Oklahoma's Republican Leader at Chicago.

(Special to Tulsa Star). MUSKOGEE, Okla., June 4.—The Hon. W. H. Twine, the recognized leader of the Oklahoma Colored Republicans, left last Monday night on the Texas Special for Chicago. Up to the hour of his departure, Judge Twine was optimistic as to his chances of being given a seat in the National Republican Convention as the regular delegate of the 4th District. During Monday, he had put in his time preparing a brief showing how the Colored women voters of Muskogee had been excluded from a conference of white women voters. The conference had been called to meet at the Sawokla Restaurant, white, where persons of color are not expected outside of the kitchen during business hours. The same trick had been played on the male voters by calling a meeting of district at Sever's Hotel.

LOLLY WHITES TRIUMPH AT CHICAGO

National Convention to Resemble Snow Bank on Greenland's Ice Mountains. (Special to Tulsa Star). CHICAGO, Ill., June 3.—At this writing the indications are that the claim of Hon. W. H. Twine for seat in convention will be decided adversely.

The Oklahoma contests will not be reached before Thursday. There are three of these, two delegates each from the Second, Fourth and Fifth Districts. When the contest from the Second, the Muskogee district is called J. J. McGraw himself will move that it be dismissed without consideration. In a conversation last night he told me that the case was without merit and involves the Negro issue, which has changed from the Negro asking consideration in spite of the fact he is a Negro to his demanding recognition because he is a Negro, and will not be permitted to take up the time of the committee.

Johnson to Lose Out. The committee then went into the Georgia contest, looked upon as the first real contest of actual political significance and having a bearing on the strength of the Wood or Lowden men, it drew a large audi-

Howard Loses; Kunz Wins.

In the Mississippi contests, the committee decided to seat the delegates at large headed by National Committeeman Mulvihill, but did not do so on the contests from the Eighth congressional district because it was necessary to have a subcommittee examine the proofs. In the Louisiana contests, the committee voted to seat the officially reported delegation headed by National Committeeman Emile Kuntz of New Orleans, which was unopposed, but claimed for the Wood forces, and in part by the Lowden managers.

Wm. J. Bryan, the recognized leader of the Democratic Party, He opposes Wilson's Armenian Mandate because it is antagonistic to the democratic principle of self government. He quotes Henry Clay's utterance to effect: "God created to people incapable of self government." Let us forget—there are in Southland Black "Armenians" who are "God Created."

NOTICE TO THE PUBLIC

I have been informed that a few Pastors of the local churches have lured themselves warning their members to stay away from lectures being given at 618 East Archer, by International Bible Students every First and Third Sunday of each month. I am glad to note that most of the preachers are rather broad-minded and are beginning to recognize that the International Bible Students have the truth. But I am sorry to say that there are a few ignorant, pin-headed fellows posing as ministers who are bitter enemies to Light or Truth, and whose only object is to keep the poor people in darkness and squeeze all the money out of them they can and make a big show to the world. Listen, dear people of the public, you can put it down that any preacher who warns you to stay away from the International Bible Students' is one who wants to keep you in darkness. He (that pin-headed preacher) knows that we have the light and he also knows that if you come into the light, down goes his (the preachers) pork-chops. Remember the place, 618 East Archer street, Masonic Hall, 3:00 P. M. sharp every first and third Sunday of each month during the summer, fall and winter.

Watch this notice weekly for subject of lecture and any possible change of date.

Subject for June 6, "THE JUDGMENT DAY—WHEN AND HOW." Friends come and hear for yourself the only consoling message during these times of great perplexity. It costs you nothing but your time. Seats are free and no collections. RICHARD J. HILL.

Dr. Shaw Lectures Graduates.
The closing exercises of the Booker T. Washington High School which occurred last Thursday at the A. M. E. Church were made especially memorable by the very able and instructive address to the graduates delivered by Dr. J. B. F. Shaw, President of Central Alabama College, located at Birmingham, Ala. Dr. Shaw dwelt particularly upon self dependence and urged his hearers to devote their attention to the present, the now, rather than the past or the future.
