ASSASSINATE FARMER

Stonewall Man Receives Load of Shot as He Steps from Door of Home; His Assailant Is Unknown

ADA, Nov. 1.—Sheriff R. E. Duncan and several possemen have been for the past 48 hours searching the southeast part of Pontotoc county in search of the unknown assassin of G. T. Crawford, a farmer who resided ten miles southwest of Stonewall and who was shot and killed Saturday night by a mysterious assailant.

Crawford, an old resident of the community, stepped out of his house shortly after dark and received a load of shot in his breast and side. Crawford pulled his revolver and returned the fire, but his wounds caused his shot to go wild. The unknown assailant fired upon the wounded man and fled. Crawford died in about 20 minutes.

The fact that Crawford was armed indicates that he was expecting an attack. County Attorney A. I. Hulick is conducting a searching investigation of the crime, but is giving out no information. It is intimated that there will be some startling developments.

BANNER MEMBERSHIP

TIUSA, Oct. 20.—A four-day campaign has brought the membership of the Tulsa chamber of commerce to 1,075 and it is believed this city has the largest commercial organization in the state of Oklahoma.

LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

When constipated or bilious give "California Syrup of Figs." Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once. When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad, has stomachache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs." and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of his little bowels without crying, and you have a well, playful child again. You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs." which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.
