Kellahin is a Racer But Beck Came Under the Wire Just Two Too Much Ahead

GOES TO THE WALL

A NEW MEXICO MINING COMPANY IS EMBARRASSED.

LITTLE IN TREASURY

It Was Capitalized at a Million Dollars, but There is Just Seven Dollars in the Treasury.—A Receiver is Appointed.

New York, Dec. 9.—Residents of Asbury Park, N. Y., who have invested \$200,000 in the Frazier Copper Company of New Mexico, have been startled by the announcement that the company has gone into the hands of a receiver upon application of N. B. Childers, U. S. District Attorney for New Mexico, acting for J. M. Lanning receiver of the Monmouth Trust Company of Asbury Park. The complainant alleges that the company owes \$107,000 and has only \$7 in its treasury. It was capitalized at a million dollars and every share of the stock was disposed of. The concern was exploited last winter by A. C. Twining and caused the suspension of two banks in Asbury Park. Lanning, who makes the application, states that the company has no legal title to any property. The deed given by Frazier, original owner of the mining property, to Twining is with a Santa Fe banking firm awaiting payment of the balance of purchase money, which is due December 21. The bank has been directed by the court not to give the deed to Frazier. Twining, who is under indictment in Monmouth county and in the Federal court, left Monday for the mining camp without knowledge of the receivership.

THE ENTIRE DEMOCRATIC TICKET IS ELECTED.

One Thousand and Eighteen Voters Were Registered, and Only Four Hundred and Sixty Votes Were Cast.—Robert Kellahin Runs F. J. Beck a Close Race.—Beck is Elected City Clerk by Two Votes.

The first city election for Roswell passed off quietly yesterday. Very little interest was shown as there was only one ticket in the field. Robert Kellahin, who has been the town clerk for a number of years, was the independent candidate for city clerk against F. J. Beck the Democratic nominee, and Mr. Beck won by a majority of two votes. The entire Democratic ticket was elected. A. W. McWhirt was put up by the labor unions in the fourth ward for alderman, but was defeated by W. W. Ogle, the Democratic nominee, by nine majority. There were 1,018 voters registered in the city, and only 460 votes were cast. The following is the registration and the number of votes cast in each ward: First Ward—198 registered, votes cast, 85. Second ward—190 registered, 100 votes cast. Third ward—263 registered, votes cast 108. Fourth ward—157 registered, 57 votes cast. Fifth ward—210 registered, votes cast 110. The third ward was in the lead in the registration, having 263 registered voters, but came second in the number of votes cast, the total number being 108. The Fifth ward, or as Alderman A. L. Whiteman calls it, "bloody Fifth or Cliff Dwellers' ward," is first in the number of votes cast, there being 110.

The man who "blazed the way" received 443 votes for mayor out of the 460 votes cast, which is indeed a compliment to Captain J. C. Lea, the man whom all Roswell has learned to love for his sterling qualities and real worth.

F. J. Beck, the Democratic candidate for city clerk, received 231 votes, and Robert Kellahin received 229 votes. Both of the candidates live in the Second ward, and there a hundred votes were cast, and each received 50 votes, an even split.

The votes in the different wards are given herewith:

First Ward—Votes Cast, 85
J. C. Lea, for mayor, 80.
F. J. Beck for clerk, 64.
Robert Kellahin, for clerk, 21.
E. H. Williams, for treasurer, 79.
Robert Kellahin, for treasurer, 1.
For Alderman—L. B. Tannehill, 76; Robert Kellahin, 1; Jas. Carper, 1.
For Members Board of Education—J. A. Cottingham, 76; E. H. Skipwith, 76; J. Carper, 2.

In the First ward all of the names on three of the ballots were scratched except Robert Kellahin's.
Second Ward—Votes Cast 100.
For Mayor, J. C. Lea, 97.
For Clerk—F. J. Beck, 50; Robert Kellahin, 50.
For Treasurer—E. H. Williams, 98
For Alderman—Ralph M. Parsons, 95; Ed S. Seay, 1.
For Members Board of Education—L. K. McGaffey, 96; Geo. L. Wyllys, 97.

There were also several scratched tickets in the Second ward with only the name of Robert Kellahin left on them.
Third Ward—Votes Cast 108.
For Mayor—J. C. Lea, 102.
For Mayor—J. C. Lea, 102; J. F. Blashek, 1.
For Clerk—F. J. Beck, 62; Robert Kellahin, 46.
For Treasurer—E. H. Williams, 103
For Alderman—S. P. Denning, 104
For Member Board of Education—B. F. Smith, 104; J. H. Devine, 104.

