I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my book on other dyspepsias, The Heart or The Kidneys Trouble of the Stomach, Heart or Kidneys are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach, nerves, indigestion, nerves—mean Stomach weakness, always. And the cause, the kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other medicine ever claims to treat the "inside nerves," but for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book. Dr. Shoop, Racine, Wis. The Restorative is sold by F. J. Phillis & Co.

That new attraction at the Empire Theatre is entertaining and you'll miss a treat if you don't see it.

Suffered three years—hands and face most affected—Employed Doctor to no effect—Now cured and Recovered and Will Recommend

**CUTICURA REMEDIES IN ALL PARTS OF PARISH**

"My wife was taken badly with eczema for three years, and she employed a doctor with no effect. She then employed Cuticura Soap and Ointment. One box of Cuticura Soap and her left eye was badly affected, a red when she washed her face with Cuticura Soap and Ointment came back, but very slightly; but it did her a night of good. Then we bought the Cuticura Remedies in using the entire set of Cuticura Remedies and my wife is entirely recovered. She thanks Cuticura very much, and will recommend it highly in our locality and in every nook and corner of our parish. God bless you for the sake of suffering humanity." I. M. Robert, Hye-dropolis, La., Jan. 5 and Sept. 1, 1906.

**SOUTHERN MAN CURED  
Of a Terrible Eczema by Cuticura in Six Weeks.**

"Some time ago I suffered terribly with eczema, and I had the best medical attendance, but the more medicine I took the worse I got. I got help on with medicine for about five weeks until I saw the Cuticura Remedies advertised, and I at once purchased the Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, but had not the slightest hope of them curing me. After I had used the first set of Cuticura Remedies I saw the improvement, and in just six weeks my skin was as smooth as ever. I advise any one suffering from this terrible disease to use the Cuticura Remedies. Henry J. Reddick, 122 Spring St., Charleston, S. C., June 12, 1906.
