Your Horoscope

LEARN WHAT the stars and plan-

ets say about your future. If you expect to make any changes during the year, by all means have an Astrologer point out the days and dates when the planets are favorable for your interests. These are critical

times and you need counsel and advice as never before. If you have made errors in the past, see that you do not make them in the future. There is no disputing the fact that the Astrologer can point out with remarkable accuracy and foretell coming events which are beyond the power of the average mind to foresee.

Surely you are interested in your self and want to know more about your future. We send you a lengthy Astrological Reading covering the entire year; one that you can consult today and prepare for what is coming tomorrow. As long as your star of Destiny is favoring you, your affairs will run smooth and prosper, but when the planets are in evil aspect everything goes wrong, you then say you are having "bad" luck. Surely this has come to your notice. From the Astrologer's view the year 1920 will be the most eventful year in the world's history. Many a fortune will be made and lost. Therefore, when you have an important matter to decide, and are at a loss as to what is best to be done, it is only necessary to consult your annual forecast, which fully covers Business Matters, Change of Location, Speculation, Travel, Love, Courtship, Marriage, Health, Accidents, Lucky days, etc., in details for the entire year.

We trust that you will avail yourself of this opportunity, for \$2 spent today may save you years of unhappiness. Send \$2.00, your full birth date. Remit by P. O. Order. Do it Now. Tomorrow may be too late.

PROMINENT OIL MAN OF

OUR RACE VISITS TULSA

He has 300 Acres of Oil Land in the Nowata Field—A Chance
For the Race

The Scribe ran across Rev. S. M. Twine, one of the Race's experienced oil men, who was here Saturday, conferring with Dr. Robert W. Motley and other leading citizens concerning his oil holdings, which are located in the Nowata field, and which are in close proximity to the producing wells there. Rev. Twine has 300 acres, and will begin drilling within 90 days. His fiscal agents are Messrs Ayers and Senae, experienced oil men who have been for several days pushing the project and have been quite successful. One of

these men will be here all the coming week to furnish information, etc., concerning same.

Rev. Twine is sole owner, and it is in no sense a corporation, but this Race man is visiting a few of the Race to take hold and help him develop it. A few "Assignments of Interests" \$250.00 each are being offered our people, and they are going at rapid rate; among some of our people here who have invested are Dr. R. W. Motley, Dr. J. J. McKeever, Rev. J. H. Abernathy, Rev. B. A. Whittaker, Mr. Chas. Allen, Mr. Henry Wilson and many others. These assignments are recorded at Court house and our people need

not entertain any fears as to taking part with Rev. Twine, as he is one of the most reliable men in our Race, and has made an eminent success of his business affairs for a great many years. He owns oil holdings in various sections of Oklahoma, and is giving employment to quite a number of the Race as well as of other race. He is now in need of a competent and experienced stenographer, whom he will pay a salary of \$25.00 per week to work in his Muskogee office.

Mr. John A. Givens, prominent business man of Bartlesville, was a visitor in the city Monday.
