HOUSEWIVES

Do you want to know about a wonderful new time, health and money-saving kitchen convenience?

Then you should see the complete line of "1892" Pure Spun Aluminum Cooking Utensils now on exhibition at your dealers.

This ware is guaranteed by the makers for 25 years. It is absolutely pure, wholesome and thoroughly hygienic, will not crack, scale, peel, break, rust, tarnish, scorch or burn.

It is light weight, easy to handle and easy to clean; makes kitchen work a delight instead of drudgery; saves your money, time, fuel; protects your health against metal poisoning and serious troubles resulting from chipping of small particles into the food, which is one of the dangers from the use of the old style enameled wares.

You buy patent carpet sweepers, egg-beaters, dish-washers, clothes-wringers and many other time and labor saving conveniences, but there is nothing that will prove a greater practical household blessing than the "1892" Pure Spun Aluminum Ware.

Lose no time in seeing for yourself what it will do. Your money back if this ware fails to do what is claimed for it.
