The Oxford-Cambridge Boat Race Won Easily by the First Named Crew.

Description of the Contest—More Socialists Arrested—The Dead Prince—Notes.

London, March 15.—The annual boat race between the crews from Cambridge and Oxford universities, takes place on the Thames at five o'clock this forenoon the course to be from Putney to Mortlake, a distance of four miles and two furlongs.

Dublin, March 15.—It is stated that Joe Brady one of the conspiracy prisoners confessed he murdered Lord Frederick Cavendish and Burke.

Vienna, March 15.—The Russian government has proposed to other powers that an international detective force be organized to cope with anarchists, nihilists, fanatics and socialists.

Dublin, March 15.—The Catholic clergy of the diocese of Swinford, county Mayo, passed a resolution in which they charge the government with neglecting the distressed people, and condemn the remedies offered, namely: The work-house or emigration.

Paris, March 15.—Fifteen anarchists visited the office of the *Justine* and attempted to compel Henri Rochefort, the editor, to insert a note in the paper denouncing its report of the riot last Friday as slanderous.

Four anarchists including two members of the press have been sentenced to two years imprisonment and to pay a fine of 3,000 francs for delivering seditious speeches.

Explosives have been found in the house of a man named Panger, who has been arrested. It is expected that information touching the doings of anarchists more vital than any Louise Michel could furnish will be obtained from him.

Baden-Baden, March 15.—The funeral of prince Gortschakoff took place from the Russian chapel here yesterday. The physician who attended the prince states that there were enough grounds of suspecting the prince had been poisoned.

London, March 15.—The Oxford won the boat race by three lengths. The boats started at 3:41. Cambridge had the Middlesex side of the river and the Oxford the Larroy side.

Oxford had the best of an uneven start. They pulled a regular stroke nearly forty minutes and were almost clear of the Cambridge boat at Craven street, about six furlongs from the start.

At Hammersmith bridge one and three-quarter miles from Putney, Cambridge was nine seconds behind Oxford. At Chiswick three-quarters of a mile further on, four lengths astern and going better.

A violent hail-storm here broke upon the crews. The Cambridge quickened its speed, but in Corney Beach it was evident it all was over with them.

The result causes greater excitement than that of any previous race, in consequence of the heavy betting on the Cambridge crew, who at the start were favorites at seven to two.

Memphis, March 15.—A special to the Associated Press from Helena, Ark., says the gauge this morning registers forty-six feet, a decline of three inches during the past fourteen hours.

Preparations for a new crop are energetically going forward. The damage to the Mobile & Northwestern railroad bed will be quickly repaired as soon as the water falls sufficiently to admit work.
