The town election for one alderman came off last Monday resulting in the election of Mr. C. R. Spott. There were two candidates Dr. W. E. Brown who received 53 and C. R. Spott 128, when the regular election for mayor and aldermen was held. Mr. Spott and Capt. W. C. Davis both received a majority but tied which necessitated another election. Captain Davis in a card last week declined to enter the race and requested his friends to support Mr. Spott, and he won as above stated.

They Fell Down.

There swooped down upon the town of Manning last Friday boys from the Sumter high school for the purpose of teaching the youth in this neck of the woods the handling of the sphere as it should be, and as it is in a city which bears the distinction of pennant winner. What Sumter does not think she knows about base ball is a caution to the fans of the nation. Sumter came, saw and was conquered, notwithstanding the earnest efforts of Skelley Levi, who was the twirling artist in the box, and Curley Haynesworth who received Levi's delivery, the city lads were put to the bad by the hayseed innocents of Manning. The game might have been interesting, but the boys were more evenly matched, but interest flagged as soon as it was seen that it was like taking candy away from a kid. The local boys went on the diamond with fear and trembling, and it was enough to make them quake, that were to play the city boys from the Sumter high school, think of it, and is it any wonder they were awed when the Sumter giants flung down their cigarettes and went at 'em to eat 'em alive, but what a difference there was when our boys found there was nothing to Sumter but boneheads and fumble-fists. Our boys threw away their fright, and put the Sumterites to wondering what it was they were up against.

Manning's battery was Wannamaker and Iseman. Sumter's was Levi and Haynesworth, very nice boys this Sumter battery but they need practice in Mama's back yard.

Take the game as a whole, if sympathetically for Sumter's disappointing surprise can be forgotten, it was very interesting. The boys acted like young gentlemen and took their defeat as gracefully as they could considering they had to go back to the city and tell their people how it happened. The following is the line up:

Let Justice Prevail.

To equalize town property, justly, under a recent law, the town councils of Manning and Summerton, are required to appoint assessing and equalizing boards for their respective towns. The purpose of this Act is to make every taxpayer bear a just proportion of the taxes imposed. This is right. The injustice of assessed values in Manning is apparent to any observing person. Property worth \$25,000 pays less taxes into the town treasury than other property worth \$8000. The injustice lies, in that the man of large property escapes, while the man of small property bears the brunt of taxation. The evil should be corrected, and council can do so if it will. This Act is, in our judgment not only just, but it is so important that council will not do its duty if it fails to select good business men for these boards, not men who own the most property, not the least, but men of property who can be fair and just to all. The following is the law:

An Act to Provide for a Special Board of Assessors, and a Special Board of Equalization for the Town of Manning and Town of Summerton, and to Create a New Section of Code of Laws of South Carolina, 1902, Volume I, which shall be known and designated as "Section 385a."

Section 1. There is hereby created a new Section of the Code of Laws of South Carolina, 1902, Volume I, which shall be known and designated as "Section 385a."

Section 2. annually by the Town Council of Manning and the Town of Summerton, respectively, on or before the first day of May, 1908 in each and every year, who shall have all the duties, powers, privileges and
