.

Mr. William Kibler died at the residence of his brother, Mr. John W. Kibler in Newberry on Monday morning at 10 o'clock, after a long and lingering illness. Kibler & Co. in the wholesale grocery business. The funeral service will be held at the residence of Mr. John W. Kibler Tuesday afternoon at 4 o'clock. Dr. Jones in Kingstree.

Baptist Courier. Sunday, April the fifth, was a great day for the Kingstree Baptist church and Pastor W. E. Hunt. On that date their new house of worship was dedicated and they partook of the first fruits of an unusually, heroic struggle. The other churches of the town adjourned their services for the day and pastors and people met with their Baptist brethren and shared in their joy. The preachers for the occasion were Dr. E. Pendleton Jones, of Newberry, and Dr. W. T. Derieux. The new house, which is a monument to the zeal and labors of Pastor Hunt, is thus described in a message to The News and Courier: "The arrangement of the church is simple and convenient with ample openings for entrance and exit without crowding. In addition to the auditorium and Sunday school rooms the building is provided with a pastor's study and a ladies' parlor. The edifice is brilliantly lighted throughout with electricity. Beneath the large stained glass dome in the centre of the auditorium is a circle of many lights, while there are many more around the walls." This is good but many items are left out and Pastor Hunt will have to write about his church.

A Card of Thanks.

We, the members of the Helena mission class desire and do hereby extend our sincere thanks and heartfelt appreciation to Mrs. A. J. Bowers for the noble service she has rendered to our mission class and also to Mrs. J. S. Derrick for her kind assistance. We pray God's choicest blessings to rest upon both.

Gratefully, Helena Mission Class.

Woodrow Wilson, President of the United States, Washington, D. C. Cole, L. Blease, Governor.

Second is Ready.

A. E. Legare, colonel of the Second infantry, has addressed the following letter to the governor, commander-in-chief of the National guard of South Carolina: "If the conditions in the Mexican affair should necessitate a call for troops from the different States, the regiment that I have the honor to command would esteem it a high privilege to represent South Carolina in the first assignment. "The reputation of our State has always been more than sustained by the Second South Carolina, and I feel that the men composing my command will continue to retain a reputation that is prized so jealously."
