We direct attention to the advertisement of the Coe-Mortimer Co., of Charleston, sole agents for the celebrated Peruvian guano. It will pay you to communicate with this company, as it deals in the various kinds of high-grade fertilizers.

We have arranged with S. Oliver O'Bryan, Esq., to run the local side of our paper during the editor's absence at the legislature, and we will consider it a personal favor if our readers will assist him in all the ways by giving to him any kind of news value they may be able to gather.

The "Cantata Esther" will be produced in Summerton on Friday evening. This entertainment was to come off on the 21st of December, but was unavoidably postponed. The management, has taken advantage of the postponement to rehearse, and now it will be produced on the evening above stated.

Hirschman is to move into the store now being occupied by C. M. Davis & Co., and in order to decrease his stock he has put on a mammoth sale where he promises to cut the price of everything to save the expense of moving. Read his big ad in this issue, and then go to his store for meateats the Chinese or bargains.

Mr. W. H. Clark, Altoon, Fla., spent Saturday and Sunday in Manning, visiting his sisters and brothers. Mr. Clark is the eldest son of the late W. J. Clark, and has been away from Manning twenty years. The growth of the town and the many changes were very perceptible to him, and his old friends were glad to see him again at his home.

Cypress Camp W. O. W. No. 208, at Turberville, at its first meeting in this month elected the following to fill the different offices for the ensuing year: W. E. Gibson, C. C.; J. E. Broughton, P. C.; C. J. Smith, W. H. Cassine, P. C.; J. Smith, Lieut.; R. H. Gamble, Banker; J. C. Dennis, Escort; W. J. Turberville, Clerk; M. J. Morris, Watchman; J. W. Gamble, Sentry; J. Smith, J. P. Budin, P. P. Rowland, Managers. We meet on every 1st and 3rd Wednesday nights. Sovereign of other Camps invited to attend.

Married last Wednesday evening by Rev. R. L. Grier, at the home of the bride's mother, Mrs. F. J. McFaddin, about five miles west of Manning, Dr. James H. Hawkins and Miss Mabel McFaddin. The attendants were Miss Lula Hawkins, sister of the groom, and Miss Charlie Curtis of Paxville, Miss Mr. Harlowe with Mr. Henry B. Richardson of Pinewood, Miss Mayne Harvin and Mr. James Lockery of Charleston, Miss Annie Gregory and Mr. C. Alex Harvin. A course luncheon was served, and the bride and groom are spending their honeymoon at Magnolia the home of the groom's mother.

On last Friday night, Manning Bell died suddenly, aged 58 years. He ceased to be a Confederate soldier. He went into the war in Company I, 25th Regiment, under Captain Joseph Burgess. Friday afternoon he was in town in his usual health, went home, and played with his grandchildren, and after eating a hearty supper, he was attracted by his peculiar snoring, went to him and raised his head into a comfortable position, and when this was done he gasped twice and died. The funeral took place Sunday at Oak Grove.

Miss Annie R. Loryea requests us to announce that the "crosses of honor" for the Confederate Veterans of Charleston will be distributed from her residence on the 19th day of January, Gen. Robert E. Lee's birthday. We are sure many old veterans who are worthy of this decoration that are without it because of their modesty, but on Lee's birthday every modest soldier, and especially those who "faced the flashing of the guns" should come forward to receive that which is his right. Miss Loryea is an ardent "Daughter of the Confederacy," and we believe every "old gray" who calls upon her on the 19th instant will be made to feel at home, and he will carry away with him something besides a cross of honor.

Married last Thursday evening in the Manning Presbyterian church, Rev. M. A. Connors of Summerton officiating, Mr. Joseph Bunyan Harvin, of Silver, and Miss Sarah Harvin, of Silver. The attendants were, Miss Lizzie Wells and Mr. L. H. Harvin; Miss Harvin and Mr. Eugene Brock; Miss Leone Dulle, of Charleston, and Mr. Ben Harvin; Miss Margie Appelt and Mr. Hugh Belser; Miss Sumter Davis and Mr. George Tindal; Miss Gertrude Bradham and Mr. Alva Sublette; Miss Katie Clark, of Sumter, and Mr. Edmund Fairley; Miss Kate Plowden and Mr. Olin Caskrey, of Usher; Messrs. Frank Harvin, Miller, and White. After the ceremony a luncheon was served, and the newly married couple took the train for Charleston.

