GET DOWN TO FACTS.

Read What Guthrie Citizens Say. Get down to the fact of the matter. Don't take a stranger's word. It is easier to prove the truthfulness of statements made by citizens of Guthrie than endorsements coming from some faraway place. Read the following:

Mr. E. A. Kinnebrew, retired farmer, of 419 E. Perkins ave., says: "About six months ago without any apparent cause I noticed a pain just across the small of my back. At first it was more severe in the morning but by and by it became a constant nagging annoyance. Other symptoms plainly showed that my kidneys were the cause of the trouble and knowing this when I noticed Doan's Kidney Pills advertised to cure kidney complaint and kidney complaint alone, I went to J. N. Wallace's drug store for a box. A few days' treatment radically disposed of the attack. I will be only too pleased to give minute particulars to friends and acquaintances in Guthrie who call upon me personally. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents in the United States. Remember the name—Doan's—and take no other.

Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. J. N. Wallace.
