## The Racket Store.

### TO THE PUBLIC.

We desire to call your attention to our large and complete stock of fine groceries. We commenced business in Guthrie April 22, 1887. Our trade has steadily increased and our business has grown, and by additions at different times we have made room for kept and pace with our growing business until now we claim to carry the most complete stock of groceries in this city, always making it a rule to handle only the best goods, and to this policy we attribute in a large measure our success. This fall our stock is more complete than ever, and we invite your attention first to our stock of evaporated fruits. In this we have California evaporated apricots, peaches, nectarines, prunes, pricnells, blackberries, raspberries, pitted cherries, evaporated apples, figs, honey, currants, grapes, raisins of all kinds, citron, lemon and orange peel, etc. These are all new goods, fresh and clean, and sold at a reasonable price. We don't believe in giving some goods away, hoping to rob you on something else to get even. We always carry a nice line of all kinds of preserves in both glass and tin. Our line of coffees and teas are of the best and equal to any. We have something very fine in B. P. Japan and gun powder and for a great bargain. We have a S. C. Japan at 20¢ that can't be matched in this city for less than 50¢.

Remember for era lora we are sole agents in Guthrie for Kennedy's goods of Chicago, the best goods baked in America, and that we carry a full line of them both in crackers and all sweet goods, grain and oatmeal, wafers, wafers, etc. Our new pack of California canned goods are just in, they are of the San Lorenzo brand, there is none better, and we have a full line, and to families wanting these goods by the dozen we will make a liberal reduction. We would like to call your attention to our fancy New Orleans molasses. This we ship direct and know it is absolutely pure and no better made. Our new crop has just arrived. For maple syrup we have the exclusive sale in Guthrie of the celebrated brand, "Old Mansie," which is pure maple and no cheap trash. We will guarantee every can of it, and to any of our customers who tries it if they don't pronounce it pure maple we will refund the money and give them the same value, free of charge, of anything in the store. Whenever you want a little good cheese remember we keep it, and always have in stock the celebrated "Crawford cheese," supposed to be the best made in the United States. Our fifteen-cent peach, new pack, in three pound cans, is a bargain, and we are selling lots of them. We carry Crisse & Blackwell's goods and a nice lot of catsup, pickles in glass and wood, relishes, sauces, salads, olives, etc. We keep cottons.

To make a long story short, will say we carry a full and complete line of fancy and staple groceries, and that we want a share of your patronage. We deliver goods promptly and we always give satisfaction. Now if you don't see this ad. after this week don't think we have gone out of business, for we haven't, but can be found doing business at the old stand, 113 and 115 North Division street, preferring to give our customers the benefit of low prices than spend it all in advertising. Respectfully,