There were several ballots in the Third ward where Robert Kellahin's name was the only visible one.
Fourth Ward—Votes Cast 57.
For Mayor—J. C. Lea, 57.
For Clerk—F. J. Beck, 30; Robert Kellahin, 27.
For Treasurer—E. H. Williams, 57.
For Alderman—W. W. Ogle, 33; A. W. McWhirt, 24.
For Member Board of Education—W. T. Jones, 56; W. W. Gatewood, 57.

The lightest vote cast was in the Fourth ward, but it goes down in the history of the first city election of Roswell to the great credit of the 57 who voted that a pencil mark did not scar the name of Captain J. C. Lea.

Fifth Ward—Votes Cast 110.
For Mayor—J. C. Lea, 107.
For Clerk—F. J. Beck, 25; Robert Kellahin, 85.
For Treasurer—E. H. Williams, 107
For Alderman—A. L. Whiteman, 105.

Two of the ballots in the Fifth ward showed plainly that the marks of the pencil had been used energetically, and the name of Robert Kellahin was the only one to be seen. All of the names on one of the ballots were scratched off except A. L. Whiteman's.

Robert Kellahin made a remarkable race for the office of city clerk and only lacked three votes of being elected. He was one vote ahead until the returns were received from the Fourth ward, which put Mr. Beck in the lead by two votes, electing the entire Democratic ticket.

The vote is a compliment to Mr. Kellahin and shows that a number of his Democratic friends voted for him.

The vote shows that about the entire Republican vote was polled, while hundreds of Democrats who were registered stayed away from the polls thinking it useless to vote when there was but one ticket in the field. The entire Mexican vote in the Fifth ward was thrown to Kellahin for clerk.

Thus Roswell's first city administration will be in control of the Democratic party, that most henceforward be held responsible for its good government.

RODEY APPOINTED

THE SPEAKER PLACES HIM ON COMMITTEE ON TERRITORIES.

GOOD FOR STATEHOOD

The Minority is Desirous of a Larger Representation on the Committees But the Republicans Will not be Likely to Grant it.

Washington, D. C., Dec. 9.—By unanimous consent Delegate Rodey of New Mexico was placed on the Committee on Territories as an additional member.

DeArmond (Mo. dem.) amid applause on the minority side, asked if it be in order to request that an additional member of the minority be added to each of the sixteen big committees. Speaker Cannon said that stream would be crossed when reached. DeArmond said that in order to relieve the speaker from embarrassment, he would ask unanimous consent for additional minority representation on these committees. Payne objected. Adjourned.

Washington, D. C., Dec. 9.—After the suggestion of the chairman that the Penrose resolution for investigation of the postoffice department be considered and a statement by Senator Cullom that the Cuban bill should have the right of way, the senate took up the Cuban bill today. Teller continued his speech, and again took up the question of the activity of General Wood while governor in Cuba in behalf of Cuban reciprocity with the United States. He said there were official records to show that the Cuban government had paid to exceed \$15,000 to that interest during Wood's administration. He declared that the press of both the United States and Cuba had been utilized in supporting the policy of reciprocity, and quoted figures showing the amounts paid newspapers for advocating this policy.

In conclusion Teller said that the five year clause could have no right because no legislative body can bond the acts of the future. That clause was put in as a sop, Teller said. He was followed by Morgan who opposed the bill.

In the House.

When the house convened today, Payne, Chairman of the Ways and Means Committee, reported a resolution providing for reference of the President's message to the committee, and the house went into committee of the whole with Burket of Nebraska, in the chair, for its consideration.

Washington, D. C., Dec. 9.—James K. Jones, chairman of the Democratic National Committee, today issued a call for the committee to meet in the Shorham hotel in this city on Tuesday, January twelfth, for the purpose of deciding upon the time and place of holding the Democratic national convention.

wounding policemen. Failing to secure Attarian's release upon demand Davis embarked for Beirut on the same steamer that Attarian had tried to take.

COL. ED BUTLER RELEASED.

He Was Convicted of Bribery and Sentenced to Penitentiary.

Jefferson City, Mo., Dec. 9.—The supreme court today reversed the case of Col. Ed Butler, of St. Louis, who was convicted in November, 1902, of bribery in connection with the garbage contract, and sentenced to three years in the penitentiary. He was released on this charge, but there are still indictments pending against him charging bribery in connection with the St. Louis city lighting bill.

SHOT HIS FRIEND.

Soldier Trying to Desert is Killed by His Personal Friend.

Cheyenne, Wyo., Dec. 9.—While in citizens clothes and trying to desert private Thomas Burton, of Company E, second regiment, infantry U. S. A., was shot by private George Hood here today. STRONG RUSSIAN SQUADRON

Has Arrived at Port in Corea to Resist Opening of Yangampo.

