Liver to king.

The laver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of nilments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, "re all-immediately connected with the workings of the Liver. It has been successfully proved that Green's August Flower is unequalted in curing all persons affected with Dyspepsia or Liver Complaint, and all the numerous symptoms that result from an unhealthy condition of the Liver and Stomuch. Sample bottle to try, 10 cents. Posttively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.

CONSUMPTION CURED.

An old physician, retired from practice. having had placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure of consumption, bronchitis, enturrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human auffering. I will send, free of charge, to all, who desire the recipe, with full directions for preparing and veing, in German, Freuch, or English. Sent by mail by addressing with stamp, naming this paper. W.
