**SHORT LOCALS.**

**Brief Items of Interest Throughout the Town and County.**

California oranges, pears and grapes at G. A. Duckers & Brother's. A bale of cotton sold here last week for \$109.95. Can any other market beat this so far?

The county board of registration will be at Denmark Tuesday, September 20th, to register voters. See the new ad. of C. H. Dorsett, the real estate man, in this issue. He offers lots for sale at Denmark.

Miss Georgie Emma Jordan has our thanks for a box of very nice grapes and pears, which were much enjoyed.

The Bamberg graded school opens this (Thursday) morning. Parents are cordially invited to be present at the opening exercises.

Bamberg's legislative delegation for the next two years will be composed of J. B. Black, Senator, and J. A. Hunter and W. L. Riley, representatives.

The protracted meeting at the Baptist church commenced last Sunday. The pastor, Rev. O. J. Frier, is being assisted by Rev. Louis J. Bristow, of Williamston.

The play, "Diamonds and Hearts," will be given at the Colston school house Friday, September 16th, at 8 o'clock p.m. Admission fee 10c. and 25 cents. The public is invited.

Political advertisements again claim a large part of The Herald this week. The candidates want to reach our readers—they need the votes and we need the money these ads. bring in.

Mr. J. J. Jones made a trip over in Georgia last week and was in a railroad wreck where the engineer of the train was killed. Mr. Jones was not hurt, but was forced to lie over at the scene of the wreck all day.

The first bale of cotton sold in Ehrhardt for fourteen cents, in Branchville the first bale sold for 14 1-2 cents, while in Bamberg the first two bales sold for fifteen cents each. As usual, Bamberg is paying the top of the market.

The Rock Hill Buggy Co., of Rock Hill, S. C., is now engaged in the manufacture of automobiles. They are also making the celebrated Carolina grade buggies. Better than ever. A little higher in price—but G. FRANK BAMBERG.

At a meeting of Confederate Veterans held here last Monday, the old county board of pensions was re-elected and Mr. C. R. Clayton, of Ehrhardt, was re-elected pension commissioner for Bamberg county. Sheriff J. B. Hunter is chairman of the board.

The result of the election in this county has been accepted by the candidates and the voters without any bitterness. Even in the close race for representative there was no contest, and the result was accepted by Mr. Milley without any soreness on his part. He is to be commended for this spirit, for, to be frank, it is unusual.

Ladies, we are receiving our fall line of goods. The selections were made with care and we feel confident that you will be pleased with our showing. Our line of ladies' tailor made suits and skirts is especially strong, and the prices are most reasonable. We have a splendid assortment, and can suit the most fastidious. Will be glad to show them to you. C. F. RIZER, Olar, S. C.

A card from Mrs. T. G. Herbert states that if nothing prevented the quarantine would be raised Tuesday of this week. Jackson continues to improve, and if nothing prevents all the family will arrive this week, and Mr. Herbert will preach at the Methodist church next Sunday morning. The evening service will be called off on account of the protracted meeting at the Baptist church. Mrs. Herbert says: "We will be so glad to get home!" Their many friends will also be glad to see them back.

**U. D. C. Meeting.**

The Francis Marion Bamberg Chapter of the U. D. C. will hold its regular monthly meeting next Tuesday afternoon, the 13th, at the home of Mrs. H. J. Brabham, Sr., at five o'clock. This will be a meeting of unusual interest to the members, as the executive committee will have a report to make concerning the monument. Every member is urged to be present promptly at the hour appointed.

**First Bales.**

The first bales of cotton were brought to town last Friday by Mr. C. J. S. Brooker and Mrs. Hughes. They brought fifteen cents a pound. Mr. Brooker's bale was bought by C. R. Brabham's Sons, and Mrs. Hughes sold her bale to J. A. Byrd.