Tokio, Japan, Dec. 9.—A strong Russian squadron, consisting of 3 war ships, including two battleships, has arrived at Champo, Corea, port of Seoul, to support Russia's opposition to the proposed opening of Yangampo to the commerce of the world. The Russians threaten to land three thousand men and march on Seoul should Corea disregard the warning.

OVER THE MOUNTAINS

Colombian Troops Will Be Sent to Subdue Panama.

Laguaina, Venezuela, Dec. 9.—The French steamer Versailles which arrived here from Savannah reports that Colombian steamers have landed 1,100 men from Cartagena, near the mouth of Atrato river, on the Gulf of Darien, to open the way through the Darien mountains into Panama. Other troops from the department of Cauca, Colombia are said to be converging on Panama, and from all parts of Colombia the troops are reported to be marching, awaiting only the result of General Reyes' mission to Washington as a signal to either begin aggressive warfare or to disband.

Washington, D. C., Dec. 9.—The Colombian Charge de Affairs Herran today authorized the statement that if troops from Cartagena had landed near the mouth of the river Atotz, as reported, it is a display of opposition to the advice of both himself and General Reyes. Reyes declared that if such movement had taken place it was without orders from him. When Reyes came to Washington he temporarily relinquished command of the Colombian army, the duties falling upon Gen. Castro, second in command. General Reyes has been told that the United States had determined to maintain the independence of Panama against all comers. No Colombian troops will be allowed to cross the frontier of Panama, or if they cross they will be ejected in due time.

The battle started at one o'clock this afternoon. Both sides are entrenched and intense excitement prevails.

EXCEPTIONAL QUIET

Prevails at All Points in the Strike Regions of Colorado.

Denver, Colo., Dec. 9.—Exceptional quiet prevails at all points in the state where strikes are on. At Telluride a full force of men is at work on the Tomboy mine and a large consignment of non-union men expected from Missouri tonight to be distributed to the different mines. At Trinidad, the center of the southern coal fields, there have been no further acts of violence, and unless the rioting is renewed it is stated there will be no call for troops. At Cripple Creek the military has the situation well in hand. Orders were issued today by Adjutant General Bell to reduce the force there.

ANOTHER STORY.

How the Turkish Government Tells of the Assault on Our Consul.

Constantinople, Dec. 9.—The report of the Turkish officials on the incidents at Alexandria complained of by United States Consul Davis has been telegraphed here by the governor of Beirut, Syria. The report says that Attarian the American over whom the trouble arose, claiming protection of the American consul, asked his assistance to enable him to embark for Egypt. The authorities insisted that the sanction of the government must be obtained but Davis refused to tolerate the delay and attempted to embark Attarian by force. When Attarian was arrested the military couriers attempted his rescue from the guard house, breaking doors and windows and

FUSION WINS AT DENVER.

Anti-Wolcott Republicans and the Democrats Combine.

Denver, Colo., Dec. 9.—With only two suburban precincts missing the returns in the election for delegates to the charter convention held in the city and county of Denver show that the candidates on the combination ticket of anti-Wolcott Republicans and Democrats receiving the lowest vote had a majority of 9,192 over the vote received by the highest candidates on the ticket supported by the regular republicans and civics. It is estimated that the anti-Wolcotts polled two thousand votes more than the regular republicans. The Civic ticket which was supported by the regular republicans was pledged to municipal control of public utilities. The Honest Election League, which worked for the latter ticket, charges fraud. The winning ticket carried all of sixteen wards of the city with the exception of three.

MICHAEL STROGOFF.

The Story of a Courier of the Great White Czar.

Michael Strogoff, the second attraction presented by the Noble's Dramatic Company during their present engagement in the city, was well received by an enthusiastic audience last night. The story of the courier's adventures while crossing the Russian frontier with an Imperial message for the Czar, was set forth in a very strong and realistic manner. J. A. Wolfe as Michael Strogoff, handled his part in a manner showing marked ability as an actor of more than ordinary merit. The staging of the play was arranged in the best way possible, owing to the size of the stage. The scenery and costumes were in keeping with the drama, showing that the company is above the average and thoroughly up-to-date. They are traveling in their own special car and have a big bull-dog known as Pete as a mascot.

AS MISSIONARY.

Miss Margaret Cobb Leaves for the Navajo Indian Reservation.

Miss Margaret Cobb left yesterday afternoon for Two Grey Hills, New Mexico, in the Navajo Indian reservation, where she will engage in Baptist missionary work among the Indians. Miss Cobb came here about one year ago from Connalco, Texas, and since has identified herself actively in Christian work in this city in Baptist circles. She is a noble young woman, and when she reaches her destination she will be 70 miles from a railroad. A large number of her friends, including Pastor C. C. Young of the Baptist church, were at the depot to bid her farewell and wish her Godspeed in her new undertaking.
