

LANCASTER MILLS CLOSE.

Notice Follows Demands of Textile Union.
A Lancaster special of Tuesday says that the Lancaster cotton mills, employing about 1,800 operatives and having 140,000 spindles and 3,000 looms, will close down indefinitely next Tuesday to avoid friction with the textile union, according to an official notice posted by the management Tuesday which read as follows:

"The textile union having made demands upon the Lancaster cotton mills which cannot be granted, therefore to avoid friction this mill will close down indefinitely one week from this date."

The posting of the notice followed a conference Tuesday between a committee representing the local textile workers' union and the officials of the company, at which demands decided upon by the union at a meeting Monday night were presented and rejected. The nature of the demands was not made public.

Col. Leroy Springs is president of the Lancaster cotton mills. He also is president of the Fort Mill Manufacturing company, which operates the two local cotton mills.

Officers Seize Whiskey.

Horace Johnson, State constable, and W. D. Potts, Fort Mill police officer, Saturday afternoon seized 12 1-2 gallons of corn whiskey which they found hidden in the woods near Bailes' bridge, two miles south of town. The whiskey was in half gallon fruit jars and was valued at about \$250, according to the price at which similar whiskey is now sold, said Officer Potts.

Saturday Constable Johnson was in Rock Hill and while there he saw a man he had reason to suspect was a liquor runner from across the line in North Carolina. Later in the day he came to Fort Mill and after a conference with Officer Potts they decided to search the woods near Bailes' bridge. The liquor was located in a few minutes. No arrests have been made in connection with the seizure.

Church Telephone at Bedside.

The Berean Sunday school class of the Fort Mill Baptist church recently has had installed in the church a telephone with transmitter which connects with the bedside of Mrs. R. G. Kendrick, invalid, at her home on Claiborne street, so that she may hear the sermons of the pastor and the music of the choir and congregation. For several years Mrs. Kendrick has been unable to attend church services.

Theford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.—The efficiency of Theford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver."

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Theford's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Theford's. **2x**
