SUPREME TRIBUNAL RULES GRACE OUT Watts Files Dissenting Opinion. Another Primary Must Be Ordered. The municipal election in Charleston, held August 19, was yesterday declared null and void by the supreme court in so far as it applies to the office of mayor. The opinion was written by Associate Justice Hydrick and is concurred in by Chief Justice Gary and Associate Justice Fraser. Associate Justice R. C. Watts filed a dissenting opinion, Associate Justice Gage joining Judge Watts in this. In the majority opinion the court held that the action of the executive committee in referring the challenged votes to a subcommittee was an error of law and prejudicial to the rights of the petitioner, Tristram T. Hyde. It is also held that the executive committee erred in refusing to consider the alleged mutilated votes. The difference in the votes between Mayor Hyde and John P. Grace was so small, it is emphasized, that a proper consideration of these by the entire committee might have changed the result. The court contended that neither the rules of the party nor the election statute justifies the manner in which the contested votes and mutilated ballots were disposed of by a subcommittee. Judge Watts contended in his contrary opinion that the question was one dealing wholly with the political branch of the state and was beyond the province of judicial power. The committee declared the result, acting within the scope of the authority

vested in them. Their decision on the facts are final and no errors have been committed, and I think the proceedings should be dismissed," he said. SUGAR EQUALIZATION BOARD QUILTS THE JOB Washington, Nov. 10.—The United States sugar equalization board, telegraphed Senator McNary, Republican, of Oregon, in charge of the senate sugar investigation, that it was preparing to "wind up its activities" in view of inability to obtain sufficient sugar from Cuba to warrant further government control. In spite of the board's advice, Senator McNary said the senate would proceed to enact legislation designed to aid the public in the sugar shortage, and also provide for continuation of the board, even should the present members resign. A meeting of the senate agriculture committee was called for Saturday to act on CLERK'S SALE. State of South Carolina, County of Lexington. S. L. Rish, et al., Plaintiffs, versus Mary Rish, et al., Defendants. —Court of Common Pleas. By virtue of authority vested in me by order of the Court in the above entitled cause, I will sell before the Court House door, at Lexington, S. C., during the legal hours of sale, on the first Monday in December, the same being the first day of said month, to the highest bidder, the following described real estate, to wit: (a) "One tract in said County and State, containing forty seven (47) acres, more or less bounded on the north by Alewine, on the east by Ellen Roland, on the south by lands of Mary Taylor, and on the west by J. A. Berry." (b) "One tract containing one hundred thirty four (134) acres, more or less, bounded on the north by Minnie Dooley, on the east by Mary Shealy, and estate lands of Ellis Sharpe, on the south by lands formerly of Mary Taylor, and on the west by Ellen Roland." Terms of Sale: Cash, purchaser to pay for papers, recording fees and revenue stamps. H. L. HARMAN, Clerk of Court. Nov. 11th, 1919.

pending legislation. Senator McNary said the sugar board's plans evidently were due to the committee's refusal to enact legislation to provide for licensing of sugar and dealers. The committee now plans, he said, to present a bill continuing the board and authorizing it to purchase Cuban sugar. A QUESTION OF TASTE. One morning Mr. Smith was heard talking to himself while making his morning toilet in a manner that denoted much perturbation. "I wonder," said Mrs. Smith, "what's provoked father now?" "Oh, it's nothing much, mother," answered little William. "I just put a tube of sister's oil paints in place of his tube of tooth-paste."
