EVERY COMFORT BEING PROVIDED FOR VISITORS

Tulsa Committee Working Out All Details For Entertainment of 100,000 People

Tulsa, Oklahoma, will entertain the largest crowd in its history next October. With an experience of eight years behind them, the officers of the International Dry-Farming Congress and Exposition are making most complete arrangements for the reception and accommodation of visitors and delegates to the big meeting which begins October 22.
 A special caravans is being made of every house in the city and every available room will be listed in such a way that information concerning it will be instantly at hand at the time of the Congress. More than a score of special trains from the states of the far north and west, as well as from Canada, will arrive in Tulsa about October 22. These trains will be parked on the exposition grounds and the delegates will live in them during the ten days' meeting. Special wigwams will be built to accommodate any possible overflow of unattached men. Twenty acres have been set aside as camp sites for families who wish to bring their own camp equipment and live in tents during the time of the great international meeting.
 Added to these special accommodations will be the scores of good hotels and rooming houses now doing business in Tulsa. Two new hotels, with a combined capacity of 100 rooms, will be finished in time for the Congress. Altogether, it is certain that more than 20,000 visitors can be accommodated nightly in convenience and comfort.

LOW RATES ON ALL RAILROADS

VERY LIBERAL FARES GRANTED FOR DRY-FARMING CONGRESS AT TULSA, OCTOBER 22

People from practically every state in the Union will travel to Tulsa, Oklahoma, next month on special railroad rates which have been given on account of the International Dry-Farming Congress. Never before have rates been granted from so large a territory for any Oklahoma meeting. Special fares have already been given by the Southwestern, South-eastern and Montana passenger associations and others are falling into line as rapidly as their meetings are held. More than 100 railroads in the south and west are now advertising the Tulsa meeting and offering low fares because of it. A flat rate of two cents per mile in each direction has been given on all railroads in the District of Columbia, Virginia, Kentucky, Tennessee, North Carolina, South Carolina, Ohio, Illinois, Indiana, Georgia, Florida, Alabama, Mississippi, Louisiana, Arkansas, Missouri, Oklahoma, Texas, Kansas, New Mexico and Arizona.
 Special tourist rates will also be in effect from all points northwest and east of Chicago and St. Louis, the selling date in most instances being October 21.

The contract for the erection of the new high school building for colored people in the East end has been let and the work on the new structure will be in full blast in a few days. The building will add much to the appearance of this end of town and besides will relieve the congested conditions of the schools.