**Baptist Church News and Notices. DIRECTORY.**

Preaching service every Sunday morning at 11 o'clock and evening at 7:30 o'clock by the pastor, Rev. O. J. Frier. Sunday-school every Sunday morning at 10 o'clock, C. W. Rentz, superintendent. B. Y. P. U. every Tuesday evening at 7:30 o'clock, David G. Felder, president. Prayer meeting every Thursday evening at 7:30 o'clock. Woman's M. U. meets Wednesday afternoon after each 2nd Sunday. Conference each fourth Sunday after preaching service. Observance of the Lord's Supper the first Sunday in each quarter.

**NEWS AND NOTICES.**

The Sunday school convention at Long Branch last week was largely attended and very much enjoyed. A good account was given of it by Bro. Geo. Smoak, Sunday morning. Bamberg Sunday school still retains the banner for the largest contribution per capita. Bro. Moore, State secretary, was present and said he thought ours was one of the highest if not the highest on this line in the State.

Protracted meeting began last Sunday morning with a large congregation, and the splendid sermons of Rev. Mr. Bristow, who is doing the preaching, are being well received by the people of Bamberg.

**Trinity News Notes.**

The month of September started off auspiciously as "the month of home-comers," last Sunday. The attendance was 144 and this is just the beginning. The members of the school are adhering closely to the slogan, "Everybody at work for everybody." With this as their slogan and "Onward Christian Soldiers" as their motto, they are carrying the cause of the church, as exemplified in Trinity Sunday school, forward and upward. There's nothing too good for our school, seems to be the sentiment of officers, teachers and pupils, and our school cannot do too much for the cause.

August is almost universally an "off month" in every line of business and in Sunday schools generally, but it has not been so with Trinity this year. With an average attendance of about 120, the record has been held up high. Good work has been done by every one and success in August has been the result. September will doubtless see still better things.

The classes are all working for the attendance and offering banners. The winners for August as announced last Sunday, were Company D, Mrs. R. D. W. Rowell's class, they winning the attendance banner with an average attendance of eighty-five per cent., and Company J, the organized class known as the "I. T.'s," they being the winners of the offering banner with an average offering of five cents per member for each Sunday in August. This was the initial month in the banner contests, and it is fully expected that the winners in the attendance contest in September will have to make not less than 100 per cent. in order to carry off the honors; in the offering contest, the class winning will doubtless have to make an average of not less than ten or fifteen cents per member each Sunday. The fact that Epworth Orphanage work day will come in this month, this being September 24th, will doubtless add much to the regular contributions.

Every energy is being bent toward preparing for rally day, October 16th. Officers and teachers are at work planning, and the prospect is for the biggest and best ever held in Bamberg. The effort will be to have 450 present at Sunday school on rally day.

Mr. J. A. Wyman has been in charge of the Herbert Adult Bible Class for two Sundays past.

**Master's Sale.**

There was only one public sale here last Monday and that by Master H. C. Folk, of three acres of land just outside of town, known as the McElroy place. This land was sold in the case of F. M. Simmons, administrator, against Curtis L. Carter. The three acres brought \$315.00, being bought by Jones Bros., whose land it adjoins.

**Card of Thanks.**

To the voters of Bamberg County: Having led the ticket for the house of representatives at nine boxes out of thirteen, I feel very grateful indeed to the voters of the entire county, and therefore take this method of thanking each and all for their very liberal support.

Very truly yours,  
J. A. HUNTER.

**Card of Thanks.**

Editor The Bamberg Herald:—Allow me through your paper to thank the voters of Bamberg county for the handsome vote given me for county commissioner on the 30th of August. I will show my appreciation by using every endeavor to perform the duties of the office to the best of my ability.

Your thankful servant,  
G. BROOK KINARD.

**A Midnight Marriage.**

Mr. Jack Hutto and Miss Mattie Lena Mather were happily married on Sunday night, September 4th. The marriage took place at the home of Mrs. L. L. Lancaster, Govan, S. C. The neighbors had been expecting this marriage for some time. On Sunday night these two young people decided to leave her home without even letting any one there know it. They knew that the Rev. Paul A. Bolen was spending the night at Mrs. Lancaster's, so they came in at 12 o'clock and called him up to perform the ceremony.

