The mill has closed down for the summer season and the mill workers are enjoying a well-earned rest.

A concrete pavement has been laid from the corner of McLaurin's Pharmacy on Harrison street down to the Dillon Live Stock Co's. Stables.

Council has under consideration a proposition to arch the big ditch from Cleveland street down to the Palmetto Warehouse. Engineer Beatty has submitted a bid on the work.

The office of the Hamer Mill has been moved to the mill offices at Dillon. All three mills, Dillon, Maple and Hamer, are now under the management of Mr. W. M. Hamer.

There was no preaching at the Baptist church last Sunday morning, the pastor, Rev. H. A. Willis, being at Louisville where the Southern Baptist Convention was in session.

Your chance to buy regular \$1.50 standard books by popular authors at 75 cents is limited to the stock now on hand. The fall stock will be sold at usual prices—\$1.50. Herald Book Store.

The Herald would like to get good live correspondents at Hamer, Little Rock, Latta and Judson. We want the news from these towns every week. If you are interested and think you can do the work write at once for terms.

In order to encourage trucking Mr. Bonsall, who is building the N. & S. C. railroad, announces that he will build a siding where any farmer will agree to plant as much as a car load of melons for shipment.

Big book values! Our stock of standard books by popular authors now going at 75 cents. Sells everywhere for \$1.50. These prices last till present stock is exhausted. Nicely bound; an ideal gift. Herald Book Store.

During the past few days Little Pee Dee has been in excellent condition for fishing and local Nimrods have been having wonderful luck with the finny tribe. There have been some big hauls made of the robin, an excellent fish for which the river is famed.

Miss Edna David, of Dillon, received her diploma as a public reader from the School of Expression, Boston, on Thursday, May 13, when the graduation exercises were held in the afternoon, followed by a reception to the trustees and teachers.

While driving down to Latta Wednesday Mr. J. F. West's horse got frightened at an automobile and ran away, throwing Mr. West against a telephone pole and badly injuring him. The buggy was badly demolished. In the buggy with Mr. West was Mr. H. L. Clark, night operator at the A. U. L. depot, who escaped without injury.

The Herald regrets to announce that Mrs. C. M. Paylor who is in the hospital at Goldsboro for treatment, is not doing so well. Mr. Paylor left last week for Goldsboro to remain with her a few days.

Mrs. Max Fass and mother, Mrs. Witcover, are visiting relatives at Mullins.

FOR SALE—Cheap to quick purchaser 3 h p gasolene engine, used only 3 months. In good condition. Excellent size for pumping sawing, lighting or feed cutting purposes. Apply quick at The Herald office.

The sympathy of the community goes out to Rev. W. C. Kirkland in the death of his mother which sad event occurred at Olar, in Barnwell county, on Saturday last. Mr. Kirkland was at the bedside of his mother when the end came, having been summoned home about ten days ago.

In the absence of Rev. W. C. Kirkland the pulpit at the Methodist church was filled Sunday morning and night by Rev. E. O. Watson, presiding elder of Marion district. At the morning service Mr. Watson delivered a sermon of such unusual force and eloquence that it was highly complimented by quite a number of people. The consensus of opinion was one of the strongest (if not the strongest) sermon ever delivered in Dillon.

Col. Clarence Moore, one of the largest farmers and best known citizens of the Pee Dee section, spent a few hours in Dillon Thursday, having come over from Cheraw in his automobile to the races at Latta the day previous. Col. Moore formerly lived in Marlboro county, but sold out there some time ago and moved to Cheraw where he bought a large tract of land. He is one of the largest farmers in the state, his cotton crop, it is said, averaging 1000 bales annually.

The automobile garage has leased from W. M. Hamer the Harrelson building on East Railroad avenue and will establish headquarters there in a short while. The garage is well-equipped for repairing autos and has had a splendid run of business ever since it was established. It is the only auto repair shop between Florence and Fayetteville and gets a large out-of-town patronage.

Mr. James Watson, of Dillon, received his diploma as a teacher from the School of Expression, Boston, on Thursday, May 13, when the graduation exercises were held in the afternoon, followed by a reception to the trustees and teachers. This well known school is celebrating the twenty-fifth anniversary of its establishment as an independent institution. During its quarter century of activity many noted artists have been graduated from its classes in literary and vocal art.

The editor of The Herald is in receipt of a letter from Henry T. Edens who is up in the Carolina section nursing Capt. Arch Sinclair back to health. The Captain has been indisposed for some time, but Henry writes that he applied his rabbit foot and now the Captain says he feels like following Lee and Jackson over the hills of Vicksburg again. The Captain has many friends all over Marion county who earnestly hope that he will soon be restored to his former rugged health and that he will be spared to them for many years to come.

Don't forget that Salmon Novelty Works is prepared to do all kinds of fine work.

"1892" Pure Aluminum Ware

Will Not Rust, Crack, Break, Scorch or Burn

Cheapest Because Best Will Last a Lifetime

HERE, at last, is the ideal kitchen and cooking utensil—"THE WARE THAT WEARS"—made from Pure Spun Aluminum, and guaranteed by the makers to last 25 years with average usage. "Spun" Aluminum, mind you, not cast Aluminum, which will sometimes crack and scale. Spun Aluminum Ware will never crack, peel, scale or break.

Costs a trifle more than ordinary enamel ware, but is many times cheaper in the long run, because of its wonderful durability and fuel saving. Enamel ware is iron coated with colored glass. Iron expands with heat. Colored glass does not, but chips off into the food with dangerous results to those who eat it.

That the use of enamel kitchen ware causes cancer is a view held by some eminent medical authorities. Dr. William H. Diefenbach of New York, in a paper entitled "Observations on the Etiology of Cancer," read before the Bureau of Sanitary Science and Public Health during the session of the International Homeopathic Congress at Atlantic City, discussed this subject.

According to a special dispatch to the Philadelphia North American, Dr. Diefenbach advanced the argument that chipping

of the hard-coated dishes used in preparation of meals allowed minute but dangerous particles of foreign matter to become mixed with the food, these being taken into the stomach, where the cancerous growth is caused by abrasions which they make in the walls of the organ.

"1892" Pure Aluminum Ware saves doctors' bills. It enables you to bake bread, pies, pan cakes, etc., without grease, which is the great cause of dyspepsia and indigestion. Aluminum griddles require no grease; hence are smokeless and odorless.

"1892" Pure Aluminum Ware will not scorch or burn, is easily cleaned, will not rust, or corrode. Handsome in appearance. Looks like silver, but weighs only about one-fourth as much, and is light and convenient to handle.

The original and only genuine Spun Aluminum Ware is made by the Illinois Pure Aluminum Co. at Lemont, Ill. Every piece bearing their trade-mark, the Maltese Cross, and marked "1892" Pure Aluminum Ware is absolutely pure, wholesome and hygienic, and guaranteed for 25 years.

See that you get the right goods and accept no substitute.
