

# THEY ARE HERE!

---

## We have just unloaded our First Car of HORSES AND MULES

---

of the season. This is one of the finest bunch of stock ever shipped to South Carolina. We want our patrons to come in and look them over before they are sold. The grade of Mules and Horses in this lot is hard to get and we want you to see them before they are gone. In this bunch you will find

*Driving Horses, Saddle Horses, Draft Horses,*

and in fact any kind of Horse you want. The Mules are the best to be had and will work anywhere.

## Our Line of FARM MACHINERY is

---

complete, and you can get the repairs right here in stock---we keep them. Remember, we carry the celebrated Champion Mower--the best ever.

If you are thinking of buying an Automobile see us and let us talk it over with you. Our Line of Patterson and Grant Six Cars can't be beat.

Remember, folks, our guarantee goes with everything we sell. When in town make our Stables your Headquarters---we are glad to serve you.

Also, we handle the best makes of Buggies, Wagons, Harness, Saddles, etc., that can be bought. Our line is always complete and ready for your inspection. Come to see us.
