GEN. BROOKE'S REPORT.

As to Southern Posts and Seacoast Defenses.

WASHINGTON, Oct. 12.—General John R. Brooke, commanding the department of the east, in his annual report for the fiscal year, records the fact that since his last previous report he has visited and inspected, with a few exceptions, all the posts in that department. He is gratified at the progress made at all the artillery posts where modern armament has been installed.

The barracks at the infantry and cavalry posts he found inadequate in size and he recommends an enlargement.

General Brooke lays great stress upon the desirability of having the lonely and remote southern posts made as comfortable and attractive as possible for the garrisons. The present quarters at these posts, he says, are cramped, stuffy and generally uninhabitable, and few soldiers desire to re-enlist at these points once they have had a taste of the inconveniences.

He renews his former recommendation in regard to the possibility, in case of war, of an attack on seacoast defenses from the land side or the rear, and urges that the approaches from the direction named receive the attention which their importance demands. In an appended report of the acting signal officer of the department, Captain L. S. Lyon, it is recommended that experiments in wireless telegraphy be conducted with a view to its use in such harbors as Boston and New York.

DAUGHTER ROBNS FATHER.

South Carolina Woman Took Money, She Said, For Safe Keep'g.

SPARTANBURG, S. C., Oct. 12.—Mrs. Ritta Kelly, 35 years of age, was arrested at Beaumont Mills yesterday, charged with taking from her father, John G. Muller of Glenn Springs, \$800 in cash and \$900 in notes.

On Monday, 100, a will was missing from its hiding place.

The elder Muller in counting his cash at night, a custom with him for years, found the coin gone. The daughter had been at her father's home and for some reason she was suspected of having taken the money.

In the mattress on a bed in Mrs. Kelly's apartments was found a roll containing \$800 of the money, while the woman had with her some \$80. The two notes amounting to \$900, and the will were found. The will had been mutilated, the signatures being cut off.

Mrs. Kelly made no denial of the possession of the money and the will, on the contrary she declared that she had taken the property for safe keeping, as she thought the old man was irresponsible.

The money was deposited here and the daughter in no way molested after the deposit.

TO HEAD OFF THE SCALPERS.

Passenger Officials and Exportation Men to Try to Adjust Differences.

CHARLESTON, Oct. 12.—Passenger officials of the terminal lines in Charleston met in conference with Chairman Joseph Richardson of the Southeastern Passenger association and discussed the anti-scalping law Charleston's legislative body is expected to pass for the exposition period.

The exposition rates, already adopted by the association, will not be asked until it is known what council will do to the scalpers. The railroads have asked for a license of \$500, with certain restrictions, and the further request is made that the scalpers shall be placed under a \$2,000 bond.

The exposition company will take up the matter with the authorities, and it is probable that the law will be arranged so that ample protection can be offered the transportation companies and the traveling public.

To Entertain Minister Wu.

RUTHERFORDTON, N. C., Oct. 12.—G. W. Vanderbilt will entertain Minister Wu at dinner next Wednesday evening at his country home, Biltmore. The Chinese minister will arrive at Asheville Wednesday to attend the convention of the American Association of General Passenger and Ticket Agents, on which occasion Mr. Wu will deliver an address on the railroad system and the contemplated railroad enterprises of his country.

Preacher Sold Whisky.

FAYETTEVILLE, N. C., Oct. 12.—Six white and four negro prisoners, charged with illicit liquor dealing, are to be tried before the federal court at Wilmington. The most sensational case of the kind from here will be that of Rev. William Jackson, who was pastor of the St. Joseph's negro church in the northern part of town, built by the wealthy Mrs. Cochran. He is charged with bringing in liquor and selling it out to different persons.

New Bonds at Chattanooga.

CHATTANOOGA, Oct. 12.—The county court of this county has provided for the issuance of \$100,000 funding 5 per cent 20-year bonds. The issue was made necessary to liquidate a floating debt accumulated during the past two years. The issue is to be disposed of within 60 days. The county has a comparatively small bonded indebtedness and enjoys an excellent credit.

Biloxi Has \$15,000 Fire.

Rheumatism

Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will the aches and pains cease.

See a case of Rheumatism, N. E. Washington, D. C., writes as follows: "A few months ago I had an attack of Sciatic Rheumatism in its worst form. The pain was so intense that I became completely prostrated. The attack was an unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a leading medical college here. He told me to continue his presence and would get well. After having it flitted twelve times without receiving the slightest benefit, I decided to continue his treatment longer. Having heard of S. S. S. (Swift's Specific) in despatch however, to give the medicine a trial, and after I had taken a few bottles I was able to hobble around on crutches, and very soon thereafter had no use for them at all. S. S. S. having cured me sound and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health."

S. S. S. the great vegetable purifier and tonic, is the ideal remedy in all rheumatic troubles. There are no opiates or minerals in it to disturb the digestion and lead to ruinous habits.

We have prepared a special book on Rheumatism which every sufferer from this painful disease should read. It is the most complete and interesting book of the kind in existence. It will be sent free to any one desiring it. Write our physicians fully and freely about your case. We make no charge for medical advice.
