## CITY COUNCIL

R. W. CATHEY APPOINTED AND CONFIRMED TO THE OFFICE OF POLICE.

### NO MARSHAL

Routine Business Transacted.—The Council is in Favor of Putting in Good Crossings Just as Soon as the Cement Walks are Completed.

The city council met last night with Mayor Hinkle in the chair and all the members present except Burns and Whiteman. Much business of a routine character was transacted. The question of putting in good crossings was discussed, and it was the sentiment of the council that good crossings should be laid just as soon as the cement sidewalks are down.

The sanitary committee was instructed to have the Whiteman lots and the opera house lot cleaned at once and the debris removed.

The bond of the City Treasurer, Quince Cummins, was approved. This bond is in the amount of \$10,000.

Mayor Hinkle then made the following appointments: For City Marshal, W. A. Phillips; for Policeman, R. W. Cathey; for City Physician, W. W. Phillips.

The council considered the appointments, confirming the appointment of R. W. Cathey, and rejecting the other two appointments.

The vote on the confirmation of W. A. Phillips for City Marshal was as follows: For, Brooks and Ogle; against Church, Devine, Johnson, Kinsinger, Parsons, Wyllys.

The vote on the confirmation of R. W. Cathey for City Police was as follows: For, Devine, Johnson, Kinsinger, Ogle, Parsons; against, Wyllys, Brooks, Church.

The vote on the confirmation of Dr. W. W. Phillips for City Physician was as follows: For, Parsons, Wyllys; against Brooks, Church, Devine, Johnson, Kinsinger, Ogle.

The council adjourned to the next regular meeting Tuesday, June 7th.

### Painted Their Horses Green.

Ike Gronski, the veteran sheep man, and his son Roy left last evening for Hagerman to inspect their sheep in that region. When asked how the sheep business was, Mr. Gronski replied, "Just sorter so so." A good joke is told on Mr. Gronski during the hardest part of the drouth. It was said that he painted the noses of his sheep green to make them believe they were living high on alfalfa, when they were looking over grass.

### More Prospectors.

R. L. Faulkner and L. Roy Lanham returned last evening after a business trip to Ft. Worth and other points in Texas. They were accompanied here by Solon Curdick, of Purocell, Indian Territory, G. K. McLaren, R. L. Johnson and Robert Russell, of Sentinel, Oklahoma, who are here on a prospecting trip. Robert Russell is a brother of Henry Russell of this city. All of them will likely locate in the Valley. The entire party is stopping at the Shelby.

### A Lucky Woman.

E. T. Chamberlain, of Hutchinson, Kansas, who makes regular trips to the city in the interest of a Hutchinson milling company, is at the Grand Central. He hired a livery rig at Amarillo Sunday and he discovered in the rig a lady's chainmail bag with several valuable articles in same. There was a letter addressed to Miss

Christine Neal at a certain point in Oklahoma. The letter was written in endearing terms and contained a check on a Colorado bank for \$10. Chamberlain sent the bag and contents yesterday to the young lady and prepaid the express. It was a lucky find for the young woman.

### Fourth of July Celebration.

Isn't it about time that some definite arrangements are being made for the Fourth of July celebration in this city. The Record will add its share to making the coming celebration the most glorious in the history of the Territory. The merchants are also anxious to know so they can put in their orders for fireworks, etc.

### J. Phelps White, Jr.

J. Phelps White is rejoicing today over the arrival of J. Phelps White, Jr., last night. He is kept busy receiving the congratulations of his many friends.

It seems that there is trouble in getting enough artesian well machines to do the work in the Valley. Four new drilling outfits are on the way, and it is thought that there will soon be enough machines for the demand. J. F. Hale, of Artesia who owns the big well says that he will give a free drilling outfit for anyone who will drill a well on his place where there is not any doubt as to water being secured.

A. Brown, wife and one child arrived here yesterday and are at the Roswell hotel. They are from Greer county, Oklahoma, but have been at Deming for several months in the hope that the climate would be beneficial to the health of Mr. Brown who has consumption. He was not helped by the change to Deming and decided to try the Roswell climate. The sick man is a brother of R. Brown who has resided in this city for some time.

Dr. Lukens, pastor of the Presbyterian church, preached an interesting sermon to the Dexter citizens Sunday afternoon. One of the Dexter citizens remarked yesterday that they would welcome Dr. Lukens and the other preachers of Roswell at Dexter often if they would come and preach there.