Both of these young people are of Govan. Mr. Hutto is employed in the service of the S. A. L. Railway Co. They will make their home at Hix, S. C., for the present. This happy young couple have the best wishes of a host of relatives and friends throughout the county.

**Killed by His Own Revolver.**

Camden, Sept. 5.—The remains of James Haile who was found dead with a pistol wound in his head at his boarding place in Jacksonville yesterday were brought to Camden this morning and buried this afternoon, the funeral services taking place from the Presbyterian church.

Mr. Haile was about 26 years of age and the youngest child of the late James H. Haile and Mary Hamilton Haile. He lived in Camden for the greater part of his life but left here some time ago to accept a position in Jacksonville with the Southern Express company in whose employ he was at the time of his death. Always jovial and happy no more popular young man ever lived in Camden than Jim Haile. His loss is widely and deeply grieved. Relatives and intimate friends here are of the opinion that he was carelessly handling his pistol, which he necessarily carried on account of his position, when it went off accidentally, the bullet taking effect in the middle of his forehead. Besides his mother, two brothers and two sisters survive him. Chief of Police Benjamin Haile Willie Haile, and Misses Emma and Lizzie Haile.

**Automatic Revolver as Fire Alarm.** Macon, Ga., Sept. 3.—An automatic revolver demonstrated its adaptability as a fire alarm at the home of W. H. Richmond, a farmer, seven miles from Macon early this morning. While Richmond and his wife were at the cowpen looking after the cows they heard several shots in the house and when they ran in to investigate they found their bed room on fire. A few buckets of water were sufficient to extinguish the flames.

Richmond found that while he and his wife were away from the house a negro had entered it, emptied the contents of a trunk on the bed, taken a watch from among them and then set fire to the bed. The revolver, under a pillow was soon discharged by the heat.

**SOME OCCURRENCES OF VARIOUS KINDS IN SOUTH CAROLINA.**

**State News Boiled Down for Quick Reading—Paragraphs About Men and Happenings.**

The matter of having a paid secretary for the Orangeburg chamber of commerce is being discussed by the business men of that city, and it is likely that this progressive city will employ a regular booster.

Mr. J. W. Bauer, section director of the local United States weather bureau, died at 9 o'clock in Columbia last Sunday morning, following an illness of two weeks. Mr. Bauer suffered with meningitis, but his condition was not regarded as critical until the last day or two.

Orangeburg is making efforts to get the new railroad from that city to North and later to Springfield. This is the road projected by Mr. W. C. Wolfe. The city will hold an election on the question of issuing bonds for \$20,000, and it is proposed to raise \$10,000 by private subscriptions.

**CANDIDATES CARDS.**

**NO REASON FOR IT**

**When Bamberg Citizens Show the Certain Way Out.**

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes of any kidney ills when relief is so near at hand and the most positive proof given that they can be cured. Read what a Bamberg citizen says: D. J. Cain, Church St., Bamberg, S. C., says: "I suffered from kidney trouble for two or three years and during the past six months my condition became quite serious. I often had spells of backache which were so acute I could not work. I could not sit down without first grasping something for support and then putting my whole weight on my arms. After lying down it was impossible for me to get up without assistance, and I might say that I was as helpless as a child. The kidney secretions were disordered and at times there was an almost complete retention. My condition was critical and all the doctoring I did brought me but little relief. Recently I began using Doan's Kidney Pills, which I obtained from the Peoples Drug Co., and I have since felt so much better in every way that I cannot praise the remedy too highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

**NOTICE.**

**Card From Congressman Patterson**

Barnwell, S. C., September 3, 1910.