Married last Thursday afternoon near Florence, Mr. W. E. Jenkinson and Miss Louise C. Haynesworth. The bride and groom arrived in Manning Saturday night. The following account of the marriage was taken from the Sunday News:

Florence, Dec. 29.—At the beautiful country home of Mr. and Mrs. M. S. Haynesworth, about 3 miles from the city, Thursday afternoon Mr. William Eldridge Jenkinson of Manning, S. C., and Miss Louise Carolina Haynesworth of Florence, were united in marriage, the Rev. John G. Beckwith of Charleston, assisted by the Rev. S. A. Nettles, of Manning, performing the ceremony that made the two one.

The Haynesworth home was prettily and appropriately decorated for the event, and there was a very large number of guests present to witness the brilliant event, among the number being many townspeople of this place.

The reception committee consisted of the following: Mr. E. F. Douglas, Mrs. F. L. Wilcox, Mrs. B. W. Livingston, Miss L. B. Newman, Chas. E. Combs, and Arthur McCall, who in a very charming manner received the large number of guests, the reception room being packed when time arrived for the ceremony.

Mrs. H. E. P. Sanders of Darlington, grandmother of the bride, was dame of the bride and the maid of honor was Miss Emma Sanders, of Hagood, S. C.

Immediately after the ceremony the happy couple left for their wedding trip, after which they will be at home to their friends in Manning.

The groom is a popular and hustling young business man of Manning and is highly esteemed in the community. His bride is loth to part with this young bride, but all wish her a most happy married life.

A Great Outside Remedy.

Most pains are of local origin—a "crick" in the back, twinge of rheumatism, soreness all over arising from cold—are all cured by outside application. The quickest, safest and most certain method is Alcock's Plaster, known the world over as a universal remedy for pain. They never fail, they act promptly, they are clean and cheap. You can go right ahead with your work while the healing process goes on. Sixty years' use has given them a great reputation.

Summerton News.

Editor The Manning Times

After a remarkably quiet and well behaved Christmas our town is settling down to its normal life once more. The motto of this town is "Watch Us Grow," and ordinarily nothing is allowed to interfere with its spirit, but the pranks of Cupid are not easily thwarted, and this week He has reduced our population by two.

On Tuesday night at the home of her father Maj. J. Temple Frierson Miss Julia V. Frierson was married to Mr. Paul H. Seabrook, Jr. Among the many beautiful and valuable wedding presents was a Deed of Gift from the bride's father to some very handsome solid walnut and mahogany furniture that has been in the family for several generations. Miss Julia had during her short residence here won many loving and admiring friends and our well wishes go with her and her husband to their new home in the city of Spartanburg.

On Wednesday morning at the Episcopal Chapel, Miss Margaret Elizabeth Tennant and Mr. William Clarence Hane, Jr., were united in marriage. The earliest of the hour made it necessary to light up the Chapel, and this together with the tasty decorations, and the handsome gowns of the bride and her attendants made up a very pretty scene. The happy couple re-paired at once to the station and departed on the early train for their home at Fort Motte, S. C. Our well wishes go also with this young couple, and Miss Bessie will be missed by a wide circle of friends.

The Rev. John Kershaw, Jr., officiated in both of the above occasions, and we note with pleasure that on Sunday in the city of Charleston Mr. Kershaw will be ordained to the Priesthood by Bishop Capers in St. Michaels church. Mr. Kershaw has won his way into the hearts of the people of all denominations, and we are all glad to note his elevation in the ministry.

The Medical Association of Clarendon county held its annual meeting here on Thursday the 27th, in the rooms of the Summerton Library Association. The visiting doctors received a hearty welcome from the local physicians, and as usual a pleasant and profitable meeting resulted.

