NUMBER FOUR

Democracy Not A Party For Whites Only

Tulsa County Democrats Cordially Welcome Negroes

TWO PROMINENT TULSA NEGROES ELECTED DELEGATES TO STATE CONVENTION.

The Tulsa Star heartily congratulates the Democracy of Tulsa County for its broad minded liberality in selecting two of its energetic and faithful Negro adherents as delegates to the Democratic State Convention, held at Muskogee during the present week. The Star is glad to know, and believes that very many of its readers also will be glad to know, that when the Tulsa County delegation was seated, it signaled the entrance of not only women, but Negro men on equal terms in full participation in the affairs of the Oklahoma Democracy. We feel that this is a great stride forward which will result in attracting a larger number of the more intelligent and law abiding class of our Race to join the Democratic party, thus materially aiding in preserving the supremacy of the party in state and local affairs.

Tulsa, Feb. 5.—Just as we are going to press, the Star is the happy recipient of a telegram from Supreme Chancellor S. W. For the gratification of our many readers belonging to this great benevolent order, we reproduce the telegram below:

NEGRO MAKES GOOD IN ENTIRELY NEW FIELD.

Mr. Sampson Drew, Widely Known Oklahoman, a Claim Agent.

The Star is pleased to have opportunity of reproducing the above likeness of its friend, Mr. Sampson Drew, and to give an account of the important duties he is creditably performing in an entirely new field for Negro activity. This is not the first time Mr. Drew's name has appeared in columns of a newspaper. On the contrary, his name has ap-

peared frequently in connection with his running down criminals and bringing them to the bars of justice. For some time Mr. Drew has been employed by the Muskogee Traction Company as special agent. Not knowing any Colored man similarly employed, we believe Mr. Drew is a pioneer in this new field. His duties are various and cover a wide area of territory. Some of his most important duties are the investigation of claims against this company and looking up evidence in these cases. During the recent street car strike at Muskogee, he played a conspicuous part, and his services contributed materially toward ending the strike. At one time, he had 78 men under his charge, and the work done was approved and commended by Supt. Long and others. The Star feels certain Mr. Drew from day to day will achieve greater credit and honor for himself and the Race to which he belongs.
