Notwithstanding the conclusions of the employed expert of the grand jury these who are competent to make calculations in interest have gone over the calculation, and they assure us that the present one mill levy is sufficient to pay the interest on the court house bonds, and which bears interest to pay off the entire court house debt in the time specified in the bond. To comply with the recommendation of this expert the taxpayers would raise about three times the money necessary.

There will be a picnic at Turberville, under the auspices of the Woodman of the World on Saturday June 20th, which everybody is invited to attend with well filled baskets. The committee in charge will arrange to have notable speakers for the occasion who will discuss woodcraft. Everybody knows what a picnic means in the Turberville section, it means a great big and glorious time.

Died last Thursday night at her home in Turberville, Mrs. Jessie Buddin, aged 71 years, wife of Mr. Jesse M. Buddin. The deceased was married last December and was a general favorite in her community. Mrs. Buddin had been ill about three weeks, and all that medical skill and devoted attention could do was done, but it was not to be and she passed to her eternal home. Burial was made at the home of Miss Jane Turberville, a daughter of the late S. C. Turberville, and she leaves surviving two sisters, Mrs. I. N. Pittman, Miss Marie Turberville, and five brothers, Messrs. Daniel, John, David, and Sam. The funeral was conducted by her pastor Rev. P. K. Rhoads, and the interment took place in the church yard of the Pine Grove Methodist church, of which church she was a member.

Messrs. E. C. Glenn of Louisiana, and D. P. Brown of Texas, interested in the Carolina Cypress Company, with headquarters at Charleston, were in Manning yesterday on their way out to their property interests. This company owns the land in Dixie Bay, Woods Mills Bay, and a large quantity in Black River. Mr. Glenn's business at present is to find a suitable location for his plant, which he says will have a capacity of about \$100,000 per month, and the plant will cost in the neighborhood of \$200,000. One of the troubles he is experiencing is to get his plant so located that he will not run counter to the rulings of the interstate railroad commission, and the tap lines of the supreme court. His company may have to build a railroad, if it does he thinks favorably of bringing it on to Manning, providing he can secure concessions from the landowners along the route. Manning needs enterprises, and it is to be hoped Mr. Glenn's company will receive every encouragement to locate here.

To acquaint ourself with the expert's report to the grand jury we went to the office of the clerk of court and read it over, but we must confess that we are unable to glean much information from it. The document is a large one and it will take a member of the grand jury or expert to explain its many ramifications. The most we can gather he assumes the county is involved in debt. There is nothing in the report to indicate any misappropriation of funds, but the county is in debt. This expert makes a number of recommendations which may or may not be heeded. It is to be hoped that the county will pay the interest and pay off the bonds. Mr. W. Harris & Co. of New York, the purchasers of the bonds think differently, they bought the bonds and paid out their good money for them, and we hardly think they would be handling the money if they were not. The expert's first having made a thorough investigation to know whether proper provision has been made to pay the debt at the expiration of the time. But he is considering Mr. Searson's court house bond recommendation, they say he is away off in his count, instead of raising only the necessary amount to liquidate the debt, the amount raised as per his recommendation, would be far in excess of what will be necessary.

Harvin-Barrison. One of the coming social events of the season will be the nuptials of Mr. J. W. Harrison and Miss Susan Harvin. The following card has been issued:

Mrs. W. Scott Harvin requests the honor of your presence at the marriage of her daughter Susan Brock to Mr. James W. Harrison on Wednesday the seventeenth of June one thousand nine hundred and fourteen at half past eight o'clock in the evening at the Church of the Manning South Carolina.

Liberal Offers. Wherever Rev. Baxter McLendon conducts a meeting his preaching and personality produce favorable impressions, and the people follow him to other places where his meetings are held. The good substantial citizens of Mcbee offered him a choice building lot free of cost, and would erect him a home if he would make his home here. Mr. R. L. Kirkwood, of this city, learned of the Mcbee liberal proposition, and he hunted up Brother McClendon Tuesday afternoon and told him that he owned three or four acres of land in Baxter Bennettville, and if he would accept one, that he would immediately transfer it by deed free of cost; provided he would reside in Bennettville. Brother Mac is considering both propositions, the presence and residence in any county of a member of the First Baptist Church enhances the value of property more than banks and business houses.—Pee Dee Daily.

A Great And Growing Meeting. It would be needless for the writer to say that the Rev. B. F. McLendon will make good in this town. Those who attended his initial meeting last Sunday night, in the gospel tent, and there was a congregation of about 700 souls, will not soon forget the earnestness of this earnest man, and his many pointed, if homely expressions, all of which went straight to the spot he aimed at, and as some one expressed it, there were many under the sound of his voice furling their skins were as thick as that of a rhinoceros, needing no stimulation to soothe the lacerated spots he inflicted by his words castigation. He told truths and imparted knowledge as he went along. No man with Mr. McLendon's zeal and earnestness can be other than a firm believer in his teachings, and before his meetings have been concluded, we expect the casting up will show he has done a wonderful work in this community. He has a service every afternoon and evening, and those who can go will be profited by attending. The next morning after the first meeting the evangelist was the talk wherever two or more persons came together. Some criticized his English, others did not approve of what they termed coarseness, but all agreed that he preached from Holy Writ, and that he gave it to his audience with sledge hammer blows. We have heard other evangelists and we think we are safe in saying this man has made a great impression, and it will be a great boon to every man, woman and child old enough to understand to devote some of their time to attending the service.

Masonic Tribute.