To the People of the Second Congressional District: My sincere thanks are extended for the earnest, faithful, and splendid support given to me in the recent congressional race in this district. I feel doubly proud of the efforts exerted by my friends for the reason that I have not been well and could not make the campaign I desired, as is generally known throughout the district.

It is gratifying that after a long life in this district, I have so conducted myself as to receive such an endorsement at your hands and I trust that no act of mine shall ever deprive me of your good opinion. I feel, however, that my vote would have been greatly increased had it not been for the infamous letter circulated at the eleventh hour through the district purporting to bear the signature of one of my opponents, in which I am charged with being a failure hypocritically pretending to be sick, and without gratitude; that my elections heretofore have been purely accidental and that my only hope of election now is through my affiliation with the Methodist church.

It must appear passing strange that if my election was accidental, I should have been re-elected by the people of the district each time I have run. If my life has been a failure, it is likewise passing strange that I have been time and again honored by my people in many political offices.

I am glad to admit that in my early youth I became a member of the church and I am proud of my membership, but I repudiate with scorn the false statement that I am using the Methodist church to further my temporal ambitions. It needs no denial from me—the slanderous statement that the Methodist church is against other denominations and fights for its membership in politics. The church has stood too long in the hearts of the people as a controlling agency for good to be defended by me from such a dirty aspersion.

In the light of the authorship of this letter being repudiated by Mr. Byrnes, I will state that I have referred this matter to the U. S. postal authorities at Washington and requested that they at once send down a secret service man or men to co-operate with the local authorities to ferret out and fasten upon the party responsible for this infamous and scurrilous production, not only its authorship but its circulation, and I shall also endeavor, along with my friends, to do everything in my power to unearth the scoundrel or scoundrels and to land them in the Government penitentiary. In addition to this I have offered a reward of \$500 for the conviction of the guilty party.

I trust that my friends will rally to my support in the second primary and by their votes and a triumphant re-election stamp statements made against me in said circular and other false statements made against me in said campaign against me with their righteous condemnation.  
Faithfully your servant,  
J. O. PATTERSON.

**POLITICAL NOTICE.**

**To the Democrats of South Carolina:**

I wish to take this opportunity to thank the friends in every county who have given me their loyal and unwavering support in my candidacy for governor and to request a continuance of their efforts until the polls close in the second primary. The time before that election is short and I will not have the opportunity to communicate with many of them personally. From the indications of the first primary and the assurances received already from every section of the State, I am confident of being the next governor of South Carolina but the victory cannot be achieved without the assistance of my friends in each county.

I wish to say that from now until the second primary I will have headquarters in Columbia, where matters pertaining to the campaign will be attended to and where my friends may communicate with me.

Sincerely,  
C. C. FEATHERSTONE.  
Columbia, September 1, 1910.

**CARD FROM MAYOR COLE L. BLEASE.**

**To the Democratic Voters of Bamberg County:**

I am deeply grateful for the magnificent vote which I received for Governor in the first primary, and I take this method of expressing my thanks for those you gave me in your county.

Leaving my home County of Newberry with a handsome majority, and leading all the other candidates in the surrounding counties of Lexington, Union, Saluda, Fairfield and Laurens—the latter county being the home of Hon. C. C. Featherstone, who is my opponent in the second race—my vote was general throughout the State, without regard to geographical lines or to vocations in life. In seventeen of the forty-three counties, although there were six candidates before the people, I received more votes than any other candidate. Having led by several thousand votes in the first primary, and with the new assurances of support which have come to me, I am confidently expecting to be nominated for Governor in the second primary.

I have sought to place my campaign upon a high plane, seeking the votes of the people only on my own merits. If elected I will be the Governor of the whole people, without regard to section or class.

I desire to warn the voters against eleventh-hour rumors and false charges.

I shall deeply appreciate the suffrages of the Democrats of Bamberg county in the second primary.

Respectfully,  
COLE L. BLEASE.  
Newberry, S. C., September 3, 1910.