Several of the show girls who were here a few days ago with the Peterson performers, returned here Saturday and left last evening for the south. The show broke up on account of the death of Mrs. Peterson at El Paso.

Good posing, a pleasing likeness, fine finish, and a suitable mounting are the points which make an artistic photograph, which you can secure at Frost & Walton's.

## TO SAVE PORT ARTHUR

A REPORT IS ABROAD THAT AN ATTEMPT WILL BE MADE.

### A SATURDAY FIGHT

Japanese Infantry and Cavalry Meet the Cossack.—A Small Fight at Port Arthur.—Japs Get Much Valuable Property at Dainy.

St. Petersburg, May 31.—A statement emanating from Paris that General Kuropatkin was sending three thousand troops southward in the attempt to save Port Arthur is declared here to be untrue.

The Russian press is chary of its comment on the Kinchou affair, but there is an evident disinclination to accept the Japanese official reports in their entirety. The general tone of the papers indicate the belief that the fall of Port Arthur would not decide the war.

The war office has received a detailed report of the fight at Aiyang Piennen on Saturday night, in which a battalion of Japanese infantry and one squadron of Japanese cavalry, numbering about 2,200 men, attacked five squadrons of Cossacks. The Russian losses were five killed and one officer wounded and nine horse killed. The Cossacks were bivouaced at 10:30 at night when the attack was made. The Cossacks retired in good order. There was a great deal of firing on both sides, but it was so dark that the shots were ineffectual. It is not believed that the Japanese losses were greater than the Russian loss, although one report says the Japanese squadron was wiped out. The war office here attaches little importance to the engagement which is heralded from Tokio as a Japanese victory.

Tokio, May 31.—Four gunboats, two destroyers and two torpedo boats sent to Port Arthur early Monday morning by Vice Admiral Togo, effected a careful reconnaissance, facing a heavy fire from the land batteries. They discovered a new Russian search light station and one or two new forts. Number three gunboat was struck by a shell and one petty officer killed and three men wounded, also one gun injured. The other boats escaped without damage.

The Russians evacuated Dainy so hastily that they failed to destroy much property that will prove highly valuable to the Japanese. General Oku's scouts report that over 100 barracks and storehouses remain uninjured. The railroad and telegraph stations with 200 passenger and cars are also uninjured. The Russians destroyed the big pier and blocked all the dock entrances with sunken steamers. They destroyed all the small railroad bridges in the vicinity of the docks, but left the jetties uninjured. It is understood that the Russians fled quickly when Nan Shan hill was lost, expecting that General Oku would immediately take possession of Dainy. All previous reports of Japanese occupation of the town were false.

Mukden, May 31.—The Japanese on the night of May 28th made another attempt to block Port Arthur by sinking merchant vessels in the harbor entrance. The attempt was discovered through the operation of the searchlights, and one of the Japanese gunboats and two torpedo boat destroyers were sunk. The merchantmen then retired.

Vladivostock, May 31.—It is believed from information received here that the Japanese have mined Peter the Great Gulf (on which this town is situated.) The task was easy of accomplishment because of the recent heavy fogs. One small Korean vessel was blown up in the gulf yesterday.

Washington, May 31.—The Japanese legation gave out a dispatch today to the effect that the Japanese occupied Dainy May 30. Over one hundred warehouses and barracks besides the telegraph and railway station were found uninjured. Over two hundred railway cars are usable, but all the small railway bridges in the neighborhood were destroyed by the Russians. All the dock piers except the great pier are uninjured. Some steam launches were also found at the mouth of the dock.

Tokio, May 31.—The Russians destroyed a gunboat used at Talien Wan against the Japanese left during the battle of Nanshan. The name of the gunboat is not known.

Tien Tsin, May 31.—It is reported here that the first brigade of the first Russian division, consisting of the first, second, third and fourth Siberian regiments, left Tashifhao (a point on the railroad about twenty miles south of New Chwang) for Kinchou yesterday. The purpose of this movement is not known here, but it is believed that the troops are moving to the relief of Port Arthur. They are to be followed by the entire division.