Great is the Northwestern railroad. On Christmas day, the regular passenger train upon its arrival here was deserted by its crew and laid up here for a considerable time. The reason of it all was that the crew had all gone to their homes for their Christmas dinner. We doubt if this feat has been duplicated, and must be unique in the history of railroading.

The Cantata, Esther, is announced for Friday night the 4th, of January and a good house is expected.

Rev. Mr. Jones the new Methodist minister preached his first sermon in Summerton and made a fine impression. His good nature goes with a twinkling eye. Brother Jones is well supplied. As is usually accorded to our new ministers he has received a cordial welcome by the community, and we wish him a prosperous and happy pastorate.

Mr. J. C. Lanham was seen coming down the street the other day apparently practicing the old staff. His friends know a teetotaler of the straight a loss to account for his

niums, he was disarmed of his weapon, which proved to be a beautiful gold headed cane recently presented to him by his fellow Masons.

Mr. Ad Walters has one of his compost distributors exhibited upon an ordinary wagon and is well adapted to sewing all kinds of compost and manures.

Mrs. J. K. Hane and Miss Hane of Fort Motte and Mr. Artimus Porcher were in attendance upon the Tennant-Hane marriage.

Messrs. Kennedy Rutledge and Malcolm Scarborough were at home Xmas from Wilmington.

Mr. Julius Burgess of Clemson is at home for holidays.

Mrs. A. J. Briggs and children are visiting at the home of Maj. R. R. Briggs.

Mr. J. J. Ragin of the A. C. L. is here for the holidays accompanied by Mrs. Ragin.

Rev. S. O. Catey is visiting relatives in town.

Rev. J. C. Bailey and family are visiting Mrs. Bailey's parents Mr. and Mrs. M. S. Catey.

Mr. L. L. Broadway will be with Capers Drug Co. after the first.

Mr. Lucian Strauss of Mayesville is town. He is a son of Mr. A. A. Strauss, who helped to make the new Summerton.

Mr. J. McFaddin Plowden has recovered from an attack of grip, contracted by over exertion in putting out an asparagus bed.

Mr. W. J. Holladay, of Brunswick was here this week. He is an old Summerton boy.

The new school building will not be quite ready for occupancy on the opening of school next Wednesday.

I have experience in running other makes of Stalk Choppers and I prefer the Avery to all other Machines. It does not require an experienced man to run it.

Millers' Best Customers.

The forty old million sacks of flour consumed yearly in the United Kingdom are mainly eaten in the form of bread. In the houses of the rich and in the best hotels bread is sparingly eaten, but among the middle classes and in workmen's homes it forms a considerable portion of the diet. As the latter families are the most numerous, it is not improbable that the children under sixteen consume about three-fifths of the total flour sold in the United Kingdom. In a commercial sense, therefore, the children are the millers' best friends.—London Milling.

Plant Food Problems.

Does your Land yield you a poor return for your labor and time?

Do you work hard accomplish nothing? This should not be so. Even the poorest soil can be made productive by proper cultivation and right fertilizing. But that is the problem—a problem that many farmers are worrying over.

Skilful culture will avail little if the plant is not properly nourished. A poor fertilizer is worse than no fertilizer, for it not only injures crops the year it is used, but injures the soil for years to come. Perhaps this has been your experience. If so give

Peruvian Guano

one trial and you will learn what a good fertilizer does. We are the sole U. S. Agents for it—import it Direct—and offer it to farmers pure and unadulterated. The Material Analyses:

POTASH, 2.00 Per Cent.

Buy Land!

The short crops in the vicinity of Manning have caused prices this fall not to advance as they did last year. Now is the investor's opportunity, as with reasonably good crops and prices next year's land will go much higher. Others think as we do. And here are two orders recently placed with us by two men from other counties, and the kind of men this county needs:

First. A farm, within easy reach of a high school and good churches, properly improved and costing from five to ten thousand dollars.

Second. A farm of from one to two hundred acres, within reach of a common school and good church, costing from three to five thousand dollars.

If you can't pay cash we will help you to borrow the money
