STATE OF TEXAS, COUNTY OF TARRANT.

Warrant by These Presents--That I have this day bargained, sold and delivered to the CHASE TRADING COMPANY, for the sum of FIFTEEN THOUSAND FIVE HUNDRED AND TWENTY-FIVE DOLLARS, to me paid, the ENTIRE STOCK OF MERCHANDISE formerly known as the Wenar & Samuel store, the title to which I warrant and defend.

W. T. MADDOX, Sheriff.
By R. H. TUCKER, Deputy.

A CARD

In view of the magnitude of the labor attending the marking down of the Wenar & Samuels stock, we find it utterly out of our power to commence this great sale upon the 20th instant, as advertised. We therefore announce that the sale will commence upon Saturday, the 25th instant, and we ask the indulgence of the public.

At last there has been discovered a remedy which will positively cure chronic sores of every character.

There grows in the sage brush and desert lands of Nevada and Utah a shrub called by the Indians "tempah," which when made into an infusion cannot be distinguished in taste from the Chinese tea. It is a blood purifier, and Indians and whites use it for medicine. Many of the miners of Eastern Nevada have acquired a taste to it and prefer it to the tea of the stores. Its effect is a mild stimulation, about the same as is produced by tea or coffee, and no harmful or injurious effects follow its use.
