An ADVERTISER'S VIEW.

"What advertising needs most is to be advertised. The people generally do not understand well enough the direct benefits that may come to them through advertising." This statement is made by one of the greatest automobile manufacturers and one of the largest newspaper advertisers in the country. He has practiced what he preaches and has reaped an enormous fortune. He speaks by the book-the book book. Keep everlastingly at it-drive home the facts-tell why you are offering important savings to those who come to buy from you. KEEP AT IT. ADVERTISE IT.