Mukden, May 31.—According to advice received here General Stoessel's force has taken up a strategic position near Port Arthur which is supported by the guns of the outlying batteries and fortresses. It is believed that General Oku has received strong reinforcements from the Japanese army which landed at Takushan.

### UNITED STATES WARSHIPS

Make a Deep Impression on the Population of Tangier, Morocco.

Tangier, Morocco, May 31.—The U. S. gunboats Castine and Marietta arrived here during the night, completing with the cruisers Brooklyn and Atlanta which arrived yesterday, the American squadron in connection with the kidnapping of Perdicaris and his stepson. The population are deeply impressed by the assembling of so many war vessels. The British and American representatives have sent a special courier to the Sultan concerning the prisoners. The officials maintain strict secrecy regarding the negotiations in progress.

## A BUSY JUSTICE

SEVEN CASES BEFORE JUSTICE OLIVER PEARSON TO-DAY.

### THE VALENCIA CASE

Jim Burnes Bound Over to Await the Action of the Grand Jury.—Various Other Cases Were Disposed of by the Justice.

Today was the busiest day for Judge Oliver Pearson since he has been elected Justice of the Peace in Precinct No. 2. There were seven cases before him this morning at his residence nine miles southeast of the city, on account of Justice Peacock being out of the city. All of the prisoners were taken out of the county jail and hauled to his residence in Muncy's wagonette, and given a hearing before Judge Pearson, who is not at all slow in his decisions. The prisoners were in charge of Sheriff Higgins, Deputies Henry Brown and L. J. Beard. They left the city this morning at 7:30 and were back in town by eleven o'clock, all of the cases having been acted upon by Judge Pearson.

The first case to come up was that of Jim Burnes who is charged by the Valencia boy with having sold him the twenty-five horses that he (Valencia) was charged with stealing from George Urton. Burnes promptly waived preliminary examination. The bond was fixed at \$1,500 to await the action of the grand jury in the case.

William Bullo, who is charged with robbing J. C. Noell of \$150, also waived preliminary examination and was bound over to the grand jury in the sum of \$1,000. He protested that the bond was too large, but the Judge refused to reduce it.

The next prisoner to face the judge was Jeff Davis, who is charged with attempted rape and assault on a child. The alleged crime was committed Sunday morning, and R. S. Cravens charges Davis with entering his residence and attempting to drag his ten year old child from the bed in scaring the man off he had a fight with him. From the description he gave Sheriff Higgins, Davis was arrested Sunday morning charged with the crime. He said today that he had no witnesses present, but that he could prove an alibi. He waived examination and was bound over in the sum of \$1,500.

J. C. Noell, who charges Bullo with robbing him, was the next one before the court. He was charged with being drunk, and he pleaded guilty. The Judge was considerate as Noell had met with hard luck in losing his money and he fined him \$5 and costs.

W. A. Moore next appeared before the court on a drunk charge, and he was fined \$10 and costs.

Willfroy Domingo, a Mexican who was charged with drunkenness and with striking Francisco Karancha an old Mexican sheep herder, in one of the saloons here, was fined \$25 and costs.

Francisco Karancha, the Mexican Domingo was charged with striking was also up on a drunk charge and was fined \$5 and costs.

All of the prisoners except Noell were brought back and placed in jail except Noell, who paid his fine and was released.

### ILLINOIS REPUBLICANS

Again Convene in State Convention to Nominat Ticket.

Springfield, Ill., May 31.—The delegates to the Republican state convention in re-assembling today were

generally of the opinion that no nomination would be reached before tomorrow or Thursday. The Lowden men exhibited great confidence and a break for their candidate on any ballot today. Deneen's managers appeared equally confident, and the Yates men said the governor was as great a factor in the convention as he was two weeks ago.

### MURDER AT CARLSBAD.

Young Camp Killed Last Night by a Mexican.—Murderer in Jail.

A young Mexican shot and killed a young white man named Camp last evening at Carlsbad on Canal street. The Mexican fired four shots at Camp, and three of them took effect, one in the arm, one in the side and the other ploughing through the body. It seems that some of the boys had been having some trouble with Mexican youths, which resulted in the killing of Camp. He went out the front of the house of a friend to make the Mexicans move on, when the fatal shots were fired. Camp was removed to his home and expired this morning at three o'clock. The Mexican, whose name was reported as Isadore Miranda, is in jail on the charge of murder.