The following resolutions in memory of the late Rev. J. A. M. M. Peters Lodge, No. 54, F. & A. M. Whereas, the Supreme Council of the Universe, in whose we believe, and who doeth all things wisely and well, although we often cannot understand his work, has seen fit to cause the mighty Reaper of Death to invade the ranks of our Lodge and remove from among its members the noble and true Mason, in the 48th year of his age and while in the prime of manhood; Now, therefore, be it resolved by St. Peters Lodge, No. 54, Ancient Free Masons of Manning, South Carolina:—

1st. That the lodge has lost a true Mason, one who believed in the tenets and teachings of our order, and who endeavored to uphold the principles for which our order stands.

2nd. That each member of our craft has lost a great friend and a sympathetic brother, one whose nature was filled with the milk of human kindness, and whose heart was full of love for his fellowman, and who was ever and always ready to assist, and to sympathize with any brother in distress or need.

3rd. That since we have consigned his body to earth when it came, we also cherish his memory in our hearts, and commend his soul to God who gave it, and extend our sympathy to his bereaved relatives.

4th. That these resolutions be spread upon our book of minutes, and that a copy be engrossed and presented to his family.

J. H. LESSENE, LOUIS APPERT, CHARLES B. GEIGER, Committee.

School Closing.

A very successful year's work has just come to a close in the Manning graded school. The final commencement exercises were held last Friday night, when eight boys and nine girls received their diplomas. This was the largest class in the history of the school, and it was one of the best. The graduating exercises consisted of ten papers prepared and read by ten members of the class.

They were as follows: Robert Bradham, "Our National Government," and salutatory; Miss Jennie Bowman, "The Rural Free Delivery," Miss Rose Ervin, "The Sphere of Missions," Miss Jimmie "Woodrow Wilson;" Jerome Hirschmann, "Ocean Transportation;" Choivine Sprott, "Our State Government;" Joe Burgess, class history; Miss Fannie Bradham, class prophecy; Miss Celeste Ervin, class will; Miss Allen Fladger, "The Bonded Life;" and valentidary. The Loryea medal is awarded annually to the first honor graduate, and this year, it fell to Miss Aileen Fladger.

Excellent selections of music were interspersed throughout the exercises. The eighth grade exercises which consisted of declamations in contest for a gold medal, offered by the Peoples Bank to the best declaimer. Those declaiming were Myrtle Bowman, Jennie Burgess, Mildred Ervin, Beulah Johnson, Annie May Mahoney, Irma McKelvin, Carolyn Plowden, Marie Rice, Isabella Thomas, Georgie White, Beulah Williams and Julia Wilson.

The medal was awarded to Georgia White with honorable mention of Julia Wilson.

The ninth grade held its exercises on Thursday night in the form of a debate on the question of woman's suffrage. The affirmative was upheld by three girls, Elizabeth Coskey, Netta Levi, and Sue M. Sprott; and the negative was argued by three boys, James Barrow, Berry Sprott, and William Wolfe. It was an excellent debate, the like of which probably had not been heard before. Each debator did very well indeed. The question was decided in favor of the negative, and the medal, offered by the Bank of Manning for the best individual debator, was awarded to Berry Sprott of Foreston.

Music was furnished by Misses Appelt, Bradham, and Mr. Charles Wells. The commencement sermon was preached in the Presbyterian church on the Sunday previous, by Rev. J. L. McLees of Orangeburg. His subject was the story of Moses in giving up a life of ease to lead his people out of bondage through hardship. It was one of the most powerful sermons ever heard in Manning.

On the whole the closing exercises of the graded school were most pleasing and showed progress and excellent training.

We have one of the very best schools in the State, and it is fortunate for any child to have such association as the pupil body of our school. Everybody's child is cared for perhaps, more closely than it is at home. We are told that the discipline is well nigh perfect, and the organization is wonderful. Out of 369 pupils only 5 have been flogged since Christmas. Out of a possible 65,000 tardies there have been only 36, a percentage of 0.055.

Anything you want in sheet music S. I. Till has it. All 25c. music 15c. 50c. music 25c. by mail postpaid. This department is in charge of Mrs. W. F. Ducker, phone 630 Sumter, S. C.

Clarendon is Being Sued.

It will be recalled that mention was made in The Times of Madison Cantey applying through his attorneys, Davis Station, for letters of administration of the estate of Marion Cantey, who it is alleged was taken from the custody of an officer while on the way to jail, and violently assaulted, which resulted in his death. The letters have been granted and the county commissioners have been served with the summons and complaint to answer to a suit for \$2,000 damages. There have been several lynchings in this State, but we have never heard of but one suit brought against a county, that was in Orangeburg, and this case has not yet been determined. We are not sure whether a judge can direct a verdict in a case like this, if he can, then there is a chance of the attorneys getting a verdict, and in any case, it is our opinion, there will have to be a convincing evidence to justify a verdict of \$2,000 against the county. The papers are as follows:

State of South Carolina, County of Clarendon, Madison Cantey, Administrator of the Estate of Marion Cantey, deceased, Plaintiff against Clarendon County, Defendant.

COMPLAINT. The plaintiff, as administrator as aforesaid, complaining of the defendant alleges: That at the times hereinbefore mentioned the defendant was and still is a body politic and corporate, duly created by and organized under the laws of this State.

That on or about the 22nd day of February, 1913, Marion Cantey, a resident of the County of Clarendon and State aforesaid, was arrested under a warrant issued by L. S. Barwick, Esq., a Magistrate in and for the said county of Clarendon, and was taken to the jail at Manning, S. C., and there held in custody, and thereupon the defendant, being a man of good reputation and of lawful age, was taken to the jail at Manning in said county, and between one and two o'clock of the
