EDITOR THE MANNING TIMES,
Manning, S. C.

Dear Sir—

We wish to thank you and all of our friends for fine trade given us during the holiday season just past. We believe the MANNING TIMES "Ad." which we have been running for several weeks, has been responsible in great measure for the inquiries and trade which came to us from different parts of the county.

Commencing with the New Year it will be our intention to carefully study the wants of our many patrons and endeavor to give them a good selection at the most reasonable price possible.

We have now with us Mr. E. J. Robertson, an expert tinsmith. We are prepared to furnish estimates and do guaranteed work in this line, especially roofing, at any point in the surrounding country.

While our trade in the genuine Jas. Oliver Chilled Steel Plows (there are several imitations) has been good we still have a supply of one, two and three horse plows and full line of repairs in stock. To those who prefer Chattanooga Plows we can say that our line is complete. In fact, any kind of a plow can be bought of us at a price much below the average. We are the county agents for the justly celebrated Southern Cook Stoves, and our stock is complete. We are also one of the county agents for The Great Majestic Range. This range stands by itself as the par excellence of the stove builders art. Any one calling at our store will be shown a list of our purchases during the past ten days, and we are still selling them. A study of this list will effectively knock out the knooks of our competitors, who have hoisted themselves by their petard.

We still have a few miles of Pittsburg Perfect Fence which we are offering at a special price. We are daily expecting a carload of American and Ellwood Wire Fence. These are the superior lines of fencing. Our prices on these are below the surrounding markets. We have a well appointed stock of Hardware and its kindred lines. We expect to succeed by the merit of our goods, the living price, the fair and just treatment of our customers. Wishing again to thank you and our many friends, we are,
Yours truly,

Summerton Hardware Co.,

"Two bottles Cured My Rheumatism"

"I have been a sufferer from rheumatism for about two years, and have used many liniments and patent medicines which gave me no relief. A lady friend of mine told me she had used your Liniment and found relief at once. I got two bottles and they cured me. I think it is the best Liniment a person can have in the house. I shall always keep a bottle in my house as long as I can get it."—Mrs. E. R. WALLACE, Morrisons, Va.

Another Letter.

Mrs. JAMES MCGRAW, of 1216 Mandeville St., New Orleans, La., writes:—
"I take pleasure in writing to you that I had a pain in my arm for five years, and I used

SLOAN'S LINIMENT

for one week and was completely cured. I recommend your Liniment very highly."

Sloan's Liniment instantly relieves stiffness of the Joints, Sore Throat, Hoarseness, Sprains, Neuralgia, Sciatica and Lumbago. Better and cheaper than porous plasters.

Sloan's Treatise on the Horse sent Free. Address

DR. EARL S. SLOAN, BOSTON, MASS.

Exclusive.

At an evangelistic service at Glasgow the preacher at the end of his address cried, "Now, all you good people who mean to go to heaven with me, stand up!" With a surge of enthusiasm the audience sprang to its feet, all but an old Scotchman in the front row, who sat still. The horrified evangelist wrung his hands and, addressing him, said, "My good man, my good man, don't you want to go to heaven?"

Clear and deliberate came the answer, "Aye, Aww gamin, but no wi' a pafsonally conducted pairty!"—St. James Gazette.

Kindly Fruits.

The expression in the prayer book "Kindly fruits of the earth" has for most persons no definite meaning on account of the difference in significance now attached to the word kindly from that used when the expression was first written. The word kindly in that connection meant as nearly as possible "of its kind," and the expression "kindly fruits of the earth" meant "the fruits of the earth each after its kind."

Why Waste His Breath?

Teacher—Now, Tommy, suppose you had two apples and you gave another boy his choice of them. You would tell him to take the bigger one, wouldn't you? Tommy—No, mum. Teacher—Why? Tommy—Cos 'twouldn't be necessary.—Suburban Life.

Fairly Warned.

He—My dear, I can't afford to buy you that hat. She—Still, you'd save money if you did. He—How so? She—Because I'll just be ill if I don't have it, and you know what doctors' bills are.

Hit Both Ways.

"It ain't no fun bein' a kid," observed a boy bitterly. "You always hafter go to bed when you ain't sleepy an' git up when you are."—Toledo Blade.

It is worth a thousand pounds a year to have the habit of looking at the bright side of things.—Johnson.

Attack Like Tigers

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Badahn, of Tracy, Calif. "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them. 50c at all druggists.

Cliff of Natural Glass.

A cliff of natural glass can be seen in Yellowstone park. It is half a mile long and from 150 to 200 feet high, the material of which it consists being as good glass as that artificially manufactured. The dense glass which forms the base is from seventy-five to a hundred feet thick, while the upper portion, having suffered and survived many ages of wind and rain, has naturally worn much thinner. Of course the color of the cliff is not that of natural glass—transparent and white—but is mostly black and in some places mottled and streaked with brownish red and shades of olive green and brown.

Sore Throat and Chest

I am so enthusiastic concerning the virtues of

HUNT'S LIGHTNING OIL . . .

that I always keep a bottle of it in the house, and to my particular friends I give a bottle unless they live so near that I can pour out from my own supply to tide them over any trouble. I use this liniment for colds, rubbing it on my throat and chest as a counter irritant . . . I won't say any more but you see how enthusiastic I am.

It will soon be time for our Spring Goods to arrive, and in order to make room for them we have decided to sell our Fall stock out at reduced prices. Now we do not expect to advertise that we are going to have a big sale and sell goods at cost, for no business can afford to pay freight and insurance on a stock of goods and then sell it out at cost unless they are going out of business. We do not care to carry the Fall stock over until next Fall, so beginning on January 30th and lasting until February 8th, we will offer our Fall goods at a bargain.
