SUMTER, S. C.

"The Store Accommodating." Right in front of the Postoffice.

We are Going to Sell Out Our Entire Stock of **CUT GLASS** AT **25 Per Cent. Discount. FOR CASH.**

and we are going to keep a full stock of it all the time to sell at the same discount prices. This is not cheap store Cut Glass, but the very best that can be sold for considerably more than we ask for it. Call at **ARANT'S DRUG STORE.** and see it before buying elsewhere.

What 26 Years Has Taught Us!

- That Perfection is a Slow Process.
- That style in Clothes is a matter of instinct coupled with Judgment.
- That good workmanship and Clothes is the only royal road to success.
- That the public has no charity for offenders, but dots on a winner.
- That to give distinction to dress is remembered, even to the end. And finally,
- That if you have not called on us yet, it is only a matter of time when you will.

"Cured"

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die, I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."

TAKE Cardui

The Woman's Tonic

Cardui helps women in time of greatest need, because it contains ingredients which act specifically, yet gently, on the weakened womanly organs. So, if you feel discouraged, blue, out-of-sorts, unable to do your household work, on account of your condition, stop worrying and give Cardui a trial. It has helped thousands of women—why not you? Try Cardui. E-71

Appropriate Excuse.

"Before the establishment of righteous courts and trials by jury, where justice could be obtained," explained the teacher, "persons suspected of certain crimes were tried by what was known as the 'ordeal.' One of these was the 'ordeal of fire.' Hot plowshares were laid at short intervals along the victim's path, and the suspected person was blindfolded and compelled to walk over them. If he succeeded in doing it without stepping on the hot irons he was deemed innocent. But if he received burns he was adjudged guilty. Who would submit to such an ordeal now? Johnny, would you?"

"No, ma'am," said Johnny.

"And why not?"

"I'd get cold feet."—Cleveland Plain Dealer

Women Who Get Dizzy.

Every woman who is troubled with fainting and dizzy spells, headache, headache, weakness, debility, constipation or kidney troubles should use Electric Bitters. They give relief when nothing else will, improve the health, adding strength and vigor from the first dose. Mrs. Laura Gimes, of Avoca, La., says, "Four doctors had given me up and my children and all my friends were looking for me to die, when my son insisted that I use Electric Bitters. I did so, and they have done a world of good. I just try them. 50c. and \$1.00 at all druggists or by mail. H. E. Bucklen & Co. Philadelphia or St. Louis. Advt.

They Don't Want Strangers.

In the northwestern part of Switzerland, far from the tourist's path, is a little town, Selzach, where for more than 250 years watchmaking has been the chief industry. "There are no machines in the place for the production of watch parts—the men work as did their fathers and grandfathers," says the Berlin Post. "A feature of the place is the Fassion play, produced every summer by the watchmakers and the members of their families. These simple people have succeeded in maintaining for their play a modest dignity and have not allowed it to become commercial. The few notices of the Saturday performances which one sees in the neighboring places contain the information that the town 'cannot accommodate many strangers.'"

Avoid Sedative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers. Advt.

The Poison in Poison Ivy.

Poison ivy has long been a mystery both to scientists and laymen. Why and in what manner it causes the peculiar rash and irritating inflammation have puzzled both botanists and physicians. But Dr. Minaude of Paris says his study of the plant shows that poison ivy contains prussic acid. This is found principally in the young leaves and buds. In older leaves there is very little of it.

In three and one-half ounces of young leaves there is about a quarter of a grain of the acid.

As with other plants in which prussic acid is found, the poisonous substance does not exist in its perfect form, but develops as soon as the leaves are bruised, a chemical action being set up through the union of an enzyme with a glucosid.

Can You Doubt It?

When the Proof Can Be So Easily Investigated.

When so many grateful citizens of Manning testify to the benefit derived from Doan's Kidney Pills, can you doubt the evidence? The proof is not far away—it is almost at your door. Read what a resident of Manning says about Doan's Kidney Pills. Can you demand more convincing testimony?

William Hill, Manning, S. C., says: "My kidneys were badly disordered and the kidney secretions contained sediment. I also had backache and pain in my joints. When I heard of Doan's Kidney Pills, I began using them and it was not long before the backache and lameness left me, together with the other symptoms of kidney complaint. I know what Doan's Kidney Pills will do and I am convinced of their merit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
