ANNOUNCEMENT.

I hereby announce myself as a candidate for Justice of the Peace in Precinct No. 7, subject to the action of the voters on June 7th.
J. B. BAILEY.

It is getting warm.
Good old summer time seems to be about here.

Speaking of seasons it will soon be fall in Port Arthur.

The Dunkards are well pleased with Roswell and many of them will return.

Pecos Valley apples are now the only ones on exhibition at the St. Louis fair.

It is the sentiment of the city council that good crossings should follow good walks.

No action has been taken about a Fourth of July celebration. Are we to have one?

Kansas is trying to have another flood that will outdo the one of last year. Kansas is never satisfied.

The six page edition of The Record yesterday shows that the business of the town is increasing.

When the crossings are put in Roswell will be qualified to receive her free delivery. Uncle Sam need wait no longer.

If you wish to be a candidate at the election Tuesday now is the time to announce yourself. Do not hide your light under a bushel.

The Illinois Republicans are gathering to-day and it may develop that they are no nearer together than when they adjourned.

All birds do not sing. There was a large cage of fall birds driven through the streets this morning but there was little music in the crowd.

The state ring has decreed that Mann shall be judge. If the President obeys the decree Mann will be the appointee, and the chances are that he will.

When Roswell has two justices of the peace it will not necessitate the taking of prisoners to outlying precincts when one justice is out of the city.

The store that had the double page advertisement in the Record of yesterday has been crowded all day today and extra help has been employed to wait on the trade. So much for the result of legitimate advertising.

The price of the Record is but fifty cents a month, yet those who read its advertisements can save themselves more than this amount each day. This is one reason why the subscription list of the Daily Record is growing at such a rapid rate.

The money for the Hondo reservoir has been set aside; by this time the favorable report of the engineers should have reached Washington. There certainly will be but little more red tape until the order is made. Then Hondo land will be at a premium.

The Record's news service has been the subject of much favorable comment the past few days. An hour after Senator Quay breathed his last boys on the streets of Roswell were selling the Record containing the announcement of his death and a full sketch of his life. Only a few hours after the delivery of President Roosevelt's speech at Gettysburg on Memorial day, the Record was being sold containing the speech in full and all the details of the day's program. Passengers on the Pecos Valley trains have already formed the habit of looking to the Record for the latest news. The sales on the train are larger than that of any other paper.

J. B. BAILEY.
The announcement of J. B. Bailey appears in this issue of the Record as a candidate for the office of Justice of the Peace in the newly created precinct. Mr. Bailey has lived in Roswell for some time his residence being in the Fourth ward on Alameda street. He is a man of mature years being fifty-four years of age. He was born and reared in Springfield, Mo., and for fourteen years was in the employ of the National Bank at Garnett, Kansas. He enters the race at the solicitation of many friends, who are assured that if elected he will fill the office most acceptably.

Notice of Creation of New Precinct and of Election for Justice of the Peace and Constable.

Whereas, A petition signed by more than fifty qualified voters and taxpayers, residents of the Territory hereinafter mentioned, has been presented to the Board of County Commissioners of Chaves county asking the creation of a new precinct as hereinafter described and the election of a Justice of the Peace and constable to serve as such in said precinct:

Now Therefore Notice is Hereby Given that a new precinct has been created in the county of Chaves by dividing Precinct No. 1 of said county, said new precinct to be known as Precinct No. 7 of the county of Chaves and to be composed of all that part of Precinct No. 1 of said county as the same now exists that lies south of the Second Standard Parallel South (Otherwise known as Second street in the City of Roswell).

Notice is hereby further given that an election is hereby called to be held in the territory herein described and at the machine shop of J. Q. Cummins on Main street in the City of Roswell, and in the Fourth ward thereof for the election of one Justice of the Peace and one Constable to serve in the new precinct herein before mentioned until their successors are elected and qualified at the ensuing general election for such officers in the Territory of New Mexico. The said election to be held on Tuesday, June 7th, A. D. 1904. The polls will open at 9 o'clock a. m. and close at six o'clock p. m., and only such qualified voters as reside within the precinct hereby created shall be allowed to vote. The following are hereby appointed judges of said election: J. G. Hedgecock, Fred Roth and W. C. Burrus, and the following are appointed clerks: H. J. Wall and J. J. Jones.

Done by order of the Board this 27th day of May, 1904.
W. M. ATKINSON,
Chairman of Board.

GERMAN BAPTISTS.

Twenty-Six Arrived Yesterday on the Tallmadge Special.

Twenty-six Dunkards, or as they are pleased to be called German Baptists, arrived in the city yesterday morning from Bovina on two of the Tallmadge special-cars to inspect the country and the proposed site of the Dunkard colony near Dexter. The majority of them are from the vicinity of Dayton, Ohio, and several are from Indiana, Missouri and Pennsylvania. They attended the conference of Dunkards at Carthage, Missouri and joined the Tallmadge company at Winfield, Kansas. They inspected the Panhandle country in the vicinity of Hereford, but all are of the opinion that the Pecos Valley is far ahead of any country they have yet visited. They were driven around yesterday to see the beautiful farms and orchards, and are out today looking at lands for sale. They will go to Galveston, Texas to see the country before deciding upon a location. There are five ministers among the party.

A MARVELOUS SALE.

The Closing Out Sale Started at the Famous Yesterday Morning.

Judging from the eager crowds that attended the closing out, cost sale which opened yesterday at the Famous store, it will be one of the most phenomenal sales in the history of the Valley. Everything is offered at actual cost, and it is not one of the many catch-penny advertising schemes to catch trade, but is a bona fide sale. Mr. Dentz of the firm has been compelled to move his family to California on account of ill health and this is the only reason that the goods are being slaughtered. It is the opportunity of a lifetime to secure dependable merchandise at the whole sale cost. Mr. Dentz is here personally to conduct the sale, and he said this morning to a representative of the Record, "These goods are going to be moved out of this house in a very short time and the people of Roswell will be given an opportunity to get goods at unheard of low prices. I intend to make it one of the most marvelous sales in the history of the city." It is a well known fact that when Phil Dentz gets a thing into his head he carries it through.

Captain Loring Will Return.

A message has been received by Col. Willson of the N. M. M. I. from Captain Loring at San Francisco, saying he would accept the appointment and would return here next fall and resume his duties at the N. M. M. I. All of the instructors who were with the school last session were re-elected and Captain Loring was the only one who was undecided about returning.

The new city sprinkler has arrived and is on exhibition in front of Seay, Gill & Morrow's store. They made the sale to the city. The sprinkler is modern in every particular, and was made by the old reliable Studebaker Co. It is handsomely painted and has the following wording on the side, "City of Roswell No. 2."

The Argus is glad to note the appointment of Hon. G. A. Richardson as commissioner to take testimony in the water suit now pending in the U. S. supreme court between the states of Kansas and Colorado. The appointment is a pleasing recognition of Mr. Richardson's ability as an expert on irrigation matters, and insures a careful and conservative handling of the question for the benefit of the two states.—Carlsbad Argus.

I. N. Seargeant left yesterday for his home at Marshall, Missouri, after spending the winter in this city. He will return here next fall. His wife and son will come back with him, means and owns valuable property in this city. He thinks there is no climate equal to the mild winters of the Pecos Valley.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach, caused indigestion and dyspepsia, but the truth is, exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membrane lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membrane lining the stomach, protects the nerves, and cures bad breath, sour stomach, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
