FINE PRODUCTS WANTED.

Farmers Should Assist the Commercial Club in Getting Up an Exhibit.

Every farmer in Chaves county who has some product of unusual merit bring a sample of it to the Roswell Commercial Club rooms and place it in the exhibit that the club is getting up for the benefit of visitors and the country as a whole. The idea is to have all of the good crops of Chaves county gathered into a large exhibit and placed in the rooms of the Commercial Club, where all visitors go, that they may see what the country is actually able to do. Thus the valley will be greatly benefited. Each contribution is to be labeled with the name of the grower and the location of his land. Thus the contributor will be liberally paid for his work in bringing the contribution to the club. It is high time that the farmers were responding, for some of the best and most attractive specimens can now be secured. The club has taken up this matter for public benefit and as every thing of this character helps raise the value of land, the farmers should, for their own benefit if not for public, join in making the exhibit a good one.

Seven Claims are Filed.

The following homestead claims were filed in the Government Land office Friday:

James Roberts, of Portales, 160 acres in section 6, township 2 South, R. 34 East.

Profirio Apodaca, of Guadalupe, 160 acres in section 28, township 1 North range 24 East.

Antonio Love, of Roswell, 80 acres in section 14, township 11 South R. 22 East.

Samuel S. Hay, of Roswell, 40 acres in section 35, township 11 South range 23 East.

Ned G. Holloway, of Carlsbad 160 acres in section 29, township 21 S., range 28 East.

Sarah E. Robertson, of Artesia, 159.84 acres, in section 4, township 17 S., range 24 East.

John W. Whitcomb, of Roswell, filed a desert claim of 320 acres in sections 12 and 11 township 19 South, R. 25 East.

The above is the "Quick Meal" Trade Mark. If you want to see the little "Quick Meal" chick get a quick meal, put it close to your eyes and your nose on the cross (+). Look at it that way steadily for a minute and you will see the chick make a "Quick Meal" of the bug. People who use a "Quick Meal" know how to cook a meal quick and eat it in comfort. "Quick Meal" Stoves look well, cook well, bake well and last well. They could not be made better at any price. Their immense sale is due to their merits—to nothing else.
